{¶1} By agreement of the parties, this case was submitted to a magistrate of the court on briefs, for a decision on the merits. On December 17, 2002, the magistrate issued a decision recommending judgment for defendant. On January 17, 2003, plaintiff filed a “motion for leave to extend deadline to file for appeal” which the court construes as a motion for enlargement of time to file an objection to the magistrate’s decision.

{¶2} Upon review, plaintiff’s motion is DENIED. Furthermore, upon review of the record and the magistrate’s decision, the court determines that there is no error of law or other defect on the face of the magistrate’s decision. Therefore, the court adopts the magistrate’s decision and recommendation as its own. Judgment is rendered in favor of defendant. Court costs are assessed against plaintiff. The clerk shall serve upon all parties notice of this judgment and its date of entry upon the journal.
