4. Scope of Work:

The upgrades will take place in a dining and event space area that is often used for large meetings, gatherings, events, and special presentations. The current setup is primarily outdated in that the display screens are not integrated with the house sound system, which limits the ability to project audio from displayed content to larger audiences in the dining room. Additionally, user control interfaces are limited, requiring staff to make adjustments from a small storage location rather than from the locations where PCs are set up. The awarded Contractor will be responsible for providing and installing new equipment and control equipment while leveraging specified current infrastructure and devices.

4.1 Existing Equipment:

1. There are currently four existing 55” class flat panel displays with articulating wall-mounted displays that must remain and should be implemented into the upgrade.
2. There are currently ceiling speakers that must remain and should be implemented into the upgrade.

4.2 New Equipment and Upgrades:

3. **Digital Video Distribution:** A new digital video distribution system to integrate with audio and provide enhanced audio capabilities throughout the area.
4. **Future Expansion:** The resulting system should be able to support modular expansion and future modification.

4.3 Service Support:

1. **Ongoing Support:** The proposed solution should have an ongoing service and support plan. Respondents shall identify service and support levels, response times anticipated, and annual cost.

4.4 Contractor-Provided Services:

3. **Advising on Necessary Modifications:** Communicate with Court staff throughout the project regarding any anticipated damage or modification to the existing space, including but not limited to: ceiling tiles, walls, and flooring. Any such modifications must be approved in writing by Court staff prior to commencement of the work.
4. **Completion of Project:** It is the Court's intention to have successfully completed the installation of all new equipment and systems no later than August 30, 2026, or sooner, unless a mutually agreed upon contract extension has been granted.

5. Work Hours, Security, Facility Access:

5.1 Work Hours:

All work shall be performed between the hours of 7:30 am and 5:00 pm, Monday through Friday, with the exception of any unusually noisy operations and/or any required system shutdowns, which will need to occur during non-business hours and arranged in advance with the Office of Building Services. Proposals to alternate scheduling, in addition to those identified here, shall be noted by the Respondent in the proposal response.

5.2 Security Provisions:

In compliance with the security provisions of the Judicial Center, all Contractor personnel must enter the building daily through the main entrance on the east-facing side of the Judicial Center, located at 65 South Front Street. Upon entry, all Contractor personnel will be required to comply with all security provisions, including the obtainment of a temporary badge and security screen.

The awarded Contractor will be responsible for disposal of all unused materials and will not be permitted to dispose of any materials in a receptacle or dumpster belonging to the Court. The Contractor will be responsible for arranging the rental and payment of a dumpster to use for the purpose of material disposal, which may be temporarily kept at a location near the loading dock of the Judicial Center for the duration of the project once arranged in advance with the Office of Building Services.

5.5 Insurance Requirements:

Contractor must carry insurance that complies with the requirements of **Appendix D / Minimum Scope and Limit of Insurance**.

6. Proposal Response Criteria:

It is the respondent's responsibility to ensure that sufficient documentation has been included to satisfy the requirements specified within the proposal response. Failure to meet any of these submission requirements may result in the proposal being found non-responsive.

Failure to complete and submit in its entirety may result in the proposal being found non-responsive. Alternate forms will not be accepted. No additional payment will be made for fringe benefits, travel time, travel-related expenses or indirect costs.

6.6 Subcontractors:

As a portion of their proposal response, Respondents shall identify all subcontractors they intend to utilize and describe the specific services each subcontractor will perform. The use of any subcontractor shall be at the sole cost and expense of the Respondent. Respondent shall be solely responsible for ensuring proper payment to the subcontractors. In the event that the Court and the selected Respondent are unable to reach an agreement in a timely manner, the Court reserves the right to terminate negotiations with said Respondent and to enter into negotiations with an alternate Respondent.

8. Proposal Clarification:

The Court may contact any Respondent who submits a proposal response in order to clarify uncertainties or eliminate confusion concerning the contents of a submitted proposal. However, the Respondent will not be able to modify their proposal as a result of any such clarification request.

9. Reference Verification:

The Court reserves full discretion to determine the competence and capabilities of any Respondent who has submitted a proposal response. All Respondents shall acknowledge and agree with the Court that services performed under this contract are being performed as an independent contractor, and not as a public employee, pursuant to R.C. 145.01 et. seq. Errors may not be corrected after the proposals are opened. As a condition of award, selected Respondent shall deliver all product and services at the fee or cost quoted, regardless of error.
3. A Respondent's proposal, upon acceptance by the Court and execution of a resulting written agreement, shall be incorporate into and made part of the contract. Except as otherwise provided in this RFP, once accepted, no proposal may be rescinded, canceled, or modified by Respondent unless mutually agreed in writing by the parties.
4. All responsive proposals shall be evaluated by the Court, which may accept or reject any or all proposals, in whole or in part. The Court may waive minor defects in a proposal, if no prejudice results to the rights of another Respondent or to the public.
5. At the sole discretion of the Court, the RFP may be cancelled or reissued in whole or in part, or decline to award a contract, if:
 - a) The goods or services offered are not in compliance with the requirements, specifications, or terms and conditions set forth in the request for proposals;
 - b) The price offered is considered excessive in comparison with existing market conditions, in comparison with the goods or services to be received, or in relation to available funds; or

- c) It is determined that the award of a contract would not be in the best interest of the Court.
6. Respondents wishing to do business with the Court must provide their Federal Taxpayer Identification Number.
 7. The Court is exempt from taxation. Federal transportation and excise taxes, as well as state excise taxes shall not be included in the proposal pricing. Excise tax exception certificates will be furnished upon request.
 8. Respondent warrants that it is not subject to an unresolved finding for recovery under R.C. 9.24. If the warranty is false on the date the parties sign a contract awarding Respondent's submittal, the contract is void *ab initio*, and Respondent shall immediately repay to the Court any funds paid under the contract.
 9. The Court may, at any time prior to the completion of the contract by Contractor, suspend or terminate the contract with or without cause by giving written notice to Contractor. Upon receipt of written notice to Contractor to suspend or terminate, Contractor shall immediately cease work on the suspended or terminated activities and take all necessary steps to minimize costs; and if requested by the Court, Contractor must furnish a report describing the status of services. Contractor shall be paid for all completed work rendered up to the date Contractor received notice provided Contractor has supported such payment with detailed factual data containing hours worked and product/services performed.
 10. Any contract resulting from this RFP is binding on the successful Respondent. Contractor's failure to meet or perform any of the contract terms or conditions shall permit the Court to rescind or cancel the contract and purchase replacement articles or services of comparable grade in the open market. Contractor shall reimburse costs and expenses in excess of the contract price necessitated by such replacement purchases to the Court.
 11. All work product prepared in the course of contract performance shall become the property of the Court upon payment. Upon termination, Respondent shall return all Court property prior to final payment.
 12. Respondent acknowledges and agrees that all documents submitted to the Supreme Court in response to this Request for Proposals shall become public records subject to disclosure. Documents containing trade secret, proprietary, or confidential information should not be included in a proposal or supporting materials.

If the Supreme Court requests information from the Respondent that the Respondent deems confidential, proprietary, or trade secret information exempt from disclosure under the law, the Respondent shall designate information as such and request that the information be exempt from disclosure. The Respondent must clearly designate the part or parts of the proposal that contain confidential, proprietary, or trade secret information in order to claim exemption from disclosure by submitting both an unredacted copy and a redacted copy of

its proposal in electronic format and clearly identified as either ‘ORIGINAL COPY’ or ‘REDACTED COPY’ as well as completion of **Appendix E / Vendor Redaction Justification Log**. Respondent acknowledges that failure to properly redact information exempt from disclosure by law, clearly label all copies, and submit the required redaction log specifying a legal basis for each redaction shall result in the Supreme Court treating all information contained in the original proposal as a public record subject to disclosure and may result in the proposal response being found non-responsive.

Respondent agrees and acknowledges that failure to comply with the foregoing requirements shall constitute a waiver of any and all rights, claims, or protections regarding the confidentiality, secrecy, or limitation on use or disclosure of such information. The Supreme Court shall have no obligation to maintain the confidentiality of, or restrict the use or disclosure of, any information contained in the proposal and supporting materials. Respondent further acknowledges that the mere inclusion of a footer, watermark, or other general marking indicating “confidential,” “proprietary,” or similar designation is not sufficient to claim exemption from disclosure under applicable law.

13. Respondent agrees to adhere to the requirements of Ohio Ethics Laws, Chapter 102 and R.C. 2921.42 and 2921.43. Respondent represents, warrants and certifies that it and its employees engaged in the administration or performance of any contract resulting from this RFP are knowledgeable of and understand the Ohio ethics and conflict of interest laws. Respondent further represents, warrants, and certifies that neither Contractor nor any of its employees will do any act that is inconsistent with such laws.
14. Respondent represents and warrants that it is not debarred from consideration for contract awards by any governmental agency.

(B) Personal Use. Except as provided in paragraph (H)(2) of Adm.P. 17 (Employee Code of Ethics), the occasional personal use of Court telephones, copiers, fax machines, wireless data cards, and the computer network by an employee is permissible, but those instances should be kept to a minimum, both in the frequency of use and duration. The personal use of all other Court equipment by an employee is prohibited. Any personal use of Court equipment shall not unduly interfere with the work of the employee, the efficiency of the division, office, or section to which the employee is assigned, or the Court. Administrative Policy 22. Alcohol and Drug Free Workplace.

This policy is intended to establish consistent standards and expectations for the development, promotion, and maintenance of a workplace at the Supreme Court that is free from the influence of alcohol and drugs.

(A) Alcohol. The purchase, service, and use of alcohol involve health and safety issues for an employee, and liability risks and public perception concerns for the Court. The Court's policy on alcohol depends on the location and circumstances of an event and the work status of the employee.

(1) Location and circumstances. Generally, alcohol shall not be served or used at a Court sponsored event or at the workplace. In limited circumstances, the Court may allow the service and use of alcohol at a Court sponsored event, including an event at the workplace, but only if alcohol is provided by a properly licensed third party vendor and upon the prior approval of the Administrative Director.

(2) Purchase at Court expense prohibited. Alcohol shall not be purchased at Court expense, regardless of the location or circumstances involved.

(3) Employee on duty. An employee who is on duty shall not purchase, serve, or use alcohol, regardless of the location or circumstances involved.

(4) Employee off duty. An employee who is off duty shall not serve alcohol at a Court sponsored event, regardless of the location or circumstances of the event. An employee who is off duty may purchase and use alcohol at a Court sponsored event approved by the Administrative Director pursuant to paragraph (A)(1) of this policy, including an event at the workplace.

These prohibitions shall be read in conjunction with the requirements and guidance of OJC Reg. 14 (Alcohol; Intoxicating Liquor).

(B) Controlled Substances and Illegal Drugs. An employee shall not unlawfully manufacture, distribute, dispense, possess, or use a controlled substance or purchase, transfer, use, or possess any illegal drugs or prescription drugs that are illegal, either at the workplace or any other location. A controlled substance includes any drug listed in Section 812, Title 21 U.S. Code and federal regulations adopted pursuant to federal law. This prohibition shall be read in conjunction with the requirements and guidance of OJC Reg. 15 (Controlled Substances).

The Court shall notify any federal agency from which it has received a grant when an employee has been convicted of a violation of any state or federal criminal drug statute. The notice shall be provided within ten days after receiving notice from the employee of the conviction or after receiving other actual notice of the conviction.

(C) Alcohol and Drug Testing.

(1) Circumstances requiring testing. The Administrative Director, or the director's designee, upon the recommendation of the Director of Human Resources, or the director's designee, and sufficient cause shown, may require an employee to undergo an alcohol or drug test under the following circumstances:

- When there is reasonable cause to suspect that the employee may be intoxicated or under the influence of a controlled substance not prescribed by the employee's physician;
- When the employee is involved in a significant incident in which the employee or another person has a reportable and recordable injury or in which documented property damage has occurred;
- Pursuant to the specifications and provisions of a counseling, employee assistance, or rehabilitative program to which the employee has been referred as a result of a previous corrective action pursuant to Adm. P. 21 (Corrective Actions).

(2) Refusal to submit to testing. An employee who refuses to consent or submit to an alcohol or drug test when required under this policy shall be subject to corrective action pursuant to Adm. P. 21 (Corrective Actions).

(3) Confidentiality. Confidentiality concerning alcohol or drug test results shall be maintained to the extent provided by law, and an employee shall have the opportunity to refute the results of any alcohol or drug test.

(D) Corrective Actions. An employee who is found to have violated this policy is subject to appropriate corrective action pursuant to Adm. P. 21 (Corrective Actions).

(E) Employee Assistance and Rehabilitation. If an employee is convicted of a violation of any state or federal statute proscribing the abuse of alcohol or the possession or sale of a controlled substance, or if an employee has a confirmed positive alcohol or drug test, the Court may require the employee to participate in and satisfactorily complete an alcohol or drug assistance or rehabilitation program as a prerequisite to continued employment or as part of a corrective action.

Self-insured retentions must be declared to, and approved in writing by the Court. The Court may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The Court reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Special Risks or Circumstances

The Court reserves the right to modify the requirements included herein based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
