The Court may contact any Vendor in order to clarify uncertainties or eliminate confusion concerning the contents of a proposal. However, Vendors will not be able to modify proposals as a result of any such clarification request.

**12. Reference Verification:**

The Court reserves full discretion to determine the competence and capabilities of any Vendor. The Court may contact any customer of the proposed Vendor, whether or not included in the submitted reference list, and use such information in the evaluation process.

**13. Best and Final Offer:**

The evaluation process may include, at the Court's discretion, a request for a selected Vendor(s) to prepare a Best and Final Offer (BAFO). A Vendor(s) participation in the BAFO process shall not be construed as an award of a contract or as a guarantee that a contract shall be awarded.

#### **14. Contract Award:**

Following the evaluation, including any proposal clarifications, reference verifications, or Best and Final Offers (BAFO), the Court shall proceed in recommending a contract award be made to the Vendor who can best complete all services as identified, at the best overall value to the Court. In the event that the Court and the selected Vendor are unable to reach an agreement in a timely manner, the Court reserves the right to terminate negotiations with that Vendor. If that happens, the Court reserves the right to enter into negotiations with an alternate Vendor. The Court will award one contract for these modifications to the 11<sup>th</sup> floor of the Judicial Center.

#### **15. Contract Term:**

The anticipated term of the resulting contract shall be from date of final signature until successful completion of the project, or June 30, 2025, whichever occurs first.

The Vendor shall be required to complete and sign the Ohio Public Employees Retirement System form PEDACKN and return it to the Court before payment will be made for any services.

#### **17. General Terms and Conditions:**

1. The Court assumes no responsibility for costs incurred by any Vendor before the award of any Contract resulting from this ITB;
2. All proposed offers submitted to the Court are firm and shall remain in effect for 120 days from the proposal due date. Respondents are well-advised to check their proposal carefully before submitting. Errors cannot be corrected after the proposals are opened. It shall be a condition of any award that the selected Respondent shall deliver all services at the fee or cost quoted, even if in error.
3. A proposal, upon acceptance by the Court, immediately creates a binding contract between the Respondent and the Court. Except as otherwise provided in this ITB, once accepted, it may not be rescinded, canceled, or modified by the Respondent unless mutually agreed in writing by the parties.
4. All responsive proposals shall be evaluated by the Court, which may accept or reject any or all proposals, in whole or in part, and may waive minor defects in a proposal if no prejudice results to the rights of another Vendor or to the public;

5. At the sole discretion of the Court, the ITB may be cancelled or reissued in whole or in part, or a contract may not be awarded, if **any** of the following apply:

- a. The goods or services offered are not in compliance with the requirements, specifications, or terms and conditions set forth in the request for proposals;
- b. The price offered is considered excessive in comparison with existing market conditions, in comparison with the goods or services to be received, or in relation to available funds;
- c. It is determined that the award of a contract would not be in the best interest of the Court;

6. By submitting a quotation, the Respondent certifies that he/she is (sole owner, partner, president, secretary, etc.) the party making the forgoing proposal; that such proposal is genuine and not collusive or sham; that the Respondent has not colluded, conspired or agreed, directly or indirectly, with any other Respondent or person, to put in a sham bid; or colluded or conspired to have another not submit a proposal and has not in any manner, directly or indirectly, sought by agreement or collusion, or communication or conference, with any person to fix the price of its proposal or any other Respondent, or to fix any overhead, profit or cost element of the price, or of that of any other Respondent, or to secure any advantage against any Respondent or any person or persons interested in the proposed contract and that all statements contained in the bid are true; and further, that the Respondent has not, directly or indirectly, submitted this bid, or the contents thereof, or divulged any related information or data to any association or to any member or agent of any association;

7. The Court requires any Vendor wishing to do business with the Court to provide their Federal Taxpayer Identification Number. The Court does this so that it can perform statutorily required “responsibility” analyses on those Vendors and contractors doing business with the Court and, under limited circumstances, for tax-reporting purposes.

8. The Court is exempt from taxation. Federal transportation and excise taxes, as well as state excise taxes shall not be included in the proposal prices. A certificate shall be furnished upon request.

9. Vendor warrants that it is not subject to an unresolved finding for recovery under R.C. 9.24. If the warranty is false on the date the parties sign a contract awarding Vendor’s proposal, the contract is void *ab initio*, and the Vendor shall immediately repay to the Court any funds paid under the contract.

10. Any contract resulting from this request for proposals is binding on the successful Vendor. Failure of the contractor to meet or perform any of the contract terms or conditions shall permit the Court to rescind or cancel the contract and purchase replacement articles or services of comparable grade in the open market. The Vendor shall reimburse to the

Court costs and expenses in excess of the contract price necessitated by such replacement purchases. The Court does not waive the right to insist upon future compliance with these proposal specifications when there is undiscovered delivery of nonconforming goods or services.

11. The awarded Contractor shall ensure their Staff complies with the designated Court policies listed within **Appendix G** (Supreme Court of Ohio Administrative Policies) and **Appendix H** (Thomas J. Moyer Ohio Judicial Center building regulations).

12. The Court hereby advises all Respondents that all documents submitted in response to this ITB, including those documents that purportedly contain trade secret information, will become public records. The Court will allow the public, including other Respondents, to inspect and obtain copies of these documents in accordance with applicable public records law after the Request for Proposal deadline expires unless: 1) in its response to this Request for Proposal, the Respondent clearly identifies the document or document excerpt that the Respondent believes is not a public record; 2) in its response to this Request for Proposal the Respondent identifies the provisions that exempt the document or document excerpt from the public records provisions; and 3) Court staff determine that the document or document excerpt is not a public record. In weighing whether a Respondent's proposal contains trade secret information that may be protected from disclosure under applicable public records law and *State ex rel. Seballos v. School Employees Retirement Sys.* (1994), 70 Ohio St.3d 667, Supreme Court staff may consider the definition of "trade secret" in R.C. 1333.61(D) and the factors described in *State ex rel. The Plain Dealer v. Ohio Dept. of Ins.* (1997), 80 Ohio St.3d 513.

**(A) Alcohol.** The purchase, service, and use of alcohol involve health and safety issues for an employee; and liability risks and public perception concerns for the Court. The Court's policy on alcohol depends on the location and circumstances of an event and the work status of the employee.

**(1) Location and circumstances.** Generally, alcohol shall not be served or used at a Court sponsored event or at the workplace. In limited circumstances, the Court may allow the service and use of alcohol at a Court sponsored event, including an event at the workplace, but only if alcohol is provided by a properly licensed third party vendor and upon the prior approval of the Administrative Director.

**(4) Employee off duty.** An employee who is off duty shall not serve alcohol at a Court sponsored event, regardless of the location or circumstances of the event. An employee who is off duty may purchase and use alcohol at a Court sponsored event approved by the Administrative Director pursuant to paragraph (A)(1) of this policy, including an event at the workplace.

These prohibitions shall be read in conjunction with the requirements and guidance of OJC Reg. 14 (Alcohol; Intoxicating Liquor).

This prohibition shall be read in conjunction with the requirements and guidance of OJC Reg. 15 (Controlled Substances).

The Court shall notify any federal agency from which it has received a grant when an employee has been convicted of a violation of any state or federal criminal drug statute. The notice shall be provided within ten days after receiving notice from the employee of the conviction or after receiving other actual notice of the conviction.

If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than **\$1,000,000** per accident for bodily injury and property damage.
3. **Workers’ Compensation:** as required by the State of Ohio.
4. **Professional Liability (Errors and Omissions):** If Contractor is performing services as a licensed trade or profession, insurance must appropriate to the Contractor’s profession with limit no less than \$2,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the Court shall be entitled to the broader coverage and/or the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Court.

### **Other Insurance Provisions**

The insurance policies are to contain, or be endorsed to contain, the following provisions:

#### ***Additional Insured Status***

The Court shall be covered as an additional insured on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor, including materials, parts, or equipment furnished in connection with the work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor’s insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38, **and** CG 20 37 if a later edition is used).

#### ***Primary Coverage***

For any claims arising from or in connection with the Agreement, the Contractor’s insurance coverage shall be the primary coverage.

#### ***Notice of Cancellation***

Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the Court.

#### ***Waiver of Subrogation***

Contractor hereby grants to the Court a waiver of any right to subrogation that Contractor’s insurer may acquire against the Court by virtue of the payment of any loss under the insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation; however, this provision applies regardless of whether the court receives the waiver of subrogation endorsement from the insurer.

### ***Self-Insured Retentions***

Self-insured retentions must be declared to, and approved in writing by the Court. The Court may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the Court.

### ***Acceptability of Insurers***

Insurance is to be placed with insurers authorized to conduct business in Ohio, with a current A.M. Best's rating of no less than A:VII, unless otherwise agreed in writing.

### ***Claims Made Policies (applicable only to policies that include professional liability coverage)***

1. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.
2. Insurance must be maintained and evidence of insurance must be provided ***for at least five (5) years after completion of the contract of work.***
3. If coverage is canceled or not renewed, and not replaced ***with another claims-made policy form with a Retroactive Date prior to*** the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of ***five (5) years*** after completion of work.

### ***Verification of Coverage***

Contractor shall furnish the Court with original Certificates of Insurance, including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements, before work begins. However, failure to obtain the required documents before work begins shall not waive the Contractor's obligation to provide them. The Court reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

### ***Special Risks or Circumstances***

The Court reserves the right to modify the requirements included herein based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
