OHIO MAYOR'S COURTS

Ohio law allows mayors of municipal corporations populated by more than 100 people that are not the site of a municipal court to conduct mayor's court. These courts, which are not courts of record, hear only cases involving violations of local ordinances and state traffic laws. Those convicted in a mayor's court may appeal their conviction to the municipal or county court having jurisdiction within the municipal corporation. Ohio law does not require mayors hearing cases to be attorneys.

Section 1905.033 of the Ohio Revised Code, effective Jan. 1, 2004, requires mayor's courts to register annually and file statistics quarterly with the Supreme Court of Ohio. At the request of the Ohio General Assembly, the Supreme Court adopted rules providing court procedures and basic legal education for mayors hearing cases. Furthermore, mayors whose courts hear alcohol- and drug-related traffic offenses have additional educational requirements.

In 2008, there were 330 municipal corporations operating mayor's courts that registered and reported activity to the Supreme Court. The populations of those municipal corporations are broken down in the table below:

Population	Courts
Less than 100	3
100 to 499	40
500 to 999	60
1,000 to 4,999	155
5,000 to 9,999	34
10,000 to 19,999	23
20,000 to 29,999	8
30,000 to 39,999	6
40,000 or more	1

GENERAL NOTES

Incomplete Data

The following mayor's court first became active midway through 2008, and therefore only submitted quarterly caseload reports for part of the year:

- **Craig Beach:** First became active in July 2008. Therefore, this court only submitted quarterly caseload reports for the third and fourth quarters.

The following mayor's courts did not submit one or more quarterly reports even though their most recent quarterly reports showed cases pending at the end of those quarters:

- **Amsterdam:** Did not submit a fourth quarter report
- **Golf Manor:** Did not submit a third or fourth quarter report
- **Gratis:** Did not submit a second, third or fourth quarter report
- **Midvale:** Did not submit a third or fourth quarter report
- **Salineville:** Did not submit a fourth quarter report

The following mayor's courts did not submit one or more quarterly reports and have notified the Supreme Court that they are no longer active.

- **East Sparta:** Last report received was for second quarter
- **West Millgrove:** Last report received was for first quarter

The following mayor's court did not provide its third or fourth quarter reports until shortly before publication of this report. Consequently, its caseload data for those quarters is not contained in this report.

- **Smithfield**

Definition of "Clearance Rate"

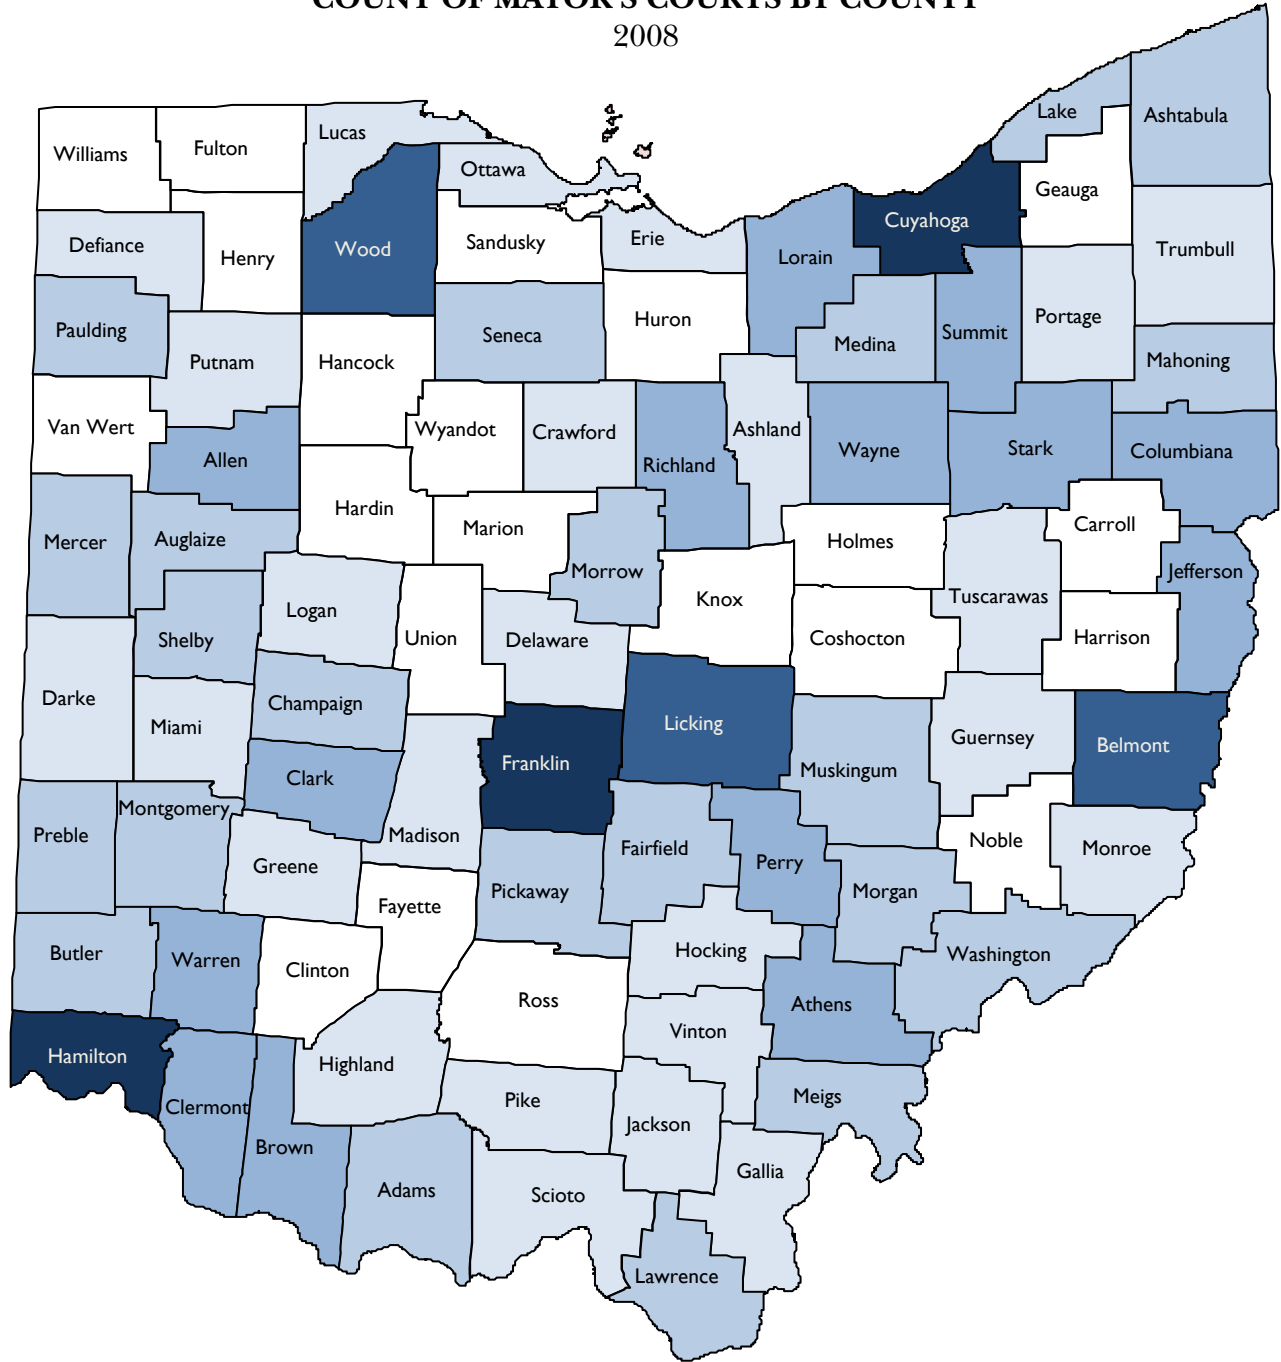

A court's clearance rate is a measure of its ability to keep up with its incoming caseload. It is determined by comparing the number of cases filed during the year to the number of cases terminated during that same year. The clearance rate, expressed as a percentage, is calculated by dividing the total number of terminations by the total number of new filings, transfers, and reactivations. The calculation does not include cases pending at the beginning of the year.

Population Data

All population figures contained in this report are based on the 2000 U.S. Census.
