IN THE COURT OF CLAIMS OF OHIO

ANGELO CUCCI, JR.	:	
Plaintiff	:	
v.	:	CASE NO. 2004-02652-AD
OHIO DEPARTMENT OF TRANSPORTATION	:	<u>MEMORANDUM DECISION</u>
Defendant	:	
	:	

FINDINGS OF FACT

{¶1} 1) On January 29, 2004, plaintiff, Angelo Cucci, Jr., was traveling on the Interstate 480 East entrance ramp off Ridge Road in Cuyahoga County, when his automobile struck a large pothole causing damage to the vehicle.

{¶2} 2) Plaintiff filed this complaint seeking to recover \$296.92, the cost of automotive repair which plaintiff contends he incurred as a result of negligence on the part of defendant, Department of Transportation, in maintaining the roadway. Plaintiff submitted the \$25.00 filing fee.

{¶3} 3) Defendant has denied liability based on the fact it had

no knowledge of the pothole prior to plaintiff's property damage occurrence.

{¶4} 4) Plaintiff filed a response to defendant's investigation report. However, plaintiff has not submitted any evidence to indicate the length of time the pothole existed prior to the incident forming the basis of this claim.

{¶5} 5) Defendant has asserted maintenance records show six pothole patching operations were needed in the general vicinity of plaintiff's incident during the seven-week period preceding the January 29, 2004, property damage event.

CONCLUSIONS OF LAW

{¶6} 1) Defendant has the duty to keep roads in a safe, drivable condition. *Amica Mutual v. Dept. of Transportation* (1982), 81-02289-AD.

{¶7} 2) In order to recover on a claim of this type, plaintiff must prove either: 1) defendant had actual or constructive notice of the defect (pothole) and failed to respond in a reasonable time or responded in a negligent manner, or 2) that defendant, in a general sense, maintains its highways negligently. *Denis v. Department of Transportation* (1976), 75-0287-AD.

{¶8} 3) There is no evidence defendant had actual notice of the damage-causing pothole.

{¶9} 4) The trier of fact is precluded from making an inference of defendant's constructive notice, unless evidence is presented in

respect to the time the defective condition (pothole) developed. *Spires v. Highway Department* (1988), 61 Ohio Misc. 2d 262.

{¶10} 5) Size of the defect (pothole) is insufficient to show notice or duration of existence. *O'Neil v. Department of Transportation* (1988), 61 Ohio Misc. 2d 297.

{¶11} 6) In order for there to be constructive notice, plaintiff must show sufficient time has elapsed after dangerous condition (pothole) appears, so that under the circumstances, defendant should have acquired knowledge of the existence of the defect. *Guiher v. Jackson* (1978), 78-0126-AD.

{¶12} 7) No evidence has shown defendant had constructive notice of the pothole.

{¶13} 8) Furthermore, plaintiff has failed to show defendant negligently maintained the roadway.

{¶14} Having considered all the evidence in the claim file and, for the reasons set forth in the memorandum decision filed concurrently herewith, judgment is rendered in favor of defendant.

Court costs are assessed against plaintiff. The clerk shall serve upon all parties notice of this judgment and its date of entry upon the journal.

DANIEL R. BORCHERT
Deputy Clerk
