COMMISSION ON CONTINUING LEGAL EDUCATION

Pro Bono Organizations Recognized for Providing Pro Bono Programs or Services in Ohio

The below organizations have been recognized as providing pro bono programs or services in Ohio pursuant to [Gov.Bar R. X, Sec. 5\(H\)\(5\)](#). For purposes of receiving continuing legal education credit, “pro bono” means legal service provided in Ohio by an attorney to either a person of limited means or a charitable organization in which the legal service is assigned, verified, and reported to the Commission by an organization recognized by the Commission.

Volunteer attorneys may not seek CLE credit for their pro bono legal services on their own. They must seek such credit through application with the pro bono sponsor, which is responsible for submitting CLE credits to the Commission.

Additional information regarding CLE credit for Pro Bono Services, including the application forms can be found [here](#).
