APPEAL FROM BUTLER COUNTY COURT OF COMMON PLEAS,
JUVENILE DIVISION
Case No. JN2001-0767

Patrick E. McKnight, 2226 Central Avenue, Suite B, Middletown,
OH 45044, for appellant, C.W.

Billy and Judy Phillips, 3241 E. County Road, 100 South,
Winchester, IN 47394, appellees/pro se

Per Curiam

{¶ 1} This cause came on to be considered upon a notice of
appeal, the transcript of the docket and journal entries, the
transcript of proceedings and original papers from the Butler
County Court of Common Pleas, Juvenile Division, and upon the
brief filed by appellant's counsel, oral argument having been
waived.

{¶ 2} Counsel for appellant, C.W., filed a brief with this
court pursuant to Anders v. California (1967), 386 U.S. 738, 87
S.Ct. 1396, which (1) indicates that a careful review of the

record from the proceedings below fails to disclose any errors by the trial court prejudicial to the rights of appellant upon which an assignment of error may be predicated; (2) lists one potential error "that might arguably support the appeal," Anders, at 744, 87 S.Ct. at 1400; (3) requests that this court review the record independently to determine whether the proceedings are free from prejudicial error and without infringement of appellant's constitutional rights; (4) requests permission to withdraw as counsel for appellant on the basis that the appeal is wholly frivolous; and (5) certifies that a copy of both the brief and motion to withdraw have been served upon appellant.

{¶3} Having allowed appellant sufficient time to respond, and no response having been received, we have accordingly examined the record and find no error prejudicial to appellant's rights in the proceedings in the trial court. The motion of counsel for appellant requesting to withdraw as counsel is granted, and this appeal is hereby dismissed for the reason that it is wholly frivolous.
