### V. ACCOMMODATIONS RECOMMENDED FOR THE OHIO BAR EXAMINATION (CHECK ALL THAT APPLY)

The Ohio Bar Examination is a timed written examination administered in three-hour sessions from 9:00 a.m. to 12:00 p.m. and from 1:00 p.m. to 4:00 p.m. on Tuesday and Wednesday as scheduled twice each year. There is a lunch break from 12:00 p.m. to 1:00 p.m. each day.

The first day consists of two performance test (MPT) questions in the morning session and six essay questions (MEE) in the afternoon session. The MPT and MEE are designed to assess, among other things, the applicant's ability to communicate his/her analysis effectively in writing. Applicants may use their personal laptop computers to type their answers, or they may handwrite their answers.

The second day consists of 200 multiple-choice questions (MBE), with 100 questions administered in the morning session and 100 questions in the afternoon session. Applicants record their answers by darkening circles on an answer sheet that is scanned by a computer to grade the examination.

Applicants are not allowed to bring food, beverages, or other items into the testing room unless approved as accommodations. The examination is administered in a quiet environment, and applicants are allowed to use small foam earplugs provided by the Bar Admissions Section. They may leave the room only to use the restroom or drinking fountain, within the time allotted for the test session.

Taking into consideration this description of the examination and the functional limitations currently experienced by the applicant, what test accommodation(s) do you recommend? (Check all that apply.)
