## DISCIPLINARY CASES

**2011-1190. Disciplinary Counsel v. Lynch.**

This cause is pending before the court upon the filing of a certified copy of a disciplinary order issued by the Supreme Court of Arizona.

Upon consideration of the written request of respondent for an extension of time to file objections and brief in support, it is ordered by the court that the written request for an extension is stricken for failure to fully comply with S.Ct. Prac.R. 8.2 through 8.4 and for failure to state "good cause" as required by S.Ct. Prac.R. 14.3(B)(2)(b).

It is further ordered that respondent may file a new request that "states good cause for an extension" and that fully complies with all mechanical requirements of the Supreme Court Rules of Practice within ten days from the date of this entry.
