

ATTACHMENT B

OhioMHAS Reports

The specialized docket case management system shall be capable of producing a report containing data required by the Ohio Department of Mental Health and Addiction Services (OhioMHAS) from specialized dockets received certain funding from OhioMHAS under its Drug Court Subsidy and Addiction Treatment Program funding sources.

The report shall be available on demand and outputted as an XLSX file. The report shall allow the user to select a date range over which the report would run. The required data elements are as follows:

Drug Court Subsidy Funding

- Number of active participants at beginning of the selected date range.
- Number of participants accepted into the docket during the selected date range.
- Number of participants who exited the docket during the selected date range, by type of exit.
- Number of active participants at end of the selected date range.
- Number of participants who exited the docket during the selected date range who were arrested for a new criminal charge during their participation in the docket.
- Of the number of participants who exited the docket during the selected date range who were arrested for a new criminal charge during their participation in the docket, the number who were sentenced to the Ohio Department of Rehabilitation and Correction or the Ohio Department of Youth Services as a result of that new charge.

OhioMHAS Report Builder – Addiction Treatment Program Funding

- Number of active participants during the selected date range.
- Number of participants accepted into the docket during the selected date range.
