**MOTION FOR ORAL ARGUMENT AND EXPEDITED CALENDAR
FOR RESOLUTION**

Given the statewide economic and constitutional impact of the issues involved in this case, Relators ask this Court to order oral argument and provide an expedited calendar for resolution. As Subsection (A) of S.Ct.Prac.R. 17.02 provides, “In an original action, or in an appeal that is not scheduled for oral argument pursuant to S.Ct. Prac.R. 17.01, the Supreme Court may order oral argument on the merits either *sua sponte* or in response to a request by any party.” For, minimally, the reasons set forth below, Relators request this Motion be granted.

I. Senate Bill 120 Is Flawed.

On January 31, 2020, Governor DeWine signed Senate Bill 120 (“SB120”) into law, which immediately postponed the vested scholarship awarding process for tens of thousands of Ohio students under Ohio’s Educational Choice Scholarship (“EdChoice”) Program. In relevant part, SB120 states: “up to \$10,000,000 in fiscal year 2021 shall be used to pay scholarships” and the Ohio Department of Education (“ODE”) “shall (delay the time to) accept, process, and award...scholarships (until) April 1, 2020...” The day after SB120 was enacted, February 1, 2020, ODE slammed shut the portal for newly-eligible families and re-enrollees to be awarded EdChoice Scholarships, a portal that remains closed to this day.

SB120 is a fundamentally flawed piece of legislation, defective in both its manner of passage and principle aim. The legislation purports to declare a 60 day moratorium for processing scholarships. Yet – because it was passed on a non-emergency basis – the bill lacks constitutional force and effect of law for a period of 90 days. The legislation is also defective inasmuch as it aims to postpone, reduce, or categorically revoke EdChoice Scholarships for tens of thousands of Ohio’s children. Yet – because it “affect acts or facts occurring, or rights accruing” – the bill offends Ohio’s Constitution. *Bielat v. Bielat*, 87 Ohio St.3d 350, 353, 721

N.E.2d 28 (2000).

ODE began violating Ohio's Constitution on February 1st by refusing to receive, process, and award EdChoice Scholarships. And ODE, an Ohio executive branch agency, continues to operate outside the color of Ohio law each day the EdChoice Scholarships portal remains closed to newly-eligible families.

II. As Relators, Ohio Schools And Families Ask The Supreme Court Of Ohio To Intervene.

After ODE slammed shut the EdChoice Scholarship portal, Relators filed their Original Petition for Writ Of Mandamus on Monday, February 3rd. Respondents, in turn, filed their Motion to Dismiss some 21 days after being served with the summons, on February 27th. By the Supreme Court's rules, Relators have ten days to respond with their memorandum in opposition.

Relators did not file this action to nitpick legal technicalities. To the contrary, Relators filed to challenge the legislation, both its wrongheaded policy aims and manner of enactment, because of the profound consequences it has upon ordinary Ohioans.

This much is clear – the irreconcilable defects of SB120 have already disrupted Ohio's educational ecosystem, radically, and they threaten to irreperably harm families for the immediate, foreseeable future. Dozens, if not hundreds, of Ohio's public and private schools have taken steps (including important decisions with regard to staffing, budgets, and facilities) since November 1, 2019, to operate consistent with Ohio law when the pool of EdChoice Scholarship eligible students was objectively identified. Requiring those families and schools to now "sit tight" while the General Assembly undertakes steps to revoke those scholarships (*i.e.*, Section 3310.03 of Amended Substitute Senate Bill 89; attached hereto as Exhibit A) is unjustifiable under existing law and an overwhelming burden that threatens to irreparably harm schools and families.

III. A Second Wave Of Families Want To Join This Case As Relators.

71. Joy Wilhoite (Galloway);
72. Brian Zuercher (Hilliard); and
73. Meghan Zuercher (Hilliard).

Unfortunately, if leave was sought to amend the Petition to include them as additional relators, Respondents would have an additional 21 days to respond under S.Ct.Prac.R. 12.04(A)(2). As explained above, each day the EdChoice Scholarships portal remains closed is another day of constitutional aggravation for all Ohioans.

The litigation path for the second wave of families notwithstanding, their desire to also file, their number, and their statewide footprint demonstrate the gravity of these issues.

IV. Oral Argument And Expedited Resolution Are Warranted Under These Circumstances.

In light of the reasons set forth above, Relators move this Court, pursuant to S.Ct.Prac.R. 17.02, to order that oral argument is warranted given the gravity of the issues involved in this case, the statewide impact of the challenged legislation, and ODE's ongoing violation of Ohio's Constitution. Simply put, Relators should "have their day in court." The profound disruption to Ohio's educational ecosystem occasioned by SB120's flaws and ODE's ongoing illegality as aforesaid require expedited resolution.

Relators were just served with the Respondents' Motion to Dismiss on Thursday afternoon. Pursuant to S.Ct.Prac.R. 12.04(B)(2), Relators have ten days to file their memorandum in opposition. Accordingly, Relators move the Court to exercise its discretion to calendar oral argument as soon as practicable following Respondents' filing of their S.Ct.Prac.R. 12.04(B) response.

it is necessary to close the school for any of the reasons 1111
specified in division (H) (4) of section 3314.08 of the Revised 1112
Code so that the school is in compliance with the minimum number 1113
of hours required under Chapter 3314. of the Revised Code. 1114

A plan adopted by a school district board, chartered 1115

nonpublic school governing authority, or community school 1116
governing authority shall provide for making up any number of 1117
hours, up to a maximum of the number of hours that are the 1118
equivalent of three school days. 1119

(2) Each plan adopted under this section by a school 1120
district board of education shall include the written consent of 1121
the teachers' employee representative designated under division 1122
(B) of section 4117.04 of the Revised Code. 1123

(3) Each plan adopted under this section shall provide for 1124
the following: 1125

(a) Not later than the first day of November of the school 1126
year, each classroom teacher shall develop a sufficient number 1127
of lessons for each course taught by the teacher that school 1128
year to cover the number of make-up hours specified in the plan. 1129
The teacher shall designate the order in which the lessons are 1130
to be posted on the district's, community school's, or nonpublic 1131
school's web portal or web site in the event of a school 1132
closure. Teachers may be granted up to one professional 1133
development day to create lesson plans for those lessons. 1134

(b) To the extent possible and necessary, a classroom 1135
teacher shall update or replace, based on current instructional 1136

or distributed under division (B) of this section. 1140

(c) As soon as practicable after a school closure, a 1141
district or school employee responsible for web portal or web 1142

closure. 1147

(d) Each student enrolled in a course for which a lesson 1148
is posted on the portal or site shall be granted a two-week 1149
period from the date of posting to complete the lesson. The 1150

manner as other lessons. The student may receive an incomplete 1152
or failing grade if the lesson is not completed on time. 1153

student's residence and the plan does not include blizzard bags 1155
under division (B) of this section, the student shall be 1156

student's school reopens. If the lessons were posted prior to 1158
the reopening, the student shall be granted a two-week period 1159
from the date of the reopening, rather than from the date of 1160
posting as otherwise required under division (A) (3) (d) of this 1161
section, to complete the lessons. The district board or 1162
community school or nonpublic school governing authority may 1163
provide the student access to a computer before, during, or 1164
after the regularly scheduled school day or may provide a 1165
substantially similar paper lesson in order to complete the 1166
lessons. 1167

(B) (1) In addition to posting classroom lessons online 1168
under division (A) of this section, the board of education of 1169
any school district or governing authority of any community or 1170
chartered nonpublic school may include in the plan distribution 1171
of "blizzard bags," which are paper copies of the lessons posted 1172
online. 1173

(2) If a school opts to use blizzard bags, teachers shall 1174

prepare paper copies in conjunction with the lessons to be 1175
posted online and update the paper copies whenever the teacher 1176
updates the online lesson plans. 1177

(3) The board of education of any school district or 1178
governing authority of any community or chartered nonpublic 1179
school that opts to use blizzard bags shall specify in the plan 1180
the method of distribution of blizzard bag lessons, which may 1181
include, but not be limited to, requiring distribution by a 1182
specific deadline or requiring distribution prior to anticipated 1183
school closure as directed by the superintendent of a school 1184
district or the principal, director, chief administrative 1185
officer, or the equivalent, of a school. 1186

(4) Students shall turn in completed lessons in accordance 1187
with division (A) (3) (d) of this section. 1188

of education of any joint vocational school district may include 1191
in its plan adopted under this section other options to make up 1192
any number of additional hours missed as a result of one or more 1193
of the schools of its member city, exempted village, or local 1194
school districts were closed for the reasons specified in 1195
division (A) (1) of this section. Those options may include 1196
additional online lessons, planned student internships, student 1197
projects, or other options specified by the board in its plan. 1198

allows the business advisory committee to represent the business 1236
of the school district in accordance with this section. 1237

(E) Notwithstanding division (D) of section 3311.19 and 1238
division (D) of section 3311.52 of the Revised Code, this 1239
section shall not apply to the board of education of any joint 1240

credentialing assessment or license examination, the student 1261
shall take the applicable technical assessments prescribed by 1262

the department. 1263

The department shall develop, in consultation with the 1264
Ohio association for career and technical education, the Ohio 1265

education program that can be used as an acceptable measure of 1270
technical skill, and for identifying students in the process of 1271
earning such credentials and licenses. The department shall 1272

section, on and after July 1, 1994, legislative authorities 2283
shall not enter into agreements under this section unless the 2284
legislative authority has petitioned the director and the 2285

section as it existed prior to July 1, 1994, and the incentives 2288

section 5709.61 of the Revised Code, and shall forward the 2293
findings to the legislative authority of the municipal 2294
corporation. If the director certifies the area as having those 2295

that is a project site, and an estimate of the amount of payroll 2309
of the enterprise attributable to these employees; 2310

(2) An estimate of the amount to be invested by the 2311

required under this division to reflect material changes, and 2319
any agreement entered into under division (C) of this section 2320
shall set forth final estimates and listings as of the time the 2321
agreement is entered into. The legislative authority may, on a 2322
separate form and at any time, require any additional 2323
information necessary to determine whether an enterprise is in 2324
compliance with an agreement and to collect the information 2325
required to be reported under section 5709.68 of the Revised 2326
Code. 2327

(C) Upon receipt and investigation of a proposal under 2328
division (B) of this section, if the legislative authority finds 2329

that the enterprise submitting the proposal is qualified by 2330
financial responsibility and business experience to create and 2331
preserve employment opportunities in the zone and improve the 2332
economic climate of the municipal corporation, the legislative 2333
authority may do one of the following: 2334

exceed fifteen, of a specified portion, up to seventy-five per 2341
cent, of the assessed value of tangible personal property first 2342
used in business at the project site as a result of the 2343
agreement. If an exemption for inventory is specifically granted 2344
in the agreement pursuant to this division, the exemption 2345
applies to inventory required to be listed pursuant to sections 2346
5711.15 and 5711.16 of the Revised Code, except that, in the 2347
instance of an expansion or other situations in which an 2348
enterprise was in business at the facility prior to the 2349
establishment of the zone, the inventory that is exempt is that 2350
amount or value of inventory in excess of the amount or value of 2351
inventory required to be listed in the personal property tax 2352
return of the enterprise in the return for the tax year in which 2353
the agreement is entered into. 2354

(b) Exemption for a specified number of years, not to 2355
exceed fifteen, of a specified portion, up to seventy-five per 2356
cent, of the increase in the assessed valuation of real property 2357
constituting the project site subsequent to formal approval of 2358
the agreement by the legislative authority; 2359

(c) Provision for a specified number of years, not to exceed fifteen, of any optional services or assistance that the municipal corporation is authorized to provide with regard to the project site.

(2) Enter into an agreement under which the enterprise agrees to remediate an environmentally contaminated facility, to spend an amount equal to at least two hundred fifty per cent of the true value in money of the real property of the facility prior to remediation as determined for the purposes of property taxation to establish, expand, renovate, or occupy the remediated facility, and to hire new employees or preserve employment opportunities for existing employees at the remediated facility, in return for one or more of the following incentives:

(c) The incentive under division (C) (1) (a) of this section, except that the percentage of the assessed value of such property exempted from taxation shall not exceed one hundred per cent;

(d) The incentive under division (C) (1) (c) of this section.

(3) Enter into an agreement with an enterprise that plans

to purchase and operate a large manufacturing facility that has 2389
ceased operation or announced its intention to cease operation, 2390
in return for exemption for a specified number of years, not to 2391
exceed fifteen, of a specified portion, up to one hundred per 2392
cent, of the assessed value of tangible personal property used 2393
in business at the project site as a result of the agreement, or 2394
of the assessed valuation of real property constituting the 2395
project site, or both. 2396

(D) (1) Notwithstanding divisions (C) (1) (a) and (b) of this 2397
section, the portion of the assessed value of tangible personal 2398
property or of the increase in the assessed valuation of real 2399
property exempted from taxation under those divisions may exceed 2400
seventy-five per cent in any year for which that portion is 2401
exempted if the average percentage exempted for all years in 2402
which the agreement is in effect does not exceed sixty per cent, 2403
or if the board of education of the city, local, or exempted 2404
village school district within the territory of which the 2405
property is or will be located approves a percentage in excess 2406
of seventy-five per cent. 2407

(2) Notwithstanding any provision of the Revised Code to 2408
the contrary, the exemptions described in divisions (C) (1) (a), 2409
(b), and (c), (C) (2) (a), (b), and (c), and (C) (3) of this 2410
section may be for up to fifteen years if the board of education 2411
of the city, local, or exempted village school district within 2412
the territory of which the property is or will be located 2413
approves a number of years in excess of ten. 2414

(3) For the purpose of obtaining the approval of a city, 2415
local, or exempted village school district under division (D) (1) 2416
or (2) of this section, the legislative authority shall deliver 2417
to the board of education a notice not later than forty-five 2418

days prior to approving the agreement, excluding Saturdays, 2419
Sundays, and legal holidays as defined in section 1.14 of the 2420
Revised Code. The notice shall state the percentage to be 2421
exempted, an estimate of the true value of the property to be 2422
exempted, and the number of years the property is to be 2423
exempted. The board of education, by resolution adopted by a 2424
majority of the board, shall approve or disapprove the agreement 2425
and certify a copy of the resolution to the legislative 2426
authority not later than fourteen days prior to the date 2427
stipulated by the legislative authority as the date upon which 2428
approval of the agreement is to be formally considered by the 2429
legislative authority. The board of education may include in the 2430
resolution conditions under which the board would approve the 2431
agreement, including the execution of an agreement to compensate 2432
the school district under division (B) of section 5709.82 of the 2433
Revised Code. The legislative authority may approve the 2434
agreement at any time after the board of education certifies its 2435
resolution approving the agreement to the legislative authority, 2436
or, if the board approves the agreement conditionally, at any 2437
time after the conditions are agreed to by the board and the 2438
legislative authority. If an agreement is negotiated between the 2439
legislative authority and the board to compensate the school 2440
district for all or part of the taxes exempted, the legislative 2441
authority shall compensate the joint vocational school district 2442
within which the property is located at the same rate and under 2443
the same terms received by the city, local, or exempted village 2444
school district. 2445

If a board of education has adopted a resolution waiving 2446
its right to approve agreements and the resolution remains in 2447
effect, approval of an agreement by the board is not required 2448
under this division. If a board of education has adopted a 2449

resolution allowing a legislative authority to deliver the 2450
notice required under this division fewer than forty-five 2451
business days prior to the legislative authority's approval of 2452
the agreement, the legislative authority shall deliver the 2453
notice to the board not later than the number of days prior to 2454
such approval as prescribed by the board in its resolution. If a 2455
board of education adopts a resolution waiving its right to 2456
approve agreements or shortening the notification period, the 2457
board shall certify a copy of the resolution to the legislative 2458
authority. If the board of education rescinds such a resolution, 2459
it shall certify notice of the rescission to the legislative 2460
authority. 2461

(4) The legislative authority shall comply with section 2462
5709.83 of the Revised Code unless the board of education has 2463
adopted a resolution under that section waiving its right to 2464
receive such notice. 2465

(E) This division applies to zones certified by the 2466
director of development services under this section prior to 2467
July 22, 1994. 2468

The legislative authority that designated a zone to which 2469
this division applies may enter into an agreement with an 2470
enterprise if the legislative authority finds that the 2471
enterprise satisfies one of the criteria described in divisions 2472
(E)(1) to (5) of this section: 2473

(1) The enterprise currently has no operations in this 2474
state and, subject to approval of the agreement, intends to 2475
establish operations in the zone; 2476

(2) The enterprise currently has operations in this state 2477
and, subject to approval of the agreement, intends to establish 2478

operations at a new location in the zone that would not result 2479
in a reduction in the number of employee positions at any of the 2480
enterprise's other locations in this state; 2481

(3) The enterprise, subject to approval of the agreement, 2482
intends to relocate operations, currently located in another 2483
state, to the zone; 2484

(4) The enterprise, subject to approval of the agreement, 2485
intends to expand operations at an existing site in the zone 2486
that the enterprise currently operates; 2487

(5) The enterprise, subject to approval of the agreement, 2488
intends to relocate operations, currently located in this state, 2489
to the zone, and the director of development services has issued 2490
a waiver for the enterprise under division (B) of section 2491
5709.633 of the Revised Code. 2492

The agreement shall require the enterprise to agree to 2493
establish, expand, renovate, or occupy a facility in the zone 2494
and hire new employees, or preserve employment opportunities for 2495
existing employees, in return for one or more of the incentives 2496
described in division (C) of this section. 2497

(F) All agreements entered into under this section shall 2498
be in the form prescribed under section 5709.631 of the Revised 2499
Code. After an agreement is entered into under this section, if 2500
the legislative authority revokes its designation of a zone, or 2501
if the director of development services revokes a zone's 2502
certification, any entitlements granted under the agreement 2503
shall continue for the number of years specified in the 2504
agreement. 2505

(G) Except as otherwise provided in this division, an 2506
agreement entered into under this section shall require that the 2507

enterprise pay an annual fee equal to the greater of one per 2508
cent of the dollar value of incentives offered under the 2509
agreement or five hundred dollars; provided, however, that if 2510
the value of the incentives exceeds two hundred fifty thousand 2511
dollars, the fee shall not exceed two thousand five hundred 2512
dollars. The fee shall be payable to the legislative authority 2513
once per year for each year the agreement is effective on the 2514
days and in the form specified in the agreement. Fees paid shall 2515
be deposited in a special fund created for such purpose by the 2516
legislative authority and shall be used by the legislative 2517
authority exclusively for the purpose of complying with section 2518
5709.68 of the Revised Code and by the tax incentive review 2519
council created under section 5709.85 of the Revised Code 2520
exclusively for the purposes of performing the duties prescribed 2521
under that section. The legislative authority may waive or 2522
reduce the amount of the fee charged against an enterprise, but 2523
such a waiver or reduction does not affect the obligations of 2524
the legislative authority or the tax incentive review council to 2525
comply with section 5709.68 or 5709.85 of the Revised Code. 2526

(H) When an agreement is entered into pursuant to this 2527
section, the legislative authority authorizing the agreement 2528
shall forward a copy of the agreement to the director of 2529
development services and to the tax commissioner within fifteen 2530
days after the agreement is entered into. If any agreement 2531
includes terms not provided for in section 5709.631 of the 2532
Revised Code affecting the revenue of a city, local, ~~or~~ exempted 2533
village, or joint vocational school district or causing revenue 2534
to be forgone by the district, including any compensation to be 2535
paid to the school district pursuant to section 5709.82 of the 2536
Revised Code, those terms also shall be forwarded in writing to 2537
the director of development services along with the copy of the 2538

agreement forwarded under this division. 2539

(I) After an agreement is entered into, the enterprise 2540
shall file with each personal property tax return required to be 2541
filed, or annual report required to be filed under section 2542
5727.08 of the Revised Code, while the agreement is in effect, 2543
an informational return, on a form prescribed by the tax 2544
commissioner for that purpose, setting forth separately the 2545
property, and related costs and values, exempted from taxation 2546
under the agreement. 2547

(J) Enterprises may agree to give preference to residents 2548
of the zone within which the agreement applies relative to 2549
residents of this state who do not reside in the zone when 2550
hiring new employees under the agreement. 2551

(K) An agreement entered into under this section may 2552
include a provision requiring the enterprise to create one or 2553
more temporary internship positions for students enrolled in a 2554
course of study at a school or other educational institution in 2555
the vicinity, and to create a scholarship or provide another 2556
form of educational financial assistance for students holding 2557
such a position in exchange for the student's commitment to work 2558
for the enterprise at the completion of the internship. 2559

(L) The tax commissioner's authority in determining the 2560
accuracy of any exemption granted by an agreement entered into 2561
under this section is limited to divisions (C) (1) (a) and (b), 2562
(C) (2) (a), (b), and (c), (C) (3), (D), and (I) of this section 2563
and divisions (B) (1) to (10) of section 5709.631 of the Revised 2564
Code and, as authorized by law, to enforcing any modification 2565
to, or revocation of, that agreement by the legislative 2566
authority of a municipal corporation or the director of 2567
development services. 2568

Sec. 5709.63. (A) With the consent of the legislative 2569
authority of each affected municipal corporation or of a board 2570
of township trustees, a board of county commissioners may, in 2571
the manner set forth in section 5709.62 of the Revised Code, 2572
designate one or more areas in one or more municipal 2573
corporations or in unincorporated areas of the county as 2574
proposed enterprise zones. A board of county commissioners may 2575
designate no more than one area within a township, or within 2576
adjacent townships, as a proposed enterprise zone. The board 2577
shall petition the director of development services for 2578
certification of the area as having the characteristics set 2579
forth in division (A) (1) or (2) of section 5709.61 of the 2580
Revised Code as amended by Substitute Senate Bill No. 19 of the 2581
120th general assembly. Except as otherwise provided in division 2582
(D) of this section, on and after July 1, 1994, boards of county 2583
commissioners shall not enter into agreements under this section 2584
unless the board has petitioned the director and the director 2585
has certified the zone under this section as amended by that 2586
act; however, all agreements entered into under this section as 2587
it existed prior to July 1, 1994, and the incentives granted 2588
under those agreements shall remain in effect for the period 2589
agreed to under those agreements. The director shall make the 2590
determination in the manner provided under section 5709.62 of 2591
the Revised Code. 2592

Any enterprise wishing to enter into an agreement with the 2593
board under division (B) or (D) of this section shall submit a 2594
proposal to the board on the form and accompanied by the 2595
application fee prescribed under division (B) of section 5709.62 2596
of the Revised Code. The enterprise shall review and update the 2597
estimates and listings required by the form in the manner 2598
required under that division. The board may, on a separate form 2599

and at any time, require any additional information necessary to 2600
determine whether an enterprise is in compliance with an 2601
agreement and to collect the information required to be reported 2602
under section 5709.68 of the Revised Code. 2603

(B) If the board of county commissioners finds that an 2604
enterprise submitting a proposal is qualified by financial 2605
responsibility and business experience to create and preserve 2606
employment opportunities in the zone and to improve the economic 2607
climate of the municipal corporation or municipal corporations 2608
or the unincorporated areas in which the zone is located and to 2609
which the proposal applies, the board, with the consent of the 2610
legislative authority of each affected municipal corporation or 2611
of the board of township trustees, may do either of the 2612
following: 2613

(1) Enter into an agreement with the enterprise under 2614
which the enterprise agrees to establish, expand, renovate, or 2615
occupy a facility in the zone and hire new employees, or 2616
preserve employment opportunities for existing employees, in 2617
return for the following incentives: 2618

(a) When the facility is located in a municipal 2619
corporation, the board may enter into an agreement for one or 2620
more of the incentives provided in division (C) of section 2621
5709.62 of the Revised Code, subject to division (D) of that 2622
section; 2623

(b) When the facility is located in an unincorporated 2624
area, the board may enter into an agreement for one or more of 2625
the following incentives: 2626

(i) Exemption for a specified number of years, not to 2627
exceed fifteen, of a specified portion, up to sixty per cent, of 2628

the assessed value of tangible personal property first used in 2629
business at a project site as a result of the agreement. If an 2630
exemption for inventory is specifically granted in the agreement 2631
pursuant to this division, the exemption applies to inventory 2632
required to be listed pursuant to sections 5711.15 and 5711.16 2633
of the Revised Code, except, in the instance of an expansion or 2634
other situations in which an enterprise was in business at the 2635
facility prior to the establishment of the zone, the inventory 2636
that is exempt is that amount or value of inventory in excess of 2637
the amount or value of inventory required to be listed in the 2638
personal property tax return of the enterprise in the return for 2639
the tax year in which the agreement is entered into. 2640

(ii) Exemption for a specified number of years, not to 2641
exceed fifteen, of a specified portion, up to sixty per cent, of 2642
the increase in the assessed valuation of real property 2643
constituting the project site subsequent to formal approval of 2644
the agreement by the board; 2645

(iii) Provision for a specified number of years, not to 2646
exceed fifteen, of any optional services or assistance the board 2647
is authorized to provide with regard to the project site; 2648

(iv) The incentive described in division (C) (2) of section 2649
5709.62 of the Revised Code. 2650

(2) Enter into an agreement with an enterprise that plans 2651
to purchase and operate a large manufacturing facility that has 2652
ceased operation or has announced its intention to cease 2653
operation, in return for exemption for a specified number of 2654
years, not to exceed fifteen, of a specified portion, up to one 2655
hundred per cent, of tangible personal property used in business 2656
at the project site as a result of the agreement, or of real 2657
property constituting the project site, or both. 2658

(C) (1) (a) Notwithstanding divisions (B) (1) (b) (i) and (ii) 2659
of this section, the portion of the assessed value of tangible 2660
personal property or of the increase in the assessed valuation 2661
of real property exempted from taxation under those divisions 2662
may exceed sixty per cent in any year for which that portion is 2663
exempted if the average percentage exempted for all years in 2664
which the agreement is in effect does not exceed fifty per cent, 2665
or if the board of education of the city, local, or exempted 2666
village school district within the territory of which the 2667
property is or will be located approves a percentage in excess 2668
of sixty per cent. 2669

(b) Notwithstanding any provision of the Revised Code to 2670
the contrary, the exemptions described in divisions (B) (1) (b) 2671
(i), (ii), (iii), and (iv) and (B) (2) of this section may be for 2672
up to fifteen years if the board of education of the city, 2673
local, or exempted village school district within the territory 2674
of which the property is or will be located approves a number of 2675
years in excess of ten. 2676

(c) For the purpose of obtaining the approval of a city, 2677
local, or exempted village school district under division (C) (1) 2678
(a) or (b) of this section, the board of county commissioners 2679
shall deliver to the board of education a notice not later than 2680
forty-five days prior to approving the agreement, excluding 2681
Saturdays, Sundays, and legal holidays as defined in section 2682
1.14 of the Revised Code. The notice shall state the percentage 2683
to be exempted, an estimate of the true value of the property to 2684
be exempted, and the number of years the property is to be 2685
exempted. The board of education, by resolution adopted by a 2686
majority of the board, shall approve or disapprove the agreement 2687
and certify a copy of the resolution to the board of county 2688
commissioners not later than fourteen days prior to the date 2689

stipulated by the board of county commissioners as the date upon 2690
which approval of the agreement is to be formally considered by 2691
the board of county commissioners. The board of education may 2692
include in the resolution conditions under which the board would 2693
approve the agreement, including the execution of an agreement 2694
to compensate the school district under division (B) of section 2695
5709.82 of the Revised Code. The board of county commissioners 2696
may approve the agreement at any time after the board of 2697
education certifies its resolution approving the agreement to 2698
the board of county commissioners, or, if the board of education 2699
approves the agreement conditionally, at any time after the 2700
conditions are agreed to by the board of education and the board 2701
of county commissioners. If an agreement is negotiated between 2702
the legislative authority and the board to compensate the school 2703
district for all or part of the taxes exempted, the legislative 2704
authority shall compensate the joint vocational school district 2705
within which the property is located at the same rate and under 2706
the same terms received by the city, local, or exempted village 2707
school district. 2708

If a board of education has adopted a resolution waiving 2709
its right to approve agreements and the resolution remains in 2710
effect, approval of an agreement by the board of education is 2711
not required under division (C) of this section. If a board of 2712
education has adopted a resolution allowing a board of county 2713
commissioners to deliver the notice required under this division 2714
fewer than forty-five business days prior to approval of the 2715
agreement by the board of county commissioners, the board of 2716
county commissioners shall deliver the notice to the board of 2717
education not later than the number of days prior to such 2718
approval as prescribed by the board of education in its 2719
resolution. If a board of education adopts a resolution waiving 2720

its right to approve agreements or shortening the notification 2721
period, the board of education shall certify a copy of the 2722
resolution to the board of county commissioners. If the board of 2723
education rescinds such a resolution, it shall certify notice of 2724
the rescission to the board of county commissioners. 2725

(2) The board of county commissioners shall comply with 2726
section 5709.83 of the Revised Code unless the board of 2727
education has adopted a resolution under that section waiving 2728
its right to receive such notice. 2729

(D) This division applies to zones certified by the 2730
director of development services under this section prior to 2731
July 22, 1994. 2732

With the consent of the legislative authority of each 2733
affected municipal corporation or board of township trustees of 2734
each affected township, the board of county commissioners that 2735
designated a zone to which this division applies may enter into 2736
an agreement with an enterprise if the board finds that the 2737
enterprise satisfies one of the criteria described in divisions 2738
(D) (1) to (5) of this section: 2739

(1) The enterprise currently has no operations in this 2740
state and, subject to approval of the agreement, intends to 2741
establish operations in the zone; 2742

(2) The enterprise currently has operations in this state 2743
and, subject to approval of the agreement, intends to establish 2744
operations at a new location in the zone that would not result 2745
in a reduction in the number of employee positions at any of the 2746
enterprise's other locations in this state; 2747

(3) The enterprise, subject to approval of the agreement, 2748
intends to relocate operations, currently located in another 2749

state, to the zone; 2750

(4) The enterprise, subject to approval of the agreement, 2751
intends to expand operations at an existing site in the zone 2752
that the enterprise currently operates; 2753

(5) The enterprise, subject to approval of the agreement, 2754
intends to relocate operations, currently located in this state, 2755
to the zone, and the director of development services has issued 2756
a waiver for the enterprise under division (B) of section 2757
5709.633 of the Revised Code. 2758

The agreement shall require the enterprise to agree to 2759
establish, expand, renovate, or occupy a facility in the zone 2760
and hire new employees, or preserve employment opportunities for 2761
existing employees, in return for one or more of the incentives 2762
described in division (B) of this section. 2763

(E) All agreements entered into under this section shall 2764
be in the form prescribed under section 5709.631 of the Revised 2765
Code. After an agreement under this section is entered into, if 2766
the board of county commissioners revokes its designation of a 2767
zone, or if the director of development services revokes a 2768
zone's certification, any entitlements granted under the 2769
agreement shall continue for the number of years specified in 2770
the agreement. 2771

(F) Except as otherwise provided in this division, an 2772
agreement entered into under this section shall require that the 2773
enterprise pay an annual fee equal to the greater of one per 2774
cent of the dollar value of incentives offered under the 2775
agreement or five hundred dollars; provided, however, that if 2776
the value of the incentives exceeds two hundred fifty thousand 2777
dollars, the fee shall not exceed two thousand five hundred 2778

dollars. The fee shall be payable to the board of county commissioners once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the board and shall be used by the board exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the board or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code, respectively.

(G) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board of county commissioners to negotiate and administer agreements with regard to that zone under this section.

(H) When an agreement is entered into pursuant to this section, the board of county commissioners authorizing the agreement or the legislative authority or board of township trustees that negotiates and administers the agreement shall forward a copy of the agreement to the director of development services and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, ~~or~~-exempted village, or joint vocational school district or causing revenue to be

foregone by the district, including any compensation to be paid 2810
to the school district pursuant to section 5709.82 of the 2811
Revised Code, those terms also shall be forwarded in writing to 2812
the director of development services along with the copy of the 2813
agreement forwarded under this division. 2814

(I) After an agreement is entered into, the enterprise 2815
shall file with each personal property tax return required to be 2816
filed, or annual report that is required to be filed under 2817
section 5727.08 of the Revised Code, while the agreement is in 2818
effect, an informational return, on a form prescribed by the tax 2819
commissioner for that purpose, setting forth separately the 2820
property, and related costs and values, exempted from taxation 2821
under the agreement. 2822

(J) Enterprises may agree to give preference to residents 2823
of the zone within which the agreement applies relative to 2824
residents of this state who do not reside in the zone when 2825
hiring new employees under the agreement. 2826

(K) An agreement entered into under this section may 2827
include a provision requiring the enterprise to create one or 2828
more temporary internship positions for students enrolled in a 2829
course of study at a school or other educational institution in 2830
the vicinity, and to create a scholarship or provide another 2831
form of educational financial assistance for students holding 2832
such a position in exchange for the student's commitment to work 2833
for the enterprise at the completion of the internship. 2834

(L) The tax commissioner's authority in determining the 2835
accuracy of any exemption granted by an agreement entered into 2836
under this section is limited to divisions (B) (1) (b) (i) and 2837
(ii), (B) (2), (C), and (I) of this section, division (B) (1) (b) 2838
(iv) of this section as it pertains to divisions (C) (2) (a), (b), 2839

and (c) of section 5709.62 of the Revised Code, and divisions 2840
(B) (1) to (10) of section 5709.631 of the Revised Code and, as 2841
authorized by law, to enforcing any modification to, or 2842
revocation of, that agreement by the board of county 2843
commissioners or the director of development services or, if the 2844
board's powers and duties are delegated under division (G) of 2845
this section, by the legislative authority of a municipal 2846
corporation or board of township trustees. 2847

Sec. 5709.632. (A) (1) The legislative authority of a 2848
municipal corporation defined by the United States office of 2849
management and budget as a principal city of a metropolitan 2850
statistical area may, in the manner set forth in section 5709.62 2851
of the Revised Code, designate one or more areas in the 2852
municipal corporation as a proposed enterprise zone. 2853

(2) With the consent of the legislative authority of each 2854
affected municipal corporation or of a board of township 2855
trustees, a board of county commissioners may, in the manner set 2856
forth in section 5709.62 of the Revised Code, designate one or 2857
more areas in one or more municipal corporations or in 2858
unincorporated areas of the county as proposed urban jobs and 2859
enterprise zones, except that a board of county commissioners 2860
may designate no more than one area within a township, or within 2861
adjacent townships, as a proposed urban jobs and enterprise 2862
zone. 2863

(3) The legislative authority or board of county 2864
commissioners may petition the director of development services 2865
for certification of the area as having the characteristics set 2866
forth in division (A) (3) of section 5709.61 of the Revised Code. 2867
Within sixty days after receiving such a petition, the director 2868
shall determine whether the area has the characteristics set 2869

forth in that division and forward the findings to the 2870
legislative authority or board of county commissioners. If the 2871
director certifies the area as having those characteristics and 2872
thereby certifies it as a zone, the legislative authority or 2873
board may enter into agreements with enterprises under division 2874
(B) of this section. Any enterprise wishing to enter into an 2875
agreement with a legislative authority or board of county 2876
commissioners under this section and satisfying one of the 2877
criteria described in divisions (B)(1) to (5) of this section 2878
shall submit a proposal to the legislative authority or board on 2879
the form prescribed under division (B) of section 5709.62 of the 2880
Revised Code and shall review and update the estimates and 2881
listings required by the form in the manner required under that 2882
division. The legislative authority or board may, on a separate 2883
form and at any time, require any additional information 2884
necessary to determine whether an enterprise is in compliance 2885
with an agreement and to collect the information required to be 2886
reported under section 5709.68 of the Revised Code. 2887

(B) Prior to entering into an agreement with an 2888
enterprise, the legislative authority or board of county 2889
commissioners shall determine whether the enterprise submitting 2890
the proposal is qualified by financial responsibility and 2891
business experience to create and preserve employment 2892
opportunities in the zone and to improve the economic climate of 2893
the municipal corporation or municipal corporations or the 2894
unincorporated areas in which the zone is located and to which 2895
the proposal applies, and whether the enterprise satisfies one 2896
of the following criteria: 2897

(1) The enterprise currently has no operations in this 2898
state and, subject to approval of the agreement, intends to 2899
establish operations in the zone; 2900

(2) The enterprise currently has operations in this state 2901
and, subject to approval of the agreement, intends to establish 2902
operations at a new location in the zone that would not result 2903
in a reduction in the number of employee positions at any of the 2904
enterprise's other locations in this state; 2905

(3) The enterprise, subject to approval of the agreement, 2906
intends to relocate operations, currently located in another 2907
state, to the zone; 2908

(4) The enterprise, subject to approval of the agreement, 2909
intends to expand operations at an existing site in the zone 2910
that the enterprise currently operates; 2911

(5) The enterprise, subject to approval of the agreement, 2912
intends to relocate operations, currently located in this state, 2913
to the zone, and the director of development services has issued 2914
a waiver for the enterprise under division (B) of section 2915
5709.633 of the Revised Code. 2916

(C) If the legislative authority or board determines that 2917
the enterprise is so qualified and satisfies one of the criteria 2918
described in divisions (B)(1) to (5) of this section, the 2919
legislative authority or board may, after complying with section 2920
5709.83 of the Revised Code and, in the case of a board of 2921
commissioners, with the consent of the legislative authority of 2922
each affected municipal corporation or of the board of township 2923
trustees, enter into an agreement with the enterprise under 2924
which the enterprise agrees to establish, expand, renovate, or 2925
occupy a facility in the zone and hire new employees, or 2926
preserve employment opportunities for existing employees, in 2927
return for the following incentives: 2928

(1) When the facility is located in a municipal 2929

corporation, a legislative authority or board of commissioners 2930
may enter into an agreement for one or more of the incentives 2931
provided in division (C) of section 5709.62 of the Revised Code, 2932
subject to division (D) of that section; 2933

(2) When the facility is located in an unincorporated 2934
area, a board of commissioners may enter into an agreement for 2935
one or more of the incentives provided in divisions (B) (1) (b), 2936
(B) (2), and (B) (3) of section 5709.63 of the Revised Code, 2937
subject to division (C) of that section. 2938

(D) All agreements entered into under this section shall 2939
be in the form prescribed under section 5709.631 of the Revised 2940
Code. After an agreement under this section is entered into, if 2941
the legislative authority or board of county commissioners 2942
revokes its designation of the zone, or if the director of 2943
development services revokes the zone's certification, any 2944
entitlements granted under the agreement shall continue for the 2945
number of years specified in the agreement. 2946

(E) Except as otherwise provided in this division, an 2947
agreement entered into under this section shall require that the 2948
enterprise pay an annual fee equal to the greater of one per 2949
cent of the dollar value of incentives offered under the 2950
agreement or five hundred dollars; provided, however, that if 2951
the value of the incentives exceeds two hundred fifty thousand 2952
dollars, the fee shall not exceed two thousand five hundred 2953
dollars. The fee shall be payable to the legislative authority 2954
or board of commissioners once per year for each year the 2955
agreement is effective on the days and in the form specified in 2956
the agreement. Fees paid shall be deposited in a special fund 2957
created for such purpose by the legislative authority or board 2958
and shall be used by the legislative authority or board 2959

exclusively for the purpose of complying with section 5709.68 of 2960
the Revised Code and by the tax incentive review council created 2961
under section 5709.85 of the Revised Code exclusively for the 2962
purposes of performing the duties prescribed under that section. 2963
The legislative authority or board may waive or reduce the 2964
amount of the fee charged against an enterprise, but such waiver 2965
or reduction does not affect the obligations of the legislative 2966
authority or board or the tax incentive review council to comply 2967
with section 5709.68 or 5709.85 of the Revised Code, 2968
respectively. 2969

(F) With the approval of the legislative authority of a 2970
municipal corporation or the board of township trustees of a 2971
township in which a zone is designated under division (A) (2) of 2972
this section, the board of county commissioners may delegate to 2973
that legislative authority or board any powers and duties of the 2974
board to negotiate and administer agreements with regard to that 2975
zone under this section. 2976

(G) When an agreement is entered into pursuant to this 2977
section, the legislative authority or board of commissioners 2978
authorizing the agreement shall forward a copy of the agreement 2979
to the director of development services and to the tax 2980
commissioner within fifteen days after the agreement is entered 2981
into. If any agreement includes terms not provided for in 2982
section 5709.631 of the Revised Code affecting the revenue of a 2983
city, local, ~~or~~-exempted village, or joint vocational school 2984
district or causing revenue to be forgone by the district, 2985
including any compensation to be paid to the school district 2986
pursuant to section 5709.82 of the Revised Code, those terms 2987
also shall be forwarded in writing to the director of 2988
development services along with the copy of the agreement 2989
forwarded under this division. 2990

(H) After an agreement is entered into, the enterprise 2991
shall file with each personal property tax return required to be 2992
filed while the agreement is in effect, an informational return, 2993
on a form prescribed by the tax commissioner for that purpose, 2994
setting forth separately the property, and related costs and 2995
values, exempted from taxation under the agreement. 2996

(I) An agreement entered into under this section may 2997
include a provision requiring the enterprise to create one or 2998
more temporary internship positions for students enrolled in a 2999
course of study at a school or other educational institution in 3000
the vicinity, and to create a scholarship or provide another 3001
form of educational financial assistance for students holding 3002
such a position in exchange for the student's commitment to work 3003
for the enterprise at the completion of the internship. 3004

Sec. 5709.82. (A) As used in this section: 3005

(1) "New employee" means both of the following: 3006

(a) Persons employed in the construction of real property 3007
exempted from taxation under the chapters or sections of the 3008
Revised Code enumerated in division (B) of this section; 3009

(b) Persons not described by division (A)(1)(a) of this 3010
section who are first employed at the site of such property and 3011
who within the two previous years have not been subject, prior 3012
to being employed at that site, to income taxation by the 3013
municipal corporation within whose territory the site is located 3014
on income derived from employment for the person's current 3015
employer. "New employee" does not include any person who 3016
replaces a person who is not a new employee under division (A) 3017
(1) of this section. 3018

(2) "Infrastructure costs" means costs incurred by a 3019

municipal corporation in a calendar year to acquire, construct, 3020
reconstruct, improve, plan, or equip real or tangible personal 3021
property that directly benefits or will directly benefit the 3022
exempted property. If the municipal corporation finances the 3023
acquisition, construction, reconstruction, improvement, 3024
planning, or equipping of real or tangible personal property 3025
that directly benefits the exempted property by issuing debt, 3026
"infrastructure costs" means the annual debt charges incurred by 3027
the municipal corporation from the issuance of such debt. Real 3028
or tangible personal property directly benefits exempted 3029
property only if the exempted property places or will place 3030
direct, additional demand on the real or tangible personal 3031
property for which such costs were or will be incurred. 3032

(3) "Taxing unit" has the same meaning as in division (H) 3033
of section 5705.01 of the Revised Code. 3034

(B) (1) Except as otherwise provided under division (C) of 3035
this section, the legislative authority of any political 3036
subdivision that has acted under the authority of Chapter 725. 3037
or 1728., sections 3735.65 to 3735.70, or section 5709.40, 3038
5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, 5709.78, 3039
5709.84, or 5709.88 of the Revised Code to grant an exemption 3040
from taxation for real or tangible personal property may 3041
negotiate with the board of education of each city, local, 3042
exempted village, or joint vocational school district or other 3043
taxing unit within the territory of which the exempted property 3044
is located, and enter into an agreement whereby the school 3045
district or taxing unit is compensated for tax revenue foregone 3046
by the school district or taxing unit as a result of the 3047
exemption. Except as otherwise provided in division (B) (1) of 3048
this section, if a political subdivision enters into more than 3049
one agreement under this section with respect to a tax 3050

exemption, the political subdivision shall provide to each 3051
school district or taxing unit with which it contracts the same 3052
percentage of tax revenue foregone by the school district or 3053
taxing unit, which may be based on a good faith projection made 3054
at the time the exemption is granted. Such percentage shall be 3055
calculated on the basis of amounts paid by the political 3056
subdivision and any amounts paid by an owner under division (B) 3057
(2) of this section. A political subdivision may provide a 3058
school district or other taxing unit with a smaller percentage 3059
of foregone tax revenue than that provided to other school 3060
districts or taxing units only if the school district or taxing 3061
unit expressly consents in the agreement to receiving a smaller 3062
percentage. If a subdivision has acted under the authority of 3063
section 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 3064
5709.73, or 5709.78 of the Revised Code and enters into a 3065
compensation agreement with a city, local, or exempted village 3066
school district, the subdivision shall provide compensation to 3067
the joint vocational school district within the territory of 3068
which the exempted property is located at the same rate and 3069
under the same terms as received by the city, local, or exempted 3070
village school district. 3071

(2) An owner of property exempted from taxation under the 3072
authority described in division (B)(1) of this section may, by 3073
becoming a party to an agreement described in division (B)(1) of 3074
this section or by entering into a separate agreement with a 3075
school district or other taxing unit, agree to compensate the 3076
school district or taxing unit by paying cash or by providing 3077
property or services by gift, loan, or otherwise. If the owner's 3078
property is exempted under the authority of section 5709.40, 3079
5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, or 3080
5709.78 of the Revised Code and the owner enters into a 3081

compensation agreement with a city, local, or exempted village 3082
school district, the owner shall provide compensation to the 3083
joint vocational school district within the territory of which 3084
the owner's property is located at the same rate and under the 3085
same terms as received by the city, local, or exempted village 3086
school district. 3087

(C) This division does not apply to the following: 3088

(1) The legislative authority of a municipal corporation 3089
that has acted under the authority of division (H) of section 3090
715.70 or division (U) of section 715.72 of the Revised Code to 3091
consent to the granting of an exemption from taxation for real 3092
or tangible personal property in a joint economic development 3093
district. 3094

(2) The legislative authority of a municipal corporation 3095
that has specified in an ordinance adopted under section 3096
5709.40, 5709.41, or 5709.45 of the Revised Code that payments 3097
in lieu of taxes provided for under section 5709.42 or 5709.46 3098
of the Revised Code shall be paid to the city, local, or 3099
exempted village school district in which the improvements are 3100
located in the amount of taxes that would have been payable to 3101
the school district if the improvements had not been exempted 3102
from taxation, as directed in the ordinance. 3103

If the legislative authority of any municipal corporation 3104
has acted under the authority of Chapter 725. or 1728. or 3105
section 3735.671, 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 3106
5709.632, or 5709.88, or a housing officer under section 3735.67 3107
of the Revised Code, to grant or consent to the granting of an 3108
exemption from taxation for real or tangible personal property 3109
on or after July 1, 1994, the municipal corporation imposes a 3110
tax on incomes, and the payroll of new employees resulting from 3111

the exercise of that authority equals or exceeds one million 3112
dollars in any tax year for which such property is exempted, the 3113
legislative authority and the board of education of each city, 3114
local, or exempted village school district within the territory 3115
of which the exempted property is located shall attempt to 3116
negotiate an agreement providing for compensation to the school 3117
district for all or a portion of the tax revenue the school 3118
district would have received had the property not been exempted 3119
from taxation. The agreement may include as a party the owner of 3120
the property exempted or to be exempted from taxation and may 3121
include provisions obligating the owner to compensate the school 3122
district by paying cash or providing property or services by 3123
gift, loan, or otherwise. Such an obligation is enforceable by 3124
the board of education of the school district pursuant to the 3125
terms of the agreement. 3126

If the legislative authority and board of education fail 3127
to negotiate an agreement that is mutually acceptable within six 3128
months of formal approval by the legislative authority of the 3129
instrument granting the exemption, the legislative authority 3130
shall compensate the school district in the amount and manner 3131
prescribed by division (D) of this section. 3132

(D) Annually, the legislative authority of a municipal 3133
corporation subject to this division shall pay to the city, 3134
local, or exempted village school district within the territory 3135
of which the exempted property is located an amount equal to 3136
fifty per cent of the difference between the amount of taxes 3137
levied and collected by the municipal corporation on the incomes 3138
of new employees in the calendar year ending on the day the 3139
payment is required to be made, and the amount of any 3140
infrastructure costs incurred in that calendar year. For 3141
purposes of such computation, the amount of infrastructure costs 3142

shall not exceed thirty-five per cent of the amount of those 3143
taxes unless the board of education of the school district, by 3144
resolution adopted by a majority of the board, approves an 3145
amount in excess of that percentage. If the amount of those 3146
taxes or infrastructure costs must be estimated at the time the 3147
payment is made, payments in subsequent years shall be adjusted 3148
to compensate for any departure of those estimates from the 3149
actual amount of those taxes. 3150

A municipal corporation required to make a payment under 3151
this section shall make the payment from its general fund or a 3152
special fund established for the purpose. The payment is payable 3153
on the thirty-first day of December of the tax year for or in 3154
which the exemption from taxation commences and on that day for 3155
each subsequent tax year property is exempted and the 3156
legislative authority and board fail to negotiate an acceptable 3157
agreement under division (C) of this section. 3158

Sec. 5709.83. (A) Except as otherwise provided in division 3159
(B) or (C) of this section, prior to taking formal action to 3160
adopt or enter into any instrument granting a tax exemption 3161
under section 725.02, 1728.06, 5709.40, 5709.41, 5709.45, 3162
5709.62, 5709.63, 5709.632, 5709.73, 5709.78, 5709.84, or 3163
5709.88 of the Revised Code or formally approving an agreement 3164
under section 3735.671 of the Revised Code, or prior to 3165
forwarding an application for a tax exemption for residential 3166
property under section 3735.67 of the Revised Code to the county 3167
auditor, the legislative authority of the political subdivision 3168
or housing officer shall notify the board of education of each 3169
city, local, exempted village, or joint vocational school 3170
district in which the proposed tax-exempted property is located. 3171
The notice shall include a copy of the instrument or 3172
application. The notice shall be delivered not later than 3173

fourteen days prior to the day the legislative authority takes 3174
formal action to adopt or enter into the instrument, or not 3175
later than fourteen days prior to the day the housing officer 3176
forwards the application to the county auditor. If the board of 3177
education comments on the instrument or application to the 3178
legislative authority or housing officer, the legislative 3179
authority or housing officer shall consider the comments. If the 3180
board of education of the city, local, exempted village, or 3181
joint vocational school district so requests, the legislative 3182
authority or the housing officer shall meet in person with a 3183
representative designated by the board of education to discuss 3184
the terms of the instrument or application. 3185

(B) The notice otherwise required to be provided to boards 3186
of education under division (A) of this section is not required 3187
if the board has adopted a resolution waiving its right to 3188
receive such notices, and that resolution remains in effect. If 3189
a board of education adopts such a resolution, the board shall 3190
cause a copy of the resolution to be certified to the 3191
legislative authority. If the board of education rescinds such a 3192
resolution, it shall certify notice of the rescission to the 3193
legislative authority. A board of education may adopt such a 3194
resolution with respect to any one or more counties, townships, 3195
or municipal corporations situated in whole or in part within 3196
the school district. 3197

(C) If a legislative authority is required to provide 3198
notice to a city, local, or exempted village school district of 3199
its intent to grant such an exemption as required by section 3200
5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, 3201
or 5709.78 of the Revised Code, the legislative authority, 3202
before adopting a resolution or ordinance under that section, 3203
shall notify the board of education of each joint vocational 3204

school district in which the property to be exempted is located 3205
using the same time requirements for the notice that applies to 3206
notices to city, local, and exempted village school districts. 3207
The content of the notice and procedures for responding to the 3208
notice are the same as required in division (A) of this section. 3209

Sec. 6301.23. (A) As used in this section: 3210

(1) "Ohio career-technical associations" includes all of 3211
the following: 3212

(a) The Ohio association of career and technical 3213
education; 3214

(b) The Ohio association of career-technical 3215
superintendents; 3216

(c) The Ohio association of comprehensive and compact 3217
career-technical schools. 3218

(2) "Other public school" has the same meaning as in 3219
section 3301.0711 of the Revised Code. 3220

(3) "State agency" has the same meaning as in section 1.60 3221
of the Revised Code. 3222

(B) Not later than July 1, 2020, the governor's office of 3223
workforce transformation, the department of education, and the 3224
chancellor of higher education, in consultation with Ohio 3225
career-technical associations and other appropriate 3226
stakeholders, shall develop model guidance for maintaining a 3227
statewide inventory of industry-recognized credentials. The 3228
guidance shall address the following: 3229

(1) Methods for state agencies to efficiently and 3230
effectively organize the different categories of industry- 3231
recognized credentials in a manner that allows students, school 3232

districts, other public schools, chartered nonpublic schools, 3233
and institutions of higher education to easily understand 3234
available credentialing options, based on the unique 3235
circumstances of each individual student; 3236

(2) The potential creation of a centralized, inter-agency 3237
database of information on all industry-recognized credentials 3238
that is accessible to the public; 3239

(3) Methods to streamline the process to add career- 3240
technical programs to the various approved credentialing lists; 3241

(4) Methods to increase transparency in the approval 3242
process for industry-recognized credentials. 3243

Section 2. That existing sections 3302.036, 3302.17, 3244
3310.01, 3310.03, 3310.031, 3310.032, 3310.08, 3310.16, 3313.14, 3245
3313.25, 3313.482, 3313.82, 3313.903, 3314.011, 3314.03, 3246
3314.19, 3317.60, 3319.112, 3319.226, 3319.301, 3326.032, 3247
3326.17, 5709.62, 5709.63, 5709.632, 5709.82, and 5709.83 of the 3248
Revised Code are hereby repealed. 3249

Section 3. That sections 3302.042, 3302.101, 3302.102, 3250
3302.12, 3310.035, 3310.05, and 3311.242 of the Revised Code are 3251
hereby repealed. 3252

Section 4. The repeal of section 3311.242 of the Revised 3253
Code in Section 3 of this act shall take effect on September 1, 3254
2020. 3255

Section 5. If a school district has begun the transfer 3256

the Revised Code prior to the repeal of that section by this 3258
act, the transfer process shall continue in accordance with the 3259
provisions of that section as it existed prior to its repeal. 3260
School districts shall not, however, be permitted to take action 3261

under that section if they have not begun the transfer process 3262
prior to the section's repeal by this act. 3263
