Re: Capital Care Network of Toledo v. State of Ohio Department of Health,
Case No. 2016-1348

On August 17, 2017, appellee Capital Care Network of Toledo filed a request seeking my recusal from *Capital Care Network of Toledo v. State of Ohio Department of Health*, Case No. 2016-1348. Having reviewed the request, I find it to be without merit and will continue to participate in the case.
