Decided: January 2, 2002

* * * * *

{¶1} This court is considering this matter sua sponte. This court has learned that the decision and journal entry issued on December 31, 2001, relating to this case, contains an error. Accordingly, this court is issuing this notice of errata and orders that the December 31, 2001 decision and judgment entry is corrected as follows. All references to the party Rossi & Associates, Inc. are corrected in spelling to remove the letter "e" that was inadvertently added to the name Rossi in the text.
