Your client is to be available in your office, or preferably, on your separate phone line or via video conference. You are responsible for being able to communicate with your client during the conference call, if needed.

Self-represented litigants will be contacted at the phone number provided to the court in their pleadings.

Currently, for ex-parte CPO hearings, full CPO hearings, emergency hearings, CSEA hearings, evidentiary hearings, and trials, you are expected to appear and conduct business as usual. Given the recent orders by Governor DeWine for school and daycare closures, a reasonable continuance may be granted solely in the discretion of this Court.

This is an ever-changing situation and we are taking this process one step at a time. I understand the difficulty this situation can have on private practice attorneys and I appreciate your cooperation in advance.
