DISCIPLINARY CASES

2015-1316. Disciplinary Counsel v. Cannata and Phillips.

This cause is pending before the court upon the filing of a report by the Board of Professional Conduct. On November 24, 2015, respondent, Gerald Wayne Phillips, filed a motion to withdraw objections and submit the matter on the board's report and recommendations. Relator, disciplinary counsel, does not object to respondent's motion and filed a conditional motion to withdraw relator's answer to the objections.

Upon consideration thereof, it is ordered by the court that respondent's motion to withdraw objections and submit the matter on the board's report and recommendations is granted. It is further ordered that relator's motion to withdraw relator's answer to the objections is granted. The oral argument scheduled in this matter for December 2, 2015, is cancelled.
