TIM McCORMACK, P.J.:

{¶1} Mitchell Jackiewicz has filed a complaint for a writ of mandamus/procedendo. Jackiewicz seeks an order from this court that requires Judge Brian J. Corrigan to render rulings with regard to a motion to vacate pursuant to Crim.R. 43(A) and a motion to withdraw guilty plea pursuant to Crim.R. 43(A), filed in *State v. Jackiewicz*, Cuyahoga C.P. No. CR-12-563222. Judge Corrigan has filed a motion for summary judgment, which we grant for the following reason.

{¶2} Attached to Judge Corrigan's motion for summary judgment are copies of two judgment entries, journalized on March 18, 2015, which demonstrate that rulings have been rendered with regard to Jackiewicz's motion to vacate and motion to withdraw guilty plea. Thus, the complaint for a writ of mandamus/procedendo is moot. *State ex rel. Jerningham v. Cuyahoga Cty. Court of Common Pleas*, 74 Ohio St.3d 278, 658 N.E.2d 723 (1996); *State ex rel. Gantt v. Coleman*, 6 Ohio St.3d 5, 450 N.E.2d 1163 (1983).

{¶3} Accordingly, we grant Judge Corrigan's motion for summary judgment. Costs to Judge Corrigan. Costs waived. The court directs the clerk of courts to serve all parties with notice of this judgment and the date of entry upon the journal as required by Civ.R. 58(B).

{¶4} Writ denied.
