Plaintiff

v.

SOUTHERN OHIO CORRECTIONAL FACILITY

Defendant

Case No. 2008-11613

Judge Joseph T. Clark
Magistrate Matthew C. Rambo

JUDGMENT ENTRY

{¶ 1} On February 1, 2010, the magistrate issued a decision recommending judgment for defendant.

{¶ 2} Civ.R. 53(D)(3)(b)(i) states, in part: “A party may file written objections to a magistrate’s decision within fourteen days of the filing of the decision, whether or not the court has adopted the decision during that fourteen-day period as permitted by Civ.R. 53(D)(4)(e)(i).”

{¶ 3} On February 11, 2010, plaintiff filed a response to the magistrate’s decision wherein he relates that he was “disoriented” from medication at the time of trial and was hospitalized several days later; however, plaintiff does not assert any specific objections to the magistrate’s decision.

{¶ 4} The court determines that there is no error of law or other defect evident on the face of the magistrate’s decision. Therefore, the court adopts the magistrate’s decision and recommendation as its own, including findings of fact and conclusions of law contained therein. Judgment is rendered in favor of defendant. Court costs are assessed against plaintiff. The clerk shall serve upon all parties notice of this judgment and its date of entry upon the journal.
