| ✓ 41 | 12/30/20 Final Decision & Judgment Entry: The defendant-appellant, Ernie Haynes, was convicted of abduction in the Wood County Court of Common Pleas for the illegal removal of his three grandsons and sentenced to community control. On appeal, Haynes raises multiple trial-related errors, including that the state failed to present legally sufficient evidence that he removed the children "by force or threat." As set forth below, we affirm the trial court's judgment. (See JE). As set forth herein, the defendant's assignments of error are found not well-taken. Accordingly, the 4/9/2019 judgment of the Wood County Court of Common Pleas is affirmed, with costs ordered to be paid by the defendant pursuant to App.R. 24. Judgment affirmed. Thomas J.
