## NEWS

### SUPREME COURT PROPOSES SPECIALIZED DOCKET CERTIFICATION PROCEDURES

The Supreme Court of Ohio will accept public comments until August 7 on amendments that outline the procedures to receive Supreme Court certification for a specialized docket program. Last year the Supreme Court adopted rules that require specialized docket programs to be certified and meet minimum standards by January 1, 2013. Under the proposed amendments announced today, courts operating specialized dockets would be required to submit an application, undergo a site visit and submit specific program materials to the Specialized Docket Section as part of the certification process. In addition, specialized dockets that comply with the initial stages of the certification process would be initially certified pending a final review. The amendments also would create a new Commission on Specialized Dockets and amend the definition of a specialized docket in the Code of Judicial Conduct.

### CALL FOR PROPOSALS

NADCP just wrapped up its largest conference ever and we are already thinking about next year's conference in Washington, DC, to be held July 14-17, 2013 at the Gaylord National Resort and Convention Center. The annual training conference continues to be valuable and educational because the field takes extreme pride in offering its experience to better Drug Courts, DWI Courts, Veterans Treatment Courts, Mental Health Courts and other Problem-Solving Courts around the nation and abroad. Let's make sure the conference next year in Washington, DC maintains this tradition [The deadline for next year's Call for Proposals is Friday, September 28, 2012](#). NADCP seeks proposals that present best practices in service delivery, collaboration, and justice programming that enhance outcomes for substance and/or co-occurring individuals under a court's jurisdiction. Proposals for workshops that present research findings, data analyses and highlight evidence-based practices are strongly encouraged. You MUST submit your abstract electronically. [Click here to submit your abstract](#).

### EDUCATION, COMMUNITY NEEDS AND DIVERSITY/FAIRNESS FOCUS

**Deadline:** Ongoing

The Darden Restaurant Foundation (DRF), affiliated with the company that owns Olive Garden and Red Lobster restaurants, offers an array of community-based grants for the improvement of K-12 education. Darden makes grants in communities where it has facilities. Because they have operations across the country, chances are good there will be a facility in your back yard. Projects should meet community needs as well as emphasize diversity and fairness. Be aware that foundation board meetings are held quarterly in August, November, February and May. If you have a time sensitive project, it's best to check with DRF to see how much lead time they need for a grant application.

**Deadline:** Rolling

**Summary:** Most of the work the Annie E. Casey Foundation supports takes the form of multi-year, multi-site, foundation-based projects. However, the foundation, which focuses on helping vulnerable and at-risk children, youth and their families, does not discourage interested organizations from submitting letter of inquiry when looking for grants. Founded in 1948, the primary mission of the Foundation is to foster public policies, human-service reforms, and community supports that more effectively meet the needs of vulnerable children and families. It is the 15<sup>th</sup> largest private foundation in the United States, with assets of more than \$3 billion, and ranks 20<sup>th</sup> in the nation for charitable giving.
