RESNICK, M. L., J.

{¶1} On February 28, 2002, petitioner Sharon Murphy filed a complaint for a writ of procedendo seeking a judgment from this court ordering respondents, Judge Earl R. McGimpsey and Magistrate Bradley Sales of the Huron County Domestic Relations Court, to rule on petitioner's divorce action.

{¶2} On March 5, 2002, respondents filed a timely motion to dismiss petitioner's complaint. Respondents included a file

stamped judgment entry adopting the Magistrate's decision granting the parties a divorce. Accordingly, petitioner's application for a writ of procedendo is found not well-taken and denied.

WRIT DENIED.
