**MEMORANDUM IN SUPPORT OF DEFENDANT BP HUSKY REFINERY'S MOTION  
TO DISMISS**

---

Plaintiff's Complaint asserts claims against "BP Husky Refinery" and four different unions seeking a full pension and \$10 million in monetary and punitive damages. Plaintiff does not actually assert any concrete legal claims, but rather general grievances laced with conspiracy theories dating back roughly twenty years. Because Plaintiff does not assert any cognizable legal claim against BP Products, the Court should dismiss his claims against BP Products with prejudice.

**I. BACKGROUND AND PROCEDURAL HISTORY**

BP Products North America, Inc. ("BP Products") operates the Husky Refinery in Oregon, Ohio, which supplies fuel to locations throughout the Midwest. The Husky Refinery itself is not an independent legal entity. BP Products has both its own employees and contractors working at the Husky Refinery. It does not, however, have any record of ever employing Plaintiff or having Plaintiff work at the Husky Refinery (or elsewhere) as a contractor. In his Complaint, Plaintiff does not allege any facts to support a conclusion that he ever worked at the Husky Refinery.

Plaintiff nonetheless filed the Complaint against the Husky Refinery and the Union Defendants on May 27, 2022. As articulated in BP Products' response to Plaintiff's Motion for Default Judgment, Plaintiff did not properly serve BP Products with the Complaint. (*See* Resp. to Mot. for Default Judgment, filed Dec. 19, 2022). This failure resulted in BP Products being unaware of the pendency of this case and Plaintiff, upon the Court's Order, moving for default judgment. When BP Products became of that motion and, by extension, the case itself, BP Products retained undersigned counsel and opposed the Motion for Default Judgment. The Court denied Plaintiff's Motion for Default Judgment on January 31, 2023.

## **II. LEGAL ARGUMENT**

### **A. Standard of Review**

Rule 8(A) of the Ohio Rules of Civil Procedure imposes a requirement on plaintiffs to include in their complaint "a short and plain statement of the claim showing the party is entitled to relief. Civ. R. 8(A). Rule 12(B)(6) of the Ohio Rules of Civil Procedure provides that the Court can dismiss a complaint at the pleadings stage when the plaintiff fails "to state a claim upon which relief can be granted." Civ. R. 12(B)(6).

A complaint should be dismissed when "it appears beyond doubt from the complaint that the plaintiff can prove no set of facts entitling him to recovery." *Menorah Park Ctr. for Senior Living v. Rolston*, 164 Ohio St. 3d 400, 2020-Ohio-6658, 173 N.E.3d 432, ¶ 43.

### **B. Plaintiff Does Not State a Cognizable Legal Claim**

Plaintiff's Complaint does not meet Rule 8(A)'s requirement because it does not state any cognizable legal claims and instead recites often-incoherent grievances with Plaintiff's personal financial situation and work history, among other topics. He does not include any allegations of wrongdoing by BP Products at all. In fact, BP only comes up twice in the Complaint:

- “Judge Mandros was corrupt rigging case dismissed 2016 filed two million against BP Refinery and Local 50”; and
- “These damages never stop and 2012 Foreman Greg Paul from Local 50 said a dozen guys and he were turned away the gate a job BP Refinery discrimination as FBI rigs people sex game pairs jobs.”

These allegations plainly do not support any claims against BP. The first allegation appears to suggest unethical behavior by Judge Mandros in a 2016 case. Setting aside the utter lack of evidence for this inflammatory claim of impropriety, it does not suggest that BP acted wrongly in this instance at all. The second allegation is not comprehensible. It appears to recite the experiences of Greg Paul and “a dozen guys” (but, crucially, not Plaintiff) in 2012. Plaintiff would not have suffered harm from BP Products turning away others at the gate, even if doing so were unlawful. BP Products is unable to discern the meaning of the allegations about the FBI and sex games, but those allegations surely would not support a claim against BP Products.

There is no set of facts that Plaintiff could prove that would show he is entitled to relief on these claims. He does not make any intelligible allegations of wrongful conduct by BP Products, and thus will not be able to show that he is entitled to any recovery from BP Products. This alone is sufficient to dismiss his claims under Ohio law. But to the extent the Court reads a claim into these allegations, the claim would almost certainly be time-barred. *See* R.C. 4112.052(C) (statute of limitations for discrimination claims is two years under Ohio law). The first allegation is dated to roughly six years prior to Plaintiff filing the Complaint and the second, roughly a decade.

### III. CONCLUSION

The Court has already recognized that, on this Complaint, Plaintiff cannot sustain claims against the Union Defendants. His claims against BP Products are even more sporadic and worthy of dismissal. For the reasons, BP Products respectfully requests that the Court

**IMPORTANT NOTICE TO ALL 421 MEMBERS**

Dear Brothers and Sisters,

As you have heard in recent Newsletters and Union meetings Local 421 has a serious problem on projects being done in our jurisdiction. Absenteeism, members being referred to work and failing to pass drug screenings. Although our pass/fail rate has improved for drug screenings, our average absenteeism on projects is at a very disappointing 25%. It has now reached the point that Contractors who have previously worked in our area have decided to no longer pursue upcoming projects in North and South Carolina.

At a time when North and South Carolina have more opportunities to put our members to work than ever before, I am finding it very difficult to find Contractors to look at upcoming projects because of our failure to refer them craftspeople that will be at work every day. Unfortunately Local 421 has some members that think "what's the big deal with me missing work? The contractor doesn't pay me when I'm out." They can't understand that a Contractor bids a project to be completed at so many "productive" man-hours and a completion date. When someone misses work, that's a day of non-productive man-hours and that affects the schedule for that project. Local 421 cannot survive with a reputation like this. He or she is hurting Local 421, but most of all their hurting you and your family. So the next time you notice one of our UA members missing time during the week and working on the weekend for premium pay, ask them if they are going to help you feed your family when you're unemployed because Union Contractors no longer want to bid work in North and South Carolina. Local 421 has the reputation of having more members than most, with poor work ethics.

At our last Union meeting, the Brothers and Sisters present agreed that something should be done to fix this serious problem, and they all agreed that each member of Local 421 has a responsibility to call out and remind other members that do not understand the seriousness of these issues and how their actions were affecting every member of Local 421, and not just them.

I understand that, if I change my mind after I leave the hospital, I can return to the Emergency Department, call my physician, or call 911 in an emergency.

I understand, and voluntarily assume, the risks involved in my leaving the hospital against the medical advice of my physician(s). I hereby release my physician(s), ProMedica Health Systems, its agents, employees and physicians from all liability resulting from any adverse medical condition(s) which may result from my decision to leave the hospital against medical advice.

- Upon learning of my desire to leave the hospital, my physician has communicated the risks, potential consequences, and alternatives to my leaving against medical advice. I have been given an opportunity to ask my physician questions about my medical condition and the proposed medical care, and my questions have been answered to my satisfaction.
- Upon learning of my desire to leave the hospital, my physician has requested to speak with me. I acknowledge that I have been given an opportunity to speak with my physician about my wanting to leave, but have decided to leave without first speaking with my physician.

**Instructions and recommendations discussed:**

I would like the communications subpoenaed bay park hospital to see how many other underlying lawsuits are tied to hospitals performance. Three days they never gave me the right anti biotics from cultues Monday and Tuesday. They kept further infecting my leg pumping single, dual then upper pick ivs. The upper pick line was excuse sending me home for ivs there. They claimed no pills when st. Charles sent me home with anti biotic pills. As leg further infected the very next day my knee was cut opened and cleaned or doctor said would lose my leg. 4 days later no infection my leg was sewn shut and next day released the hospital. A result of multiple ivs I suffered a superficial blood clot. I would like both medical issues fully corrected as steps I am taking to resolve them.

i have court cases filed and sent to circuit executive of the 6th circuit, 503 u.s. post office and courthouse, cincinnati, ohio 45202. this hospital did malpractice a game to kill me so i in 3 days walked out. monday morning at 6 i went there. they took 2 cultures then ran multiple IVs two antibiotics. tuesday squeezed out now inflamed kneecaps puss and put some tape in claimed gap. the doctor filled a bottle full of puss a now third culture. wednesday morning ran 5 IVs between 4 and 8 in morning. i refused the 6th as my thigh was swollen huge. as i went to media head bitch claimed had anti biotic name oxycyclene. next ran a iv shoulder to heart, claiming for home iv's. then ran about 4 pm the wrong medication. as it finished my heart raced to 205 beats. they rounded up the staff game code blue. then played heart attack no chest pains or breathing issues. then gave me a shot instantly cutting heart rate in half. then had me in heart attack ward game i am dying. i about 10:30 refused any more treatment telling them get all this stuff off me. then told cannot leave until sign paper.

these were two clinics on reynolds road i went to not corrupt for drug test. i wrote numbers down at 6 and tried calling after 8. both did not answer the phone one had a voice mail leave message. next i was stalked going downtown by toledo police to another clinic. then another stalked me downtown.

day one working nights was a nurse named alli. this girl was very tentative trying to be a nurse, she wore a stethoscope and checked your breathing and then pulled your socks off for swelling of the feet. two other females had their name on the board in marker. i said jokes to her like how do i know you are really alli when only names i see are previous nurses. her and desiree came in together, i believe desiree is a bull dike over alli. desiree came back in writing allis name then hers behind. only alli was my nurse, a couple times awake i seen alli looking in checking on me. overnight i was slandered and desiree tuesday repeatedly hovered over alli my room. i believe alli was liking me and bull dike desiree was pissed. i think alli questioned meds given as desiree hovered situation. wednesday i was now suppose to go home, all thought i was to stay even more. before alli came in at 7 i was rigged heart racing and moved rooms, as i left sitting at desk alone was desiree. i wondered why weight problem, bitch was feeding her face food sitting at desk. i told guard i was happy to leave escorting me, desiree said she herself was happy. i know second day alli came in my room, this time carrying a marker. she immediately put her name on the board and started her day. she has a desire and passion the medical field and corrupt around her screwing her.

I AM NOT A SITUATION ALLI AS SHE SIDED WITH HOSPITAL BEING CORRUPT,

TUESDAY I HAD A BOIL WHICH WITH RAIN SEAN SPREAD TO KNEE CAP, ONLY, SENSITIVITY. I STAYED OFF IT 3 DAY OFF AND WENT AWAY AT TOOL SPUN OF GARLIC ON SATURDAY. I RODE BIKE TO WORK THEN A WORKED SWINGING LES UP, AS DAY WENT ON, PUPPED UP, I WAS ALSO TAKING MORE GARLIC POWDER. I AT 3:13 ENDED UP SIDE SWIPING A BUMPER. WILL SAID WE WERE TINED AND KYLE PARKINS LOT WATCHED, CHRIS, A SUT, WITNESSED WRECK

## Additional Information about your Body Mass Index (BMI)

Your BMI as listed above is considered obese (30 or more). BMI is an estimate of body fat, calculated from your height and weight. The higher your BMI, the greater your risk of heart disease, high blood pressure, type 2 diabetes, stroke, gallstones, arthritis, sleep apnea, and certain cancers. BMI is not perfect. It may overestimate body fat in athletes and people who are more muscular. Even a small weight loss (between 5 and 10 percent of your current weight) by decreasing your calorie intake and becoming more physically active will help lower your risk of developing or worsening diseases associated with obesity.

Dear David Allen Beeks MD:

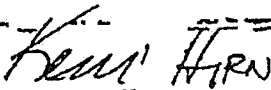

CareWorks of Ohio, the employer's authorized Managed Care Organization (MCO), is in receipt of a C-9 dated 12/10/2019 for prior authorization of services/treatment for the above referenced employee. Please be advised the above claim is currently allowed for: none. The medical information submitted has been reviewed and it has been determined that retro auth I&D right knee (273640) and retro auth I&D with primary closure (13160) is/are non-certified from 11/08/2019 to 11/08/2019. The clinical rationale for this determination is as follows:

**at physician review: no current allowances for proposed surgery already performed; claim is currently disallowed**

Per OAC 4123-6-16.1 and 4123-6-16.2, Miller Criteria and the Official Disability Guidelines (ODG) treatment guidelines were utilized in making this treatment decision. Miller criteria evaluates whether the requested services are reasonably related to the injury, the services are reasonably necessary for treatment of the injury, and the costs are medically reasonable.

Pursuant to Ohio Administrative Code 4123-6-16, the employee, employer, their authorized representatives, or the provider may appeal this decision in writing, within fourteen (14) days of receipt of the decision. Medical disagreements concerning this treatment decision should be sent to my attention. If you have any questions, please contact me at (614) 789-5128 or 1-888-627-7586, x 55128 (toll-free). If you wish to submit an appeal, please fax it to (888) 627-0074.

## LETTER OF DETERMINATION

Joseph Marion Emerson v. Auto Warehousing Co.  
TOL72(39899)05282019722A-2019-02373C

### FINDINGS OF FACT:

Charging Party filed a charge of discrimination with the Ohio Civil Rights Commission ("Commission") alleging Respondent engaged in an unlawful discriminatory practice. All jurisdictional requirements for filing a charge have been met.

After receiving the charge, the Commission conducted an investigation into Charging Party's allegation(s) against Respondent. During the investigation, the Commission considered relevant documents and testimony. The information gathered does not support a recommendation that Respondent unlawfully discriminated against Charging Party. Specifically, the Commission found no information which supports Charging Party was subjected to unlawful harassment.

### DECISION:

The Ohio Civil Rights Commission determines it is **NOT PROBABLE** that Respondent has engaged in an unlawful discriminatory practice in violation of Ohio Revised Code Chapter 4112. Therefore, the Commission hereby orders that this matter be **DISMISSED**.

### NOTICE OF RIGHT TO REQUEST RECONSIDERATION:

Pursuant to Ohio Administrative Code § 4112.3-04, you have the right to request reconsideration of this determination of the Commission. The application must be in writing and state specifically the grounds upon which it is based. If you wish to appear before the Commissioners to present oral arguments supporting your request, you must specifically make a request to appear in writing.

This request must be sent to the Compliance Department, Ohio Civil Rights Commission, 30 East Broad Street, 5<sup>th</sup> Floor, Columbus, Ohio 43215. You must submit the request for reconsideration, along with all additional evidence or supporting documentation, within **TEN (10) days** of the date of mailing of this notice. Any application for reconsideration or additional materials received by the Compliance Department in the Commission's Columbus Central Office after the ten-day period has expired will be deemed untimely filed. Extensions of this ten-day filing period are not permitted.

**FOR DUAL FILED CHARGES ONLY:**

If your charge was filed with both the Commission and the U. S. Equal Employment Opportunity Commission (EEOC), you have the right to request that the EEOC conduct a review of the Commission finding. The request for such a review must be sent directly to the EEOC State and Local Coordinator at 101 W. Ohio St., Suite 1900, Indianapolis, IN 46204. To secure such a review, you must request it in writing within **FIFTEEN (15) days** of Commission's finding, unless you request a reconsideration by Commission. In that event, our final finding, and the time for you to request review by EEOC, will be determined by Commission's action on your reconsideration request.

**NOTICE OF RIGHT TO PETITION FOR JUDICIAL REVIEW:**

A determination of the Commission that constitutes a Final Order is subject to judicial review, wherein the court reviews the contents of this letter and determines if there are sufficient factual findings supporting why the Commission did not issue a complaint. A petition for judicial review must be filed in the proper common pleas court within **THIRTY (30) days** of the date the Commission mailed this Final Order. The right to obtain judicial review and the mode and procedure thereof is set forth in Ohio Revised Code § 4112.06.

The judicial review process is not a means to reexamine the investigation or further pursue your allegations through the Commission. You may consult with an attorney for information on available options.

A Probable Cause finding is not a Final Order and is not subject to judicial review by a court. All other determinations of the Commission constitute a Final Order and are subject to judicial review by a court.

## VOLUNTARY ELECTRONIC FUND TRANSFER ("EFT") AUTHORIZATION

Loan Date: 12/26/2019

Loan Number: 47921402

I voluntarily authorize Check 'n Go to initiate EFT debit entries to timely pay all amounts owing to Check 'n Go from my Bank Account. If any debit entry is dishonored, I authorize the Check 'n Go to re-initiate an ACH debit entry up to one time. I understand that I have the right to receive notice of all electronic fund transfers from my Bank Account that vary in amount, and that by signing this ACH Authorization, I agree to receive notice only when the debit entry amount falls outside the specified range of amounts described below (in lieu of receiving notice of each electronic fund transfer that varies in amount). The range of amounts for debits will be between \$1.00 and the outstanding balance owing under the Agreement (unpaid principal balance plus accrued and unpaid interest and fees). For any amount outside of this specified range, Check 'n Go will send me a notice at least ten days prior to initiating such debit. If there is any missing or erroneous information in or with the Agreement or my loan application regarding my bank, bank routing and transit number, or account number, then I authorize Check 'n Go to verify and correct such information.

I acknowledge that if my payment is returned unpaid, I have authorized Check 'n Go to collect any fees provided for in the Agreement and to initiate a debit entry for such amounts. My Authorization will remain in full force and effect until the first to occur of the following events: (i) I satisfy all of my payment obligations under this Agreement; or (ii) I provide Check 'n Go notice of termination of this authorization at least three (3) business days before the scheduled date of the transfer.

Should I terminate my Authorization, I will still be responsible for making timely payments. I acknowledge that Check 'n Go did not condition their extension of credit to me on my authorizing Check 'n Go to electronically debit my Bank Account. If I terminate my Authorization, such termination will not constitute an event of default under the Agreement and will not adversely affect Check 'n Go's decision to extend credit to me in the future. This Authorization is a payment mechanism only and does not give Check 'n Go collection rights greater than those otherwise contained in the Agreement.

I understand that if Check 'n Go assigns my Agreement to any third party, this authorization will also be assigned to the party holding the Agreement and such holder will be entitled to initiate authorizations in accordance with this authorization.

You people think this is fun and games it is a serious situation. I seen tv 13 whores stalking me door, I missed the turn Detroit avenue. I was forced to turn around a 4,000 weight limit neighborhood block with a 22,000 pond empty truck. Two violations happened forced by tv 13 stalking whores. I also last time did not use the word nigger bitching about Janessa Webb, a black, pissed off. I do not only not want to use the word, but especially referring it to a black. I broke the habbit of using that word after got out the shelter. Now pissed day after day I am using that word. Bitches who cares, nigger is a word, another. First of all why is any gutter whore stalking me a game I move into a expensiver apartment and game a lease. I would not do it the queen of England or princess of monico, let alone any discarded bitches ass. The only time in history I moved anywhere was 2002 Florida in Daytona. Cops stalked me in a budget hotel a game Britney I wrote going to one more elaborate. Once I seen the whore a game my ass came back. I have never ever even pipefitting jobs moved to another hotel a bitch. I was forced moved Ohio as Gomez and Lovato had Florida guys stalk me a game juveniles sex at 16 adults 23 the guys a game me their security, never did I move over any bitch.

Some celebrity must have bought straw hat pizza parlor chain it no longer exists Tucson. 1973 that was the best pizza in town or even country. It apparently started California and went to Arizona. It had so much cheese you needed a knife to cut it away each slice you grabbed. Obvious as any pizza joint the quality went down as more Tucson moved in. Marcos was tops Toledo, then east of Chicago moved in and out, then Papa John's which got beat now also even by Gino's.

It is only obvious since 2002 I never ever moved anywhere over any bitch why other than you need your ass beat by my fists staking me, why are you stalking me something no matter how broke or rich will never happen.

I already dumped a load and back and returning still sitting leaning the back of a second pickup is city weed wackers the gas station maitzinger road a d stickney a drug game this crew city of Monroe. Then Chrysler drive a game I am crossing center line a fire engine lights on is in Chrysler plants lot. I will drive where I please the best route my job. Then summit water crews a city of Monroe drugs game is at the bank parking lot summit and about 124 . This is why these niggers FBI games the city cannot pay a game three million. How many at least over a dozen city employees are not doing their job and stalking me my job a FBI game. I use the word nigger because white people went to Africa guns over Spears capturing them slaves calling them niggers. Lincoln freed the slaves a white guy killed Lincoln. Then cowboys guns controlled towns killing them the next niggers. White Earp and family did posses and killed off cowboys. Kiss is coming to Toledo, FBI sex niggers. These people city can say no, FBI niggers. They can say no as I , Judd or anyone, they chose a shackled nigger game their job. I and my job are not police and FBI niggers.

Apparently Judd is doc holiday shooting the books out of people's hands and I defy death by surviving how many hospitals to kill me as Wyatt missed Everytime a bullet.

Keuhnlien called my job next and had sex Kyle and he and brown had sex station bit he's. Keuhnlien had sex him, and kyle second time wrote her ass. What stunts pipefitting did these whores have sex. Onstott was not a lesbian when I wrote her part time. Once Gigi Chao was money now Brey teaches her both vacation to be gay. Bella was gay stalking bitches and warner was all women. Next rigged is her a guy a hotel after Olivia goes back to boyfriend. Olivia initiated it by dumping me. I said I am not having sex Warner's all female executives. Then it went to them after these stunts changing it to half men.

Toledo cancelled fireworks game stalking sex police me. They and FBI set me up arrested whoring every bitch I meet. Next I am screwed game city broke and doing fireworks. Now on tv you buy a house city will pay you 9,500 in hood areas, 7,500 areas not. All any court has to do is subpoena work records Jeremy gutiereez he stupidly put his internet profile also, diggs, mike Navarre, Kent coyne, Christina Williams, McKenzie keuhnlien, Michelle Backus, Ashley schumaker, Heather Zara, guy my job, Randy monimee and celebrities incomes before and after then all starting the whores who filed fake protective orders on me getting my mail like sister Karen prior certified and delivery confirmation then filing the orders. How do you accept marked delivered mail then say have a problem. Ten year rigged jobs pensions and goodbye FBI and book selling games as tied to drugs or sex down to knocking up hospital nurses. I will bet kiss band is vested pensions and how many others. This is all interstate protection games they a somebody rigged by FBI interstate. The only guy I know had prior experience was Nathan pierce a non union plumber. He played sex games celebrities new York rigged then divorced wife with kid.

How many bank jobs did my knephew take a cover embezzling money when should have stayed one. National City Bank he started if rolled another bank and could have kept pension why did he move.

Congress made it a law I was told a business cannot declare bankruptcy like consolidated and Jones transfer did monroe under new owners and screw people pensions. There needs to be a law like twice job hopping ignorant Christina Williams, diggs, navarre doing same . Two FBI whores froze pensions, Erin Nicole and Jane roman the city. It should be you freeze a pension a medical and you go on disability or you cannot pension hop jobs freezing pensions. Look at the millions celebrities make taking jobs and pensions. The moment Williams leaves tv 13 has to fill her spot another pension. Then as her ass greedy left, took an apprentices job and pension as her ass bought a journeyman book bypassing five years zero documents even touching a pipe tv 13 or a welder. The simple fact diggs dealing drugs Florida wanting to leave before even ten years is a court issue and start another Columbus. The simple fact my knephew bank hopped jobs to launder money then rigged Huntington Bank rehired shows a scam . Just Sunday when I snitched on Williams the all male six newscast team played she was not coming back to tv 13 doing it twice . That was a lie, she was a reporter holding a microphone getting her job back. That is twice that sex traffic screwing me whores station rehired her quitting the job months ass. The first time played her still there with commercials her still anchoring.

Keuhnlien and husband were rigged books the rain out he a farmer for months the rain out. He had insurance and they got books under another name s FBI rigging protection game. Tv #3 rehired her ass , why tv 13 needs their ass sued. Then as I am again told wrote this married bitch goes lesbian and who knows who else Stevie Nick's with Backus who left with a book I never even wrote. Then you have station hopping pension games tv 11 and 13. The only time you can leave a job is no pay. You leaves job any other job you have no job coming back, even moreso a higher pay rate you left. It is obvious not my emails a rain out keuhnlien got a book. It is obvious I was dying a game Williams got a book then game suing anticipating signing rigged documents why her ass left again. What did I do to Williams my ass in a hospital and out cannot walk her needing a pipefitters book to leave. Why now a second time when again never went near her or anything. Tv 13 just aired two commercials a game Olivia Jade. One is girl with father on ground he a beard, the other mom no tan lines game Lori loughlin. I am suppose to believe this whore went with Mom or Dad blaming them her actions as they were in prison. They cannot control anything their ass in prison.you are 18 an adult you made your own decision. I was escorted by three pigs to be removed a threat my bank. They are not binding this a game a rap Chrysler and awc some low ball game. I wi take the felony and spit in your face you hand me this a game. They were a seperate event FBI then at my job seperate were bitches writing me up. That started and died a hot dog by the door whore Roxanne. You subpoena her phone bill and Dave browns alone they stayed in contact after she left so brown still no sex uses her sex. Backus left tv 11 twice I never either time went near her or wrote her.

LARRY MAY HAVE HAD HIS EYE ON DALLAS, PUTTING A CORK IN YOUR BOTTLE  
BUT THE LESBIANS STILL HAVE THEIR I, ON DREAMING OF THEIR JEANNIE...

A year ago I wrote Lori Loughlin to tell judge I was blocked copyrights they could have used. The stupid bitch went on a attorney ride and FBI played her sex me and daughters. Olivia Jade a movie game posed nude tricked by Jessica Alba. FBI said I was writing game of thrones when only wrote author. I wait until parents jail as Olivia plays single. Next the Varland clinic I get in same day called and get x-ray. Bella plays lesbian games a brunette and blonde game her a nurse. AWC hired a nurse who I turned in killed two relatives in two months. I went next to put Olivia on will, the bitch at the bank divorced in Oregon and now a sex game Bella with brunette popping in and out rotate sex game. I ail Olivia and bitch bank not hitting on her a week. I see a photo Olivia Jade dressed like Barbara Eden. I tell Olivia tell Bella go to Warner a contract to do clothes. FBI tells bank bitch to turn on me all three. Next Olivia posts photos with Gunthrie, I yank her off the will. Next Oregon pigs say arrested I go in as says I have a gun in my safe deposit box to kill the blonde. Not searched prior I go in and get my stuff. Next as Lori out jail back Olivia games. You already turned on me bitch, adios amigos. Next thru Loughlin's attorney I said separate she tries rigging me suing Larry my old dwelling. I then emailed her ex telling him what her ass is doing. Now she tries coming here with dumped Sophia Richie. I drop the attorney and two more were bought. Shyla needs to realize her reputation shot and needs to sue and leave. Any and every girl I look at FBI whores. My goal was move to Tucson away every whoring celebrity and go to Mexico on my motorcycle and find me one girl. They live with parents, do not whore and randomly can plug one starting do you speak English as most do. Then her family is away not Loughlin's a up in your life dictating what you do I want to sue, play no sex games and then leave. I have zero STDs and so will that girl not molested by FBI prior. Look at Barbara Eden, then Olivia Jade. Bella hit on a blonde at the hospital, a blonde female was the doctor FBI whored Varland clinic. Then the manager divorced Bank was another blonde Bella hit on. Does Bella, or does Bella not, have a lesbian fetish for Barbara Eden. This was a rigged game suddenly Bella wants Vienna sausage as Olivia ran back to Gunthrie. Next Oregon cops rigged the game me a threat calling me. Would you wear that Jeannie outfit public, which was why told her design clothes movies.

## INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

### Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.  
 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here. United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.  
 Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.  
 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)
- III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).
- V. Origin.** Place an "X" in one of the seven boxes.  
 Original Proceedings. (1) Cases which originate in the United States district courts.  
 Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441.  
 Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.  
 Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.  
 Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.  
 Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.  
 Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.  
**PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7.** Origin Code 7 was used for historical records and is no longer relevant due to changes in statute.
- VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service.
- VII. Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.  
 Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.  
 Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

**Date and Attorney Signature.** Date and sign the civil cover sheet.
