

[Attorneys who completed their hours by December 31, 2024](#)

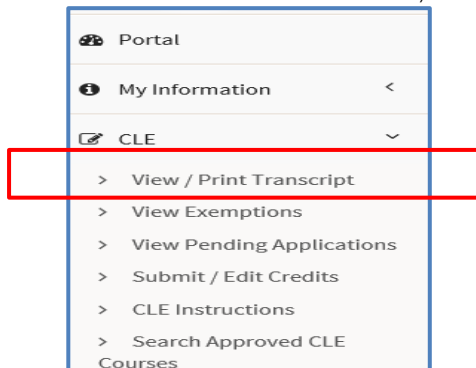

If you completed your CLE requirements on or before December 31, 2024, please log into the Attorney Services Portal and add the course(s) that will remove the deficiency to your 2023-2024 transcript using the Ohio activity code provided by the sponsor. These courses must be added to your transcript on or before 11:59 pm ET on April 30, 2025. If you properly provide evidence demonstrating compliance on or before April 30, 2025, a Withdrawal of the Notice of Apparent Noncompliance will be sent to your email address on file. Acceptable evidence of compliance includes online submission of credits to cure your deficiency, and if the course has not been accredited in Ohio, an Application for CLE Accreditation for out-of-state programs held in-person for courses taken between January 1, 2023 – December 31, 2024. Please follow the below instructions to review your transcript and to submit credits.

- **Check your 2023-2024 transcript.** It is not uncommon for sponsors to report hours for the 2023-2024 after the notice of apparent noncompliance is mailed thereby reducing or removing your deficiency.

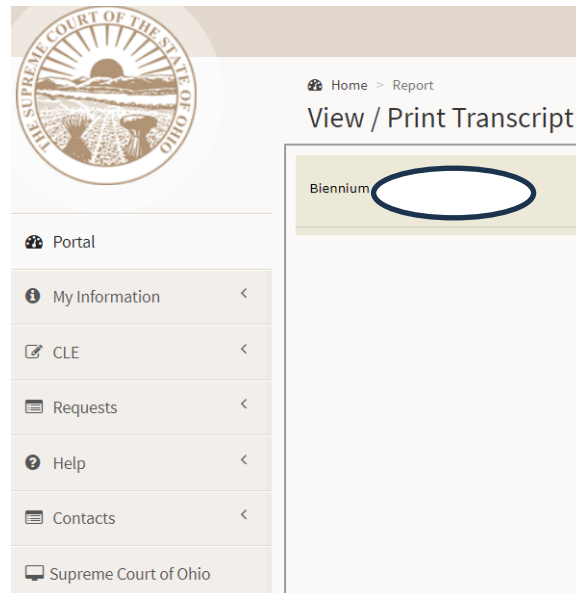

A. Log into the [Attorney Services Portal](#) to review your transcript for 2023-2024.

B. Select CLE and then View/Print Transcript.

- C. Next to Biennium, select 2023-2024, then click View Report at the top, right of your screen.

- D. If your 2023-2024 transcript shows you have met all requirements, no further action is required. A Withdrawal of Notice of Apparent Noncompliance will be emailed to you.
- E. If you have a deficiency on your 2023-2024 transcript, answer the following questions:
1. Are the programs you need to add to your 2023-2024 transcript approved in Ohio for CLE? If yes, go to 2. If no, go to 3. If you don't know whether the program was approved in Ohio, please go to our [website](#) to search for the program. You must provide the program title, date, and name of the sponsor.
 2. Do you have the Ohio activity code? This is the six-digit identifier assigned to the program by the CLE Commission. If yes, go to 4. If no, please contact the sponsor and obtain the Ohio activity code and proceed to 4 or you may request that the sponsor report your hours to our office.
 3. If the program is not approved in Ohio, are the programs you attended live, in-person courses (i.e., you were physically in the same room as the presenters and the other attendees)?

Yes. Complete [Form 6](#) to apply for accreditation of this program and email to OHCLEapp@sc.ohio.gov on the same day you submit the online late compliance request.

No.

Any program that was held virtually using Teams, GoToWebinar, Zoom, or any other virtual conference platform is considered a self-study activity, and you cannot apply for CLE accreditation – only the sponsor can. See CCLE Reg. 409.1(B). The Commission will not waive this requirement under any circumstances. Applications for self-study programs submitted by an individual attorney are automatically denied.

Options if you have a self-study course that is not accredited in Ohio:

- a) If the sponsor is willing to submit an application, they will need to do so using the Sponsor Portal.
 - b) If the sponsor does not submit the application for accreditation or the program is denied accreditation, then you must take programs accredited in Ohio during the late compliance period. A list of approved courses is available [here](#).
4. Follow these [instructions](#) to add the program to your transcript on the [Attorney Services Portal](#).
 5. If enough credits are added to your 2023-2024 transcript (any program taken on or before December 31, 2024) to remove your deficiency, then you will be in compliance and a Withdrawal of Notice of Apparent Noncompliance will be emailed to you. No further action is required, and you will no longer be required to submit an online late compliance request.

If you do not have enough hours on your 2023-2024 transcript and need to come into compliance during the late compliance period, [please proceed to Attorneys who completed their hours between January 1, 2025 – March 31, 2025](#).

Important: Unless or until you receive a Withdrawal of Notice of Apparent Noncompliance, our records reflect that you are not in compliance and subject to sanction and/or suspension.
