# Vision: Ohio Legal Help

- Legal Information Website and Portal that is open to all, but focused on the legal needs of low-income individuals and families
- Ohio Legal Help –
  - **Guides** users quickly to the relevant legal topic through curated **triage** and **simple navigation**;
  - **Informs** users of their legal options and provides tools to empower users to **take the next steps** through **plain language legal information** and **self-help tools** including interactive form assembly; and,
  - **Connects** users to curated community-based resources based on their legal and social needs, demographics, and geography.
