	:	
Defendant	:	

: : : : : : : : : : : : : : : :

FINDINGS OF FACT

{¶ 1} 1) On December 26, 2005, at approximately 8:00 p.m., plaintiff, Jeffrey D. Doerrrer, was traveling north on State Route 8 in Boston Heights, Ohio, "just south of Hines Hill Rd," when his van struck a pothole causing wheel damage to the vehicle.

{¶ 2} 2) Plaintiff filed this complaint seeking to recover \$327.48, the cost of replacement parts and automotive repair necessitated by the December 26, 2005, event. Plaintiff implied the damage to his car was proximately caused by negligence on the part of defendant, Department of Transportation ("DOT"), in maintaining the roadway. The \$25.00 filing fee was paid.

{¶ 3} 3) Defendant denied liability based on the contention that no DOT personnel had any knowledge of the pothole on the freeway exit ramp prior to plaintiff's December 26, 2005, property damage occurrence. Defendant located the damage-causing pothole at about milepost 14.7 on State Route 8 in Summit County. Defendant asserted plaintiff failed to produce any evidence showing how long the pothole existed prior to 8:00

p.m. on December 26, 2005.

{¶ 4} 4) Defendant denied receiving any calls or complaints regarding the particular pothole before plaintiff's incident. Defendant explained DOT employees conduct roadway inspections, "at least two times a month." Apparently no potholes were discovered during previous roadway inspections. Defendant suggested the pothole likely, "existed for only a short time before the incident," forming the basis of this claim. Defendant denied DOT employees were negligent in regard to roadway maintenance.

CONCLUSIONS OF LAW

{¶ 5} Defendant has the duty to maintain its highways in a reasonably safe condition for the motoring public. *Knickel v. Ohio Department of Transportation* (1976), 49 Ohio App. 2d 335. However, defendant is not an insurer of the safety of its highways. See *Kniskern v. Township of Somerford* (1996), 112 Ohio App. 3d 189; *Rhodus v. Ohio Dept. of Transp.* (1990), 67 Ohio App. 3d 723.

{¶ 6} In order to prove a breach of the duty to maintain the highways, plaintiff must prove, by a preponderance of the evidence, that defendant had actual or constructive notice of the precise condition or defect alleged to have caused the accident. *McClellan v. ODOT* (1986), 34 Ohio App. 3d 247. Defendant is only liable for roadway conditions of which it has notice, but fails to reasonably correct. *Bussard v. Dept. of Transp.* (1986), 31 Ohio Misc. 2d 1.

{¶ 7} Plaintiff has not produced sufficient evidence to indicate the length of time the particular pothole was present on the roadway prior to the incident forming the basis of this claim. Plaintiff has not shown defendant had actual notice of the pothole for a sufficient length of time to invoke liability. Additionally, the trier of fact is precluded from making an inference of defendant's constructive notice, unless evidence is presented in respect to the time the pothole appeared on the roadway. *Spires v. Highway Department* (1988), 61 Ohio Misc. 2d 262. There is no indication defendant had constructive notice of the pothole. Plaintiff has not produced any evidence to infer defendant in a general sense, maintains its highways negligently or that defendant's acts caused the defective condition. *Herlihy v. Ohio Department of Transportation* (1999), 99-07011-AD. Size of the defect (pothole) is insufficient to show notice or duration of existence. *O'Neil v. Department of Transportation* (1988), 61 Ohio Misc. 2d 297. Therefore, defendant is not liable for any damage plaintiff may have suffered from the pothole.

IN THE COURT OF CLAIMS OF OHIO

JEFFREY D. DOERRER :
