Certification Status Levels	Explanation
Initial Review	The court's certification application was filed with the Supreme Court and is being reviewed; revisions may be required prior to Initial Certification.
Initial Certification	The court's written application materials are in compliance with the certification standards and Initial Certification has been granted; the court may now conduct its specialized docket.
Certified	The court has completed a certification site review and the Commission on Specialized Dockets met and granted Final Certification for this specialized docket. Topics that are not expressly set forth in the certification standards are not evaluated.
