COLUMBUS

ANNOUNCEMENT

**MONDAY
June 18, 2001**

MOTION DOCKET

01-96. Sain v. Roo.

Franklin App. No. 99AP-1459. On May 23, 2001, this court issued an order granting appellee's motion for sanctions for frivolous action and ordering appellee to file a statement of attorney fees and costs. Appellee's itemized statement was filed on June 8, 2001. On June 11, 2001, appellants filed objections to appellee's itemized statement. Whereas there are no provisions in the Rules of Practice for filing objections to statements of attorney fees, nor did the court's order provide for such a filing,

IT IS ORDERED BY THE COURT that appellants' objections be, and hereby are, stricken.
