

OhioCares

November 17, 2022

Mike DeWine, Governor
Lori Criss, Director, OhioMHAS

OhioCares is the State of Ohio's permanent institutional expression of the collaboration built by the Governor's Challenge. OhioCares will create a single point of collaboration between state, federal, and local government agencies, non-profit entities, and community organizations to build a more "veteran-informed" community behavioral health system in Ohio.

OhioCares Objectives

Mike DeWine, Governor
Lori Criss, Director, OhioMHAS

- 1) Understand the role and purpose of the OhioCares collaborative in support of the military/veteran community
- 2) Become familiarized with the OhioCares website and the resources available to veterans, servicemembers, families, and community partners
- 3) Recognize opportunities to leverage OhioCares information and partner organizations in support of military/veteran community clients

OhioCares Executive Committee

Authority & Strategic Direction

OhioCares Executive Committee

Establish state cabinet-level executive committee to coordinate state programmatic and budgetary authority;

Build local community capacity to serve and support the veteran and military community through engagement and education. (SMVF, Providers, Community, State/Federal/Local Government Partners)

OhioCares Serves Communities
