Dear Judge,

As of today the Centers for Disease Control and Prevention (CDC) mandates a “moratorium” on evictions. You can access the full order [here](#).

Attached is a brief description of the contents of the order as well as links to the Ohio Access to Justice Foundation’s Ohio Legal Help webpage, which contains the Declaration Form mentioned in the CDC order.

I realize that all judges do not have jurisdiction over eviction cases but I wanted to provide this information, as you may get questions about it from your local communities.

The information will be posted on the Supreme Court's website: [supremecourt.ohio.gov](http://supremecourt.ohio.gov). Please provide it to the public as you see fit.

As always, I appreciate your on-going commitment to the access to justice.

God Bless.

Maureen O’Connor  
Chief Justice
