Mayor's Courts

In general, Ohio law allows mayors of municipal corporations populated by more than 100 people where there is no municipal court to conduct mayor's court. These courts hear only cases involving violations of local ordinances and state traffic laws.

Mayor's courts are not courts of record but must register annually and file statistics quarterly with the Supreme Court. The annual registration and quarterly filing of statistics requirement went into effect January 1, 2004. Additionally, at the request of the General Assembly, the Supreme Court has adopted rules providing for court procedures and basic legal education for mayors. Mayors whose courts hear alcohol and drug-related traffic offenses have additional educational requirements.

A mayor is not required to be a lawyer, but may appoint an attorney who has engaged in the practice of law for three years to hear cases in mayor's court.

In 2004, there were 333 mayor's courts.

A person convicted in a mayor's court may appeal the conviction to the municipal or county court having jurisdiction within the municipal corporation.
