STATE OF OHIO :

:

: **ss. AFFIDAVIT OF DOUG LIVINGSTON**

COUNTY OF CUYAHOGA :

Having been duly sworn, I, Doug Livingston, state as follows:

1. I am a news reporter at the *Akron Beacon Journal*, which is published by Relator Copley Ohio Newspapers, Inc. (the “*Akron Beacon Journal*”). I make the following statements based on my personal knowledge.

Ohio Attorney General Dave Yost’s April 17, 2023 News Conference

2. On Monday, April 17, 2023, Ohio Attorney General Dave Yost held a news conference in which he announced that a Summit County grand jury had declined indict any of the eight Akron Police officers involved in the fatal shooting of Jayland Walker.

3. Members of the news media attended Attorney General Yost’s news conference live via Zoom.

4. The news conference was also streamed live on the Attorney General's public Facebook page. A video recording of the news conference was also made available on this same Facebook page.

5. I reviewed portions of the video recording on the Attorney General's public Facebook page late in the afternoon of April 17, 2023.

6. During my review of the recorded news conference, I noticed that certain slides from Attorney General Yost's presentation identified four of the eight Akron police officers involved in the fatal shooting of Mr. Walker by their last names: Ritzinger, Carmany, Siegfert, and Getz.

7. Attached as Exhibit A are screenshots that are consistent with the slides that I saw during my review of Attorney General Yost's recorded news conference and that identify four of the Akron police officers by their last names.

8. Attached as Exhibit B is a true and correct copy of an *Akron Beacon Journal* news article published on April 17, 2023, and available at:

<https://www.beaconjournal.com/story/news/2023/04/17/ohio-ag-presentation-identified-4-akron-police-who-shot-jayland-walker/70124395007/> (last accessed May 8, 2023).

9. By the night of April 17, 2023, the video recording of the press conference was no longer available on the Attorney General's Facebook page.

Akron Police Department Daily Reports

10. In my role as a news reporter, I regularly receive and report on information that the Akron Police Department releases to the news media.

11. On days when a significant crime occurs, the Public Information Office of the Akron Police Department releases a Daily Report to news media in the region that describes the

significant criminal activity or other newsworthy items. If there is no significant criminal activity or newsworthy items on a particular day, the Akron Police Department does not issue a Daily Report and it often sends an email to the *Akron Beacon Journal* and other news media stating there is nothing to report.

12. The Akron Police Department emails these Daily Reports to a general *Akron Beacon Journal* email address. I have access to this email address and the Akron Police Daily Reports in my job as a news reporter.

13. I have reviewed all of the Akron Police Daily Reports and emails stating there is nothing to report that the *Akron Beacon Journal* received from April 17, 2023 through May 8, 2023.

14. Beginning on Tuesday, April 18, 2023, the day after Attorney General Yost's news conference discussed above, the Akron Police Daily Report contained a separate section dedicated to protest-related activity.

15. I personally compiled all of the Akron Police Daily Reports and emails from Lt. Michael A. Miller, the Public Information Officer of the Akron Police Department, that are attached hereto.

16. Attached as Exhibit C is a true and correct copy of the Akron Police Daily Report dated Tuesday, April 18, 2023, with its lead "Protest-related incidents lead to approximately six arrests."

17. Attached as Exhibit D is a true and correct copy of an email from Lt. Miller to the *Akron Beacon Journal*, dated Wednesday, April 19, 2023, indicating that there was no report for that day and "Additionally, there were no significant or note-worthy protest-related incidents last night."

18. There was no report or email received by the *Akron Beacon Journal* on Thursday, April 20, 2023.

19. Attached as Exhibit E is a true and correct copy of an email from Lt. Miller to the *Akron Beacon Journal*, dated Friday, April 21, 2023, indicating that there was no report for that day and “There were no known issues or incidents concerning any protest-related events from yesterday or last night.”

20. Attached as Exhibit F is a true and correct copy of the Akron Police Daily Report dated Monday, April 24, 2023. The report discussed a robbery that had taken place on Friday evening, April 21. It also reported, “There were no major protest-related incidents over the weekend.”

21. Attached as Exhibit G is a true and correct copy of the Akron Police Daily Report dated Tuesday, April 25, 2023. The report described an incident involving “reckless driving” by protestors.

22. Attached as Exhibit H is a true and correct copy of an email from Lt. Miller to the *Akron Beacon Journal*, dated Wednesday, April 26, 2023, indicating that there was no report for that day and that “there were no significant protest-related activities or incidents last night.”

23. Attached as Exhibit I is a true and correct copy of an email from Lt. Miller to the *Akron Beacon Journal*, dated Thursday, April 27, 2023, indicating there was no report for that day and “There were also no significant protest-related incidents last night.”

24. Attached as Exhibit J is a true and correct copy of the Akron Police Daily Report dated Friday, April 28, 2023. The report listed five arrests made during protest-related traffic stops.

25. The *Akron Beacon Journal* has not received a report from the Akron Police Department of any protest-related incidents since April 28, 2023

26. Attached as Exhibit K is a true and correct copy of the Akron Police Daily Report dated Monday, May 1, 2023. It reported that “There were no protest-related incidents over the weekend.”

27. Attached as Exhibit L is a true and correct copy of the Akron Police Daily Report dated Tuesday, May 2, 2023. It reported that “There were no protest-related incidents yesterday or last night.”

28. Beginning on May 3, 2023, the Akron Police Daily Report no longer contained a separate section dedicated to any protest-related activity.

29. Attached as Exhibit M is a true and correct copy of the City of Akron – 2022 American Rescue Plan Act Premium Pay Payments report that the Akron Mayor’s Office provided to the *Akron Beacon Journal* on November 16, 2022, and that identifies City of Akron employees who received premium pay payments in 2022.

FURTHER AFFIANT SAYETH NAUGHT.

Names of 4 police in Jayland Walker shooting shown unintentionally in Ohio AG presentation

Akron Beacon Journal

Published 9:04 p.m. ET April 17, 2023 | Updated 9:18 p.m. ET April 17, 2023

The names of four of the eight Akron officers who shot and killed Jayland Walker accidentally appeared Monday in a presentation by Ohio Attorney General Dave Yost.

The video recording of the press conference was no longer available on the Ohio Attorney General's Facebook page Monday night.

Akron police chief: Names of 8 officers who shot Jayland Walker won't be released

Yost said during the presentation, which laid out findings in the state's 10-month investigation, that it would be up to Akron Police Chief Steve Mylett as to whether any of the officers would be named now that a grand jury in Summit County has declined to charge them criminally. Two slides, however, contained names of four of the officers.

Screenshots name Akron police officers in Jayland Walker shooting

The slides include screenshots of footage from the four officers' body-worn cameras. The images capture the moments Walker sprang from his rolling vehicle while wearing a ski mask and the moment he turned toward police before being fired upon more than 90 times.

In the bottom right-hand corner of the still frame are the last names of four officers, which Mylett again said Monday the department is not releasing due to concerns for their safety after they received death threats.

Activists released eight names they claim to be the officers last fall.

Akron Police Department Public Information Office Daily Report

April 18, 2023

Protest-related incidents lead to approximately six arrests

Last night, around 7:40 p.m., officers became aware of a caravan of protesters and related vehicles, sometimes blocking traffic and committing a wide range of traffic violations, including driving reverse of traffic as the parade of cars moved about the city. At its peak, the caravan grew to over 60 vehicles, making it difficult for traffic to move at a normal flow. This created a risk to public safety and an undeniable concern for uninvolved citizens traveling in the area.

After the concern for public safety increased, officers were forced to begin making traffic stops throughout the city as the caravan traveled to what appeared to be targeted areas in West Akron, East Akron, and on S. Main Street. During several traffic stops, agitated subjects approached officers on foot while some yelled obscenities from a distance.

Around 8:40 p.m., a report of gunshots could be heard in the area of S. Main Street and E. Wilbeth Road. Officers reported seeing a large caravan of vehicles in this area; some cars were blocking traffic while others created disturbances and other safety hazards. At some point, a group of protesters arrived downtown and traveled back and forth from Main Street, where some unknown person or person set off fireworks before heading toward High Street and S. Broadway.

Lieutenant Michael A. Miller
Public Information Officer
Akron Police Department
(330) 212-7102
mamiller@akronohio.gov.

The hours-long ordeal ended just after midnight. After the dust settled, the incident resulted in approximately six arrests and numerous citations for traffic and equipment violations. During two traffic stops, at least two illegal handguns (23-42888) resulted in weapons charges.

A 30-year-old male was arrested and charged with Criminal Mischief for tampering with city-owned equipment on S. Hight Street. Additional charges for the subject arrested include open containers, possession of marijuana, and obstructing official business.

Akron Police Department Public Information Office Daily Report

April 24, 2023

Robbery,

On Friday night, around 11:30 p.m., officers responded to the South Street Drive Thru in the 400 block of E. South Street for a reported robbery. When the officers arrived, the caller, a 35-year-old manager, told them that an unknown male suspect had crawled through the drive-thru window. Once inside, the suspect reportedly held employees at gunpoint. The suspect took an undisclosed amount of cash from the register and fired gunshots before he fled on foot.

Officers canvassed the area while detectives processed the scene. The suspect was able to elude police.

Investigators are working to identify the suspect involved in the robbery.

Anyone with information is encouraged to call the Akron Police Department Detective Bureau at 330-375-2490 or 330-375-2Tip. Citizens may also provide anonymous information to any of the following:

Akron Police Department Public Information Office Daily Report

April 25, 2023

17-year-old shot, arrest made

Just after 5:00 p.m. yesterday, officers responded to a residence in the 600 block of W. Market Street for a shooting. When they arrived, they located a 17-year-old male inside an apartment with an apparent gunshot wound to the arm.

Police determined that the suspect shot the victim following an argument over money.

EMS arrived and transported the victim to Akron Children's Hospital, where he was treated for a non-life-threatening injury.

Additional officers flooded the area and began searching for the shooter, who had fled the scene before they arrived. While canvassing the area, officers developed information that traced the suspect to an apartment on Crosby Street. After surrounding the residence, the suspect jumped out of a window and led officers on a brief foot pursuit. The suspect, later identified as Imarri Wright, 19, was taken into custody without incident after hiding inside the St. Vincent Cemetery, located in the 500 block of W. Market Street.

Wright was arrested and booked into the Summit County Jail on Felonious Assault, Obstructing Official Business, and Having Weapons under Disability charges. He also was found to have an outstanding warrant for an unrelated offense.

(23-45424)

Protest-related incidents, reckless operation

Yesterday at approximately 6:10 p.m., officers observed several protesters on foot and a caravan of over a dozen vehicles traveling westbound on E. Tallmadge Avenue. During the procession, vehicles were seen driving recklessly, people hanging out of car windows, and blocking intersections. At one point, cars blocked the entire westbound travel lane on E. Tallmadge Avenue, creating an understandable hindrance to other motorists.

Lieutenant Michael A. Miller
Public Information Officer
Akron Police Department
(330) 212-7102
mamiller@akronohio.gov.

Six months ago, on October 6, 2022, two kids were killed while riding in and hanging outside a car window during a funeral procession on S. Arlington Street.

Based partly on the public safety concern, officers initiated a traffic stop on a Nissan Armada in the Circle K parking lot on the corner of N. Main Street and Tallmadge Avenue. While conducting the traffic stop, a blue vehicle driven by Elijah Hawkins, 26, entered the parking lot and began filming the officers. Moments earlier, Hawkins was also observed driving recklessly. At one point, he was observed operating the vehicle with an open door while standing up. Hawkins was arrested without incident. Officers recovered a loaded handgun inside the car he was driving.

Officers ultimately had to relocate two times after the initial traffic stop to avoid additional interference from protesters in the caravan. Frank Ragsdale, 40, who was leading the procession at various times, arrived where the officers relocated and reportedly blocked the egress of at least one marked police vehicle with his body, which delayed them from leaving. Ragsdale was ultimately arrested after he followed officers to a second location.

Ragsdale was charged with Obstructing Official Business and Disorderly Conduct and issued traffic citations for reckless operation before being transported to the Summit County Jail.

Hawkins was charged with Carrying Concealed Weapons, Weapons Under Disability, and having a Firearm in a Motor Vehicle. He was also issued several citations and later booked into Summit County Jail following his arrest.

The driver of the Nissan, a 35-year-old woman, and a passenger in her vehicle were issued a citation and released.

In all, three vehicles were towed.

Akron Police Department Public Information Office Daily Report

April 28, 2023

Motor Vehicle Crash, serious injury

Early this morning, at approximately 12:05 a.m., a motorcycle was traveling northbound on Manchester Road approaching Nesmith Lake Blvd. Moments later, the motorcycle attempted to pass a vehicle on the left and struck a concrete median, causing the operator to lose control. The motorcycle tipped on its side and slid several feet until stopping.

The 52-year-old male operator was taken to the Cleveland Clinic Akron General Medical Center with serious injuries. His injuries don't appear to be life-threatening.

The operator was wearing a helmet at the time of the crash.

Based on the preliminary findings, speed appears to be a contributing factor. It is unknown if drugs or alcohol played a role in the circumstances.

This crash remains under investigation.

(23-46826)

Protest related incidents

Last night, five people adults were arrested, and several citations were issued during protest-related traffic stops. A protest involving numerous adults and children, including a caravan of vehicles, formed briefly at the Reservoir Park on Hillside Terrace. After gathering, the protest group traveled down several streets before reaching the busy intersection of Six Corners on Brittain Road.

Once the caravan reached Brittain Road, there were several near accidents, in a few instances, almost head-on collisions, as uninvolved motorists were forced to drive around the crowd, narrowly missing people walking in the street.

Lieutenant Michael A. Miller
Public Information Officer
Akron Police Department
(330) 212-7102
mamiller@akronohio.gov.

Officers conducted traffic stops on Eastland Avenue, E. Exchange, and S Arlington Street. Citations were issued for various traffic (moving) violations, and those arrested were charged with Disorderly Conduct, Drug Paraphernalia, and Possession of Marijuana.

Homicide, previously reported on November 30, 2022, update

Detectives are investigating the death of a 38-year-old male who was shot and killed inside a residence in the 1300 block of Brandon Avenue. At approximately 7:08 p.m., officers responded to the shooting call and found the victim with an apparent gunshot wound. The victim was pronounced dead on the scene.

The Summit County Medical Examiner's Office will conduct an autopsy. The victim's name is being withheld pending identification and family notification.

The investigation is still in its early stages, and the exact circumstances are unknown.

Detectives are working diligently to gather additional information to help identify the suspect or suspects responsible for this senseless tragedy.

Update

On November 30, 2022, detectives responded to 1385 Brandon Avenue for a shooting. Joseph Hall was located inside the house with an apparent gunshot wound to his torso. Hall was pronounced on scene.

Early in the investigation, Suzanne Thomas was identified and determined to be involved in Thomas' death. Thomas was a girlfriend of Hall's, and they had been arguing throughout the evening over a car. Warrants were signed that evening for Thomas' arrest, but she was off the radar and was never captured.

The actual shooter in the incident, Darrell Lee Antwan Buchanan, was arrested on December 13, 2022, and has been incarcerated in the Summit County Jail since then.

On April 26, 2023, a woman's body was found dumped near a scrapyard in Canton Twp. Stark County Sheriff's Office responded. The woman has been identified as our suspect, Suzanne Thomas.

At this time, the cause of death is unknown. She was dumped where she was found. An autopsy is pending.

Discharging firearms

Early Saturday, at approximately 2:05 a.m., officers responded to the 100 block of Ira Avenue after residents reported hearing gunfire. When they arrived, they did not locate any shooting victims. They found two unoccupied vehicles and a nearby residence that were struck by bullets.

Several shell casings were recovered from the scene.

There are no known suspects at this time, and it is not clear who the intended target was.

Anyone with information is encouraged to call the Akron Police Department Detective Bureau at 330-375-2490 or 330-375-2Tip. Citizens may also provide anonymous information to any of the following:

Felonious Assault

On Saturday, at approximately 11:10 p.m., officers responded to the Exhale Hookah Lounge in the 500 block of E. Exchange Street after multiple gunshots rang out. They found three shooting victims inside and outside the establishment when they arrived.

The victims, all adult males between 20 and 41 years old, were transported to area hospitals for medical treatment. Their injuries are considered non-life-threatening.

Lieutenant Michael A. Miller
Public Information Officer
Akron Police Department
(330) 212-7102
mamiller@akronohio.gov.

Based on preliminary indications, an unknown suspect, described only as a taller, heavy-set male, fired multiple shots during an altercation.

Shell casings and other evidence were recovered from the scene.

Detectives are working to determine the circumstances surrounding the shooting while trying to identify the suspect involved in the incident.

The investigation is ongoing.

Anyone with information concerning this incident is encouraged to call the Akron Police Department Detective Bureau at 330-375-2490 or 330-375-2Tip. Citizens may also provide anonymous information to any of the following:

Akron Police Department Public Information Office Daily Report

May 2, 2023

Felonious Assault

Officers responded to a shooting yesterday just before 7:00 p.m. at Hart Steet and Factory Street. When they arrived, they found a 19-year-old male with an apparent gunshot wound to the chest. Shortly after arriving on the scene, officers received a second call of a male shot nearby. Additional officers responded to Duane Avenue and Lucy Street, where they found a 17-year-old male with a gunshot wound to his leg.

Officers administered emergency first aid to both subjects, including a chest seal and a tourniquet. Both subjects were transported to Summa Health Akron City Hospital and treated for non-life-threatening injuries.

During a scene search, officers recovered two handguns. Officers also found shell casings in the nearby intersection of Duane and Lucy and later discovered a house in the 1100 block of Duane was struck.

Based on preliminary findings, it appears that both subjects exchanged gunfire with one another during an altercation. Detectives are working to determine the circumstances surrounding the incident and what roles the subjects played.

The investigation is ongoing.

Anyone with information is encouraged to call the Akron Police Department Detective Bureau at 330-375-2490 or 330-375-2Tip. Citizens may also provide anonymous information to any of the following:

STATE OF OHIO :
: **ss. AFFIDAVIT OF JAMES RATERMAN**
COUNTY OF FRANKLIN :

I, James Raterman, being first duly sworn, depose and state of my personal knowledge as follows:

TRAINING, EXPERIENCE AND QUALIFICATIONS

1. I have more than 35 years of professional training and work experience in federal and state law enforcement.
2. I graduated with a bachelor of arts degree from The Ohio State University in 1987.
3. In 1988, I was hired as a Special Agent for the Ohio Bureau of Criminal Identification and Investigation (BCI&I) from 1988 to 1992. BCI&I (now known as the Bureau of Criminal Investigation) is also a part of the Ohio Attorney General’s office and functions as the state’s crime lab and criminal records keeper. It partners with local, state and federal law enforcement agencies across the state in providing investigative services. In my role with BCI&I,

I worked with federal, state and local law enforcement officials in planning and directing covert undercover felony investigations, including investigations of drug and organized crime operations in the state of Ohio.

4. As a BCI&I Special Agent I attended and graduated from the Ohio Peace Officers Training Academy in 1988. The Academy was established as a part of the Ohio Attorney General's office to provide basic, advanced, and technical training for peace officers in Ohio.

5. In 1992, I was recruited to become a Special Agent for the U.S. Secret Service (now part of the Department of Homeland Security) and served in that role until 1998. I continued to be based in Columbus, Ohio. I graduated from the United Secret Service Training and the Federal Law Enforcement Training Academies in 1993. This training included learning about the classification of federal investigative documents, including reports issued by the FBI, and the bases for and significance of different levels of classification of such documents.

6. As a Secret Service Special Agent, I coordinated and supervised all aspects of protection, including complex advance-site security surveys domestically and abroad for individuals under the physical protection of the United States Secret Service, including the President and Vice President of the United States, their families and visiting heads of State. These duties included investigating and assessing all threats directed toward these individuals under Secret Service protection or directed to the financial structure of the United States. I regularly worked with state and local law enforcement personnel throughout Ohio while working as a Secret Service Special Agent.

7. In this role I possessed top secret and sensitive compartmented information ("TS/SCI") clearance, and I routinely reviewed classified and non-classified information related to national security and protection matters to identify and assess risks and take security measures

related to any credible threats to the individuals under Secret Service protection. I also received annual mandatory refresher courses throughout my career as a federal law enforcement officer regarding understanding the levels of classification markings on federal investigative documents, including those issued by the FBI.

8. In 1998, I was recruited to join the U.S. Customs Service (now within the Department of Homeland Security) as a Special Agent handling transnational criminal investigations and remained in this role until 2000. I graduated from the U.S. Customs Service Academy in 1998. I served as a Special Agent working from Detroit, Michigan from 1998 – 2000.

9. In 2000, I was recruited to return to Columbus, Ohio and take on the position of Director of Corporate Security for the Longaberger Company. As Director of Security, I was responsible for all corporate security matters for the company, including directing the physical and site security of multiple corporate, manufacturing, distribution, retail and personal residences and also providing personal protection for the owners and their families during domestic and foreign travel.

10. Because I preferred working as a federal law enforcement officer, I returned to the U.S. Customs Service in 2001. I was assigned to a Joint Terrorism Task Force and located in Detroit, Michigan as a Special Agent from June of 2001 through 2003.

11. In 2003, the Department of Homeland Security was formed, to include the U.S. Secret Service and the U.S. Customs Service within its agency. At that time I was promoted to Senior Special Agent for the U.S. Department of Homeland Security Investigations, the main investigative arm of the Department, and served in that role until I retired in September, 2022. I worked as a Senior Special Agent for Homeland Security Investigations in Columbus, Ohio from 2003 – 2004 and again from 2007 – 2022. I worked in this same role in Detroit from 2004 – 2007.

While in this role, I developed and implemented post-9/11 strategic plans for national undercover operations to track terrorist financing.

12. I have testified extensively in both state and federal courts on behalf of the United States and/or the State of Ohio. My expertise includes threat detection and mitigation of threats of violence.

13. I currently teach, coach and mentor federal, state and local law enforcement officers in advanced areas of interview and interrogation, threat identification and mitigation, and other law enforcement skills. In 2011, I served as an instructor for the Ohio Peace Officers Training Academy and for Hocking Technical College in the subjects of terrorism, informants and surveillance.

14. I also own and am the President of a private security consulting company located in Columbus, Ohio – Safe Spaces Investigative and Security Solutions, LLC – and provide services to assess personal and physical safety environments for persons and businesses, including assessing and mitigating any emerging risks or threats. Such services include providing security assessments for school districts nationwide to identify and prevent threats and violence and mitigate risk.

15. Over the course of my career, I have received more than 25 awards for service excellence and have served as a spokesman for the Department of Homeland Security Investigations.

16. Throughout my career, including since my retirement, I have worked closely with local law enforcement officials across Ohio. During my career as a federal agent, I ran task forces that involved state and local law enforcement officers and maintained strong personal relationships with local police officials throughout the state with whom I consulted and who, in turn, consulted

with me. As an example, I set up a task force in Columbus, Ohio with state and local law enforcement designed to identify and arrest members of transnational criminal organizations operating in Columbus, Ohio for drug trafficking and other crimes. I routinely trained state and local law enforcement on how to create partnerships with the local communities to make these task forces more effective at reducing crime in the area.

17. I have been engaged as a testifying expert in this case and am being compensated at the rate of \$325.00 an hour. My stated opinions are expressly *not* contingent on my being paid to serve as an expert witness in this case.

18. The opinions which I am stating in this affidavit are based on my specialized knowledge, skill, experience, training and education, as outlined above and are based on reliable and accepted standards with which I am familiar in the law enforcement community.

19. I am familiar due to reading and/or hearing extensive news reporting of the events which occurred in June of 2022 when the Akron police used lethal force against Jayland Walker. In connection with stating my opinions, I have reviewed multiple news reports regarding Mr. Walker's shooting, the protests in Akron in July of 2022 and in April of 2023, and the Activity Alert as defined below.

THE FBI SITUATIONAL INFORMATION REPORT

20. In conjunction with this mandamus action, counsel to the *Akron Beacon Journal* has provided me with a Situational Information Report issued by the FBI on July 7, 2022, a copy of which is attached as Exhibit A (the "Activity Alert").

21. During my 30 years as a special agent for the United States Secret Service and for the Department of Homeland Security, I have reviewed countless alerts issued by the FBI and am very familiar with the procedures and significance of such reports.

22. As an initial matter, the heading at the top of the FBI Report indicates that it was an unclassified (U) situational information report issued following the Jayland Walker shooting and that the information came from an FBI source of information, relative to specific protest events planned in July, 2022 in Akron, Ohio. Because this Activity Alert is marked for “official use only” and “unclassified,” it would be considered one of the lowest level of FBI alerts that is issued.

23. The Activity Alert provides an activity alert as to a general non-specific threat that names no individual or group of individuals who were making such general threats during those protests in July 2022.

24. These types of FBI alerts/bulletins are very commonplace and routine given the nature of the Jayland Walker shooting incident and the resulting protests as well as many other protests across the country calling for police accountability and reform.

25. The Activity Alert is a situational report (as stated on its face) which relates almost exclusively to the protests that were taking place in Akron in July of 2022. This type of alert is common and is issued when a specific event – like the Walker protests in the summer of 2022 – has the potential of creating certain risks of threats.

26. Members of the law enforcement community would understand that the risk of violence and civil unrest may escalate during protests related to high profile officer-involved shooting incidents such as the Jayland Walker shooting.

27. In my opinion, it would be understood by law enforcement that this information was delivered related to the protests and would become stale following the conclusion of such protests or within a brief period of time afterward.

28. A higher level Activity Alert may be classified, and may identify a risk from identified individuals and/or groups, and would provide far more specific information than a

generalized threat. It is of note that For Official Use Only (FOUO) is a document designation, not a classification and is used by federal agencies to identify information or material which, although unclassified, may not be appropriate for public release.

29. Because the Activity Alert is 10 months old, it is, and would generally be considered by law enforcement to be stale information and intelligence at this time. For this reason alone, as an experienced law enforcement officer, I would not find the Activity Alert to be indicative of any current or credible risk of harm to anyone, including any of the officers who were involved in the Jayland Walker shooting in June, 2022.

30. As an example, no law enforcement officer would be able to use the Activity Alert to present to a court for purposes of securing a search or arrest warrant. Any court would find there is no probable cause to justify such a warrant based on the Activity Alert, because the information disclosed is generalized and is now out of date and of no investigative value 10 months after it was issued.

31. In my opinion as an experienced and highly-trained law enforcement officer, at this time, the vague and generalized unclassified information disclosed in the July 7, 2022 Activity Alert does not provide any indication of a current credible risk of physical harm or death to anyone including any of the police officers involved in the Jayland Walker shooting.

32. Nor does the 10-month-old Activity Alert indicate any prior or ongoing generalized risk to all officers in the Akron Police force that would have existed beyond the conclusion of the protests held in Akron in the summer of 2022.

DISCLOSING THE NAMES OF OFFICERS WHO USE LETHAL FORCE

33. I have been a member of the law enforcement community for 35 years. Except for six years when I was based in Detroit, working for Homeland Security, I have lived and worked in law enforcement in Columbus, Ohio.

34. Throughout my law enforcement career, I have paid close attention to events in (and outside of) Ohio involving both state and federal law enforcement officers, deputies, sheriffs, and police officers.

35. Over the course of my career, I have watched the heightened attention that the use of lethal force by local police officers has brought, both within the community in which the event has occurred, with the media, and sometimes beyond the community where the event occurred. I have also observed the evolution of approaches that local police officers have brought to dealing with such situations, and the resulting rise of greater and faster disclosures as to what actually happened in an incident as a means of defusing community tension.

36. I am unaware of any occasion during the last 35 years when any state or federal law enforcement officer in Ohio was physically injured or killed after the officer's name was disclosed as having used lethal force. If an officer had been injured or killed in retaliation after having been identified to the public as having used lethal force, I believe I would have been aware of such events. Therefore, to the best of my knowledge, such harm has not befallen any law enforcement officer in the state of Ohio at least during the past 35 years when I have been active in this community. This is not a suggestion that law enforcement and other public officials are not or have not been threatened. In fact, it does happen. When these threats are made, investigations are conducted, and arrests are made when appropriate.

37. Failing to follow recognized best practices in promptly identifying to the public officers who are involved in a fatal use of force events may create more risks for officers than being transparent. Such transparency reduces risk to officers by improving relationships with the community. Transparency can lead to and allows for discussion, can assist in building future relationships and invites trust among members of the law enforcement community and those who employ them. Transparency is a basis for understanding perspectives and allows for growth, change and healing. Transparency leads to the public’s additional willingness to further provide information and hold accountable those individuals that may attempt to operate outside of the law.

38. While there will be acts of violence against police officers and/or other public officials in the future, police officers already face these risks and threats on a daily basis in the course of carrying out their duties as a police officer. I know of no evidence in the law enforcement community that indicates that disclosing the name of an officer who was involved in the use of lethal force increases the risk of physical harm to such officer.

FURTHER AFFIANT SAYETH NAUGHT.

SITUATIONAL INFORMATION REPORT
FEDERAL BUREAU OF INVESTIGATION
Activity Alert
CLEVELAND DIVISION

Approved for Release: 07 July 2022

SIR Number: SIR-00349161821

(U//FOUO) Threats of Violence Against Akron Police Department Officers by Potential Violent Extremists, as of July 2022

SOURCE: (U) A collaborative source.

(U//FOUO) As of July 2022, potential violent extremists advocated for violence against police officers in retaliation for the officer-involved shooting incident of Jayland Walker on 27 June 2022 in Akron, Ohio. One group of potential violent extremists was encouraged to operate covertly in the crowd during protests in Akron, Ohio, conduct surveillance on law enforcement activities, and respond "accordingly" if a police officer mishandled or killed an African-American person. Other potential violent extremists active in "the streets" called specifically for violence against law enforcement, including putting a "bounty" on and killing any police officer.

(U) Potential criminality exhibited by certain members of a group(s) referenced herein does not negate nor is it a comment on the constitutional rights of the group itself or its members to exercise their rights under the First Amendment to the U.S. Constitution. The FBI does not investigate, collect, or maintain information on U.S. persons solely for the purpose of monitoring activities protected by the First Amendment.

(U) This report has been prepared by the CLEVELAND Division of the FBI. Comments and queries may be addressed to the CLEVELAND Division at (216) 522-1400.

(U) Warning: This is an information report, not finally evaluated intelligence. It is being shared for informational purposes but has not been fully evaluated, integrated with other information, interpreted or analyzed. Receiving agencies are requested not to take action based on this raw reporting without prior coordination with the FBI.

(U) Note: This product reflects the views of the CLEVELAND Division.
