JASPAY Portal Instructions

The JASPAY Portal allows retired assigned judges to request compensation and keep track of the hours they have worked.

To get to JASPAY

- Go to https://supremecourt.ohio.gov/JASPAYPortal
- Log in with your username (attorney ID) and password.

Using JASPAY

Below is an overview of the different parts of the JASPAY Portal.

- Enter time you worked for the current pay period.
- View your past entries.
- Find details on your assignments.
- See answers to frequently asked questions about JASPAY.
- Review the Guidelines for Assignment of Judges.
- Log into OAKS to review your paycheck.
- Fill out a form to contact the Judicial Assignment Specialist.
- Fill out a form to contact Human Resources.

Time Entry

On the Time Entry page, click on Add New Entry to enter time worked.
• Enter the date worked.
• Enter or select the assignment number from the dropdown list.
• Enter the number of whole hours worked (may not be more than 8 hours for a given date).
• Check the box to certify your entry.

• Click on Submit when finished with the time entry.
• Click on Cancel to exit the screen without saving the time entry.

If you need to change any details about an entry, click on Edit.

To permanently remove an entry, click on Delete.

**History**

The History page allows you to view past time entries.

Search for past time entries using one or more of the following:

• Assignment
• Pay Date
• Date Range

Click on Get Report to view the results.
Assignment Search

The Assignment Search page allows you to look up details about your assignments.

Enter your search terms and click on Search.

Click on an assignment number in the search results for more details about the assignment.
