This case was tried to a referee of the court. On December 27, 2001, the referee issued a report recommending judgment for plaintiff in the amount of \$10,866.23, plus prejudgment interest at the statutory rate. No objections were filed in this matter.

Upon review of the record and the referee's report, the court determines that there is no error of law or other defect on the face of the referee's report. Therefore, the court adopts the referee's report and recommendation as its own. See Civ.R. 53.

Judgment is rendered for plaintiff in the amount of \$16,046.28, which includes prejudgment interest and the filing fee paid by plaintiff. Court costs are assessed against defendant. The clerk shall serve upon all parties notice of this judgment and its date of entry upon the journal.
