GREGORY T. BARNETT

Case No. 2005-10233

Plaintiff

Judge Joseph T. Clark

v.

JUDGMENT ENTRY

OHIO STATE UNIVERSITY MEDICAL  
CENTER

Defendant

---

{¶1} An oral hearing was conducted in this case by a magistrate of the court upon defendant's motion for summary judgment. The court determines that there is no error of law or other defect evident on the face of the magistrate's decision. Therefore, the court adopts the magistrate's decision and recommendation as its own, including findings of fact and conclusions of law contained therein. For the reasons set forth in the decision filed concurrently herewith, defendant's motion for summary judgment is GRANTED, in part, as to Count 4 of plaintiff's complaint, and judgment is rendered in favor of defendant on that portion of the claim. The remainder of defendant's motion for summary judgment is DENIED.
