## DISCIPLINARY CASES

**2011-1049. Cleveland Metro. Bar Assn. v. Berk.**

This cause is pending before the court upon the filing of findings of fact, conclusions of law, and a recommendation by the Board of Commissioners on Grievances and Discipline.

Review of the objections and brief in support of the respondent reveals that it fails to comply with S.Ct.Prac.R. 8.4(A)(3), which requires that documents "shall be at least 12-point, double-spaced noncondensed type." Because the respondent's

objections and brief in support is single-spaced, it is ordered by the court, sua sponte, that the document is stricken.

The respondent shall file an amended objections and brief in support within ten days of the date of this entry that complies with all provisions of the Rules of Practice of the Supreme Court of Ohio. Pursuant to the stipulation for extension of time filed on August 5, 2011, the relator's answer brief shall be filed no later than September 9, 2011.
