IN THE COURT OF APPEALS TWELFTH APPELLATE DISTRICT OF OHIO BUTLER COUNTY

RODNEY E. LYME, :

CASE NO. CA2001-11-272 Plaintiff-Appellee, : (Accelerated Calendar)

: JUDGMENT ENTRY

- vs - 5/13/2002

:

SANDRA K. LYME, :

Defendant-Appellant. :

APPEAL FROM COMMON PLEAS COURT, DOMESTIC RELATIONS DIVISION

- $\{\P 1\}$ This cause is an accelerated appeal from the Butler County Common Pleas, Domestic Relations Division, in which the trial court admitted and considered additional evidence on an objection to a magistrate's decision.
- $\{\P2\}$ Appellant raises two issues within a single assignment of error. Appellant's argument regarding Loc.R. 25(B) of the Butler County Domestic Relations Court is without merit because the rule discusses the situation in which a party waives objections to admissibility of a document, not the admissibility of documents in general. The trial court had authority pursuant to Civ.R. 53(E)(4)(b) to hear and consider this addi-

tional evidence.

- {¶3} Appellant's argument regarding lack of a transcript is also without merit. The trial court's decision regarding the admissibility of evidence was a matter of law, and a transcript was not necessary because the magistrate did not make findings of fact on the excluded evidence. Civ.R. 53(E)(3)(b); Sparks v. Sparks (June 8, 2001), Lucas App. No. L-00-1250. Accordingly, appellant's assignment of error is overruled.
 - $\{\P4\}$ The judgment of the trial court is affirmed.

Pursuant to App.R. 11.1(E), this entry shall not be relied upon as authority and will not be published in any form. A certified copy of this judgment entry shall constitute the mandate pursuant to App.R. 27.

Costs to be taxed in compliance with App.R. 24.
