MISCHELLANEOUS DOCKET

POLICIES AND PROCEDURES  
REGARDING RE-OPENING OF  
COURT

:

JUDGMENT ENTRY

Pursuant to the Governor's most recent recommendations and those of Supreme Court Justice O'Connor that we begin the reopening of County Court 2 on May 4, 2020 our procedures will be as follows:

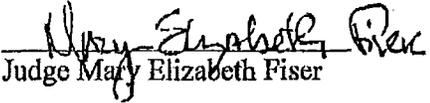

1. Access to the building will be limited to one door in the front and the bailiff will be monitoring those that enter.
2. Wearing of masks is **strongly encouraged**.
3. Our social distancing policy will stay in effect.
4. Telephone pre-trials will continue when necessary.
5. We will be limiting in-person appearances to those that are absolutely necessary.
6. Traffic flow pattern will be from the front to the rear with strict monitoring. We will be utilizing social distancing for attorneys and have planned for as much safety precautions as practicable by limiting the number of attorneys and consolidating cases so that hopefully no more than one attorney will need to be in the building at any given time for the next month.

**JOURNALIZED**

5/1/2020

7. Restrictions on the filing or proceeding on forcible entry and detainers remain in place.

ALL UNTIL FURTHER ORDER OF THE COURT
