Summary of Sponsor's Obligations

IMPORTANT: Only Sponsors may apply for accreditation of Self-Study Activities. Attorneys and Judges may **not** apply on their own behalf for accreditation of Self-Study Activities. (Regulation 409.1(B)).

Newly admitted attorneys and recently registered corporate status attorneys must complete twelve hours of new lawyer training instruction during their first biennial reporting period. Three of the twelve hours must include one hour <u>each</u> of instruction in professionalism, law office management, and client fund management. The remaining nine hours of instruction must include one or more substantive law topics that focus on handling legal matters in specific practice areas.

A Sponsor may apply for New Lawyers Training self-study credit for its live webcasts or live teleconferences by submitting this form at least 30 days prior to the presentation of a NLT activity for Commission approval. The application must be accompanied by a nonrefundable application fee of \$25.00.

This application for accreditation shall be accompanied by:

- A non-refundable fee of \$25.00 (Regulation 414.1).
- New attorneys are required to complete three hours of instruction in professionalism, law office management and client fund management. If you are requesting credit for any of these areas, please provide a description showing that the program content meets the following requirements:
 - Professionalism instruction should consist of instruction on topics related to professional conduct, professional relationships, obligations of lawyers or aspirational ideals of the profession;
 - Law Office Management should consist of instruction on topics related to fundamental law office management practices;
 - Client Fund Management should consist of instruction on topics related to client fund management.
- To be accredited for NLT instruction, the activity should include thorough, high-quality, written materials that emphasize and include checklists of procedures to follow, practical instructions, and forms with guidance as to how they should be completed and when they should be used.
- · Names and qualifications of the program faculty.

By accepting accreditation of a self-study program, a Sponsor agrees to:

- Advise the Commission within 30 days if any material change has been made in the program format or subject matter, or a change in internet service providers (Regulation 409.1(G)).
- Provide participants with mandatory evaluation forms, with evaluation data submitted to the Commission every six months (Regulation 409.1(K)).
- Submit, on a monthly basis, a request for NLT credit for each Attorney or Judge who has successfully completed the activity during the past 30 days (Regulation 409.1(F)). By submitting the requests for NLT credit, the Sponsor certifies that each Attorney or Judge requesting credit has submitted the mandatory evaluation, has obtained the minimum competency, and has actually participated in the activity.
- Keep records of individuals purchasing and successfully completing the NLT self-study activity for two years following the completion of the CLE activity (Regulation 409.1(F)).
- Inform the Attorney or Judge purchasing the self-study program of the twelve hour limitation on self-study (Regulation 409.1(L)).
- Comply with all of Ohio's Rules and Regulations including any amendments thereto.
