How loss of school meal waivers may affect students

(Christopher Furlong/Getty Images)

School district officials in Ohio and Kentucky say the elimination of federal waivers for school meals would affect nutrition program operations and students' access to food. Lauren Moore, director of the Division of School and Community Nutrition at the Kentucky Department of Education, says the waivers

have allowed much-needed flexibility for schools to change the way meals are served and swap out some food items. **Full**

SCHOOL UPDATE

Staffing shortage affects foodservice in Utah district

School nutrition professionals in the Salt Lake City School District say they have cut back on menu items that take longer to prepare and reduced the number of lunch lines because of staffing shortages. Officials say the situation has led to longer lines, with students sometimes waiting as long as 20 minutes. **Full Story:** [KUER-FM \(Salt Lake City\)](#) (4/4)

TRENDS & RESEARCH

Some states consider later school start times

A California law that passed in 2019 made the state the first to require that high schools do not start before 8:30 a.m., and now several other states and school districts are considering following suit. The push comes as schools look for ways to support students' mental health. **Full Story:** [ABC News](#) (4/3)

■ Spike in cases prompts 2 N.J. schools to resume mask mandates

Nominate YOUR #SchoolLunchHero Today!

School Lunch Hero Day is May 6th. Nominate your district's **#SchoolLunchHero** in the **Cool School Cafe Interactive Resource Center**, and he/she could receive a combination of these ever-deserving employee recognition items! ¹

Thank you for your commitment to school nutrition.

Cool School Heroes Reward Items

Ready to redeem Cool School Points for these items and more? [Shop now!](#)

How It Works

1. Visit the CoolSchoolCafe.com Exhibit Hall

[Take Me There Now](#)

2. Share a real #SchoolLunchHero story in our Networking Lounge about a peer in your district deserving of praise.

3. Check out virtual Member Manufacturer booths for product info, promotions, recipes, and more!

Follow us!

1. Nominations must be posted by Friday, April 15th. Cool School Cafe will randomly select three districts to 1) receive employee recognition items and 2) be featured in May e-Newsletter and social media. The nomination must include district and employee name. Selected districts will be notified via email and/or phone. Please allow 4-6 weeks for fulfillment. No purchase necessary to enter, offer subject to change. Cool School Cafe® is a registered trademark of RealTime Solutions, LLC. Program participation authorizes Cool School Cafe to receive (on behalf of the operation) distributor usage information for qualifying purchases and subsequent points accrual. Subject: Mashup Math Resources Update! Week of April 11th ☐

CAUTION: This email originated from outside of the OLSO mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Membership Update: Week of April 11th, 2022

Hi Melanie,

This email is your quick update and summary of all of the new math resources that have been added to [your membership dashboard](#) this week.

Featured Content

► **Quote of the Week:** ☐

With good math skills, you'll have wonderful opportunities, and if you don't have good math skills, there are just so many things that you won't be able to do. -Marcus du Sautoy

► **Math Joke of the Week:** ☐

[Fighting for possession of C squared...](#)

► **Post of the Week:**

[A Practical Guide to Planning for Intentional Differentiation](#)

By considering what students need to know, their interests, and how learning will be assessed, teachers can differentiate assignments.

► **Featured Holiday:** Grilled Cheese Day! (April 12th) ☐

[Visit your member dashboard to check them out!](#)

► **MEMBER DASHBOARD LATEST UPDATES!**

✦ **New Holiday-Themed Puzzles Now Available!**

We have recently added new holiday-themed puzzles to your activity calendar for Grilled Cheese Day (April 12th), Garlic Day (April 19th), Earth Day (April 22nd), and Super Hero Day (April 28th).

✦ **New Worksheets are Coming!**

You asked and we listened! We are currently in the process of completely revamping our K-8 math worksheet library and we will be making hundreds of brand new Mashup Math pdf worksheets with answer keys available on your member dashboard. Look out for library updates 2-3 times per week!

Please feel free to respond to this email if you ever have any questions, concerns, ideas, or feedback.

Courtesy Reminder: Your monthly, bi-annual, or annual membership account will automatically renew on your original payment date unless you cancel your account in advance. You can easily [check your renewal date](#) and/or [cancel your account](#) via the *Your Account* tab at the bottom of [your member dashboard](#).

Hello Families,

I think we are having all seasons in one weekend! I hope you get to enjoy the sunshine today. Here is the link to [Smith Ranch #27](#). Please look closely at the daily themes to support our military families for Purple Up Week. They are asking for a \$1 donation to wear hats tomorrow for dress like your hero day. (Please do not let them come wearing a mask.)

We will be completing spring assessments in the next couple weeks. Please continue reading at home nightly for 15 minutes. This does really help them. I can't wait to see all of the growth they have made this year.

As spring sports begin to pick up, please send me a copy of your student's schedule if they would like me to come watch (especially if I missed seeing them in the fall).

Please let me know if you have any questions or concerns. Thank you for all your support at home.

~Heather

Olentangy Food Service,

I wanted to take this opportunity to express my gratitude for each of you on School Lunch Hero Day! I appreciate the dedication, hard work, positive attitude, and smiles each of you display day in and day out as you serve our customers. These past two years have been a challenge as you all have navigated emergency feeding, supply chain issues, staffing shortages and alternative meal services, but because of your dedication and passion for our customers you continue to find ways to serve them.

Thank you and I hope to see you all at our End of the Year Celebration on Thursday, May 12th at Orange Middle School, see flyer attached.

Have a wonderful weekend and for all the mothers, Happy Mother's Day!!!

CAUTION: This email originated from outside of the OLSD mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Just my two cents as a parent of a son who wears his underwear to bed and doesn't own pj's... is pj day the only option ever, voted or not it's always pj?!? Hat day, super hero day, mix match day, blue day, I mean anything besides pj day?!?! Then add in the thought of my kid bringing their stuffed animals and blankets to school makes my skin crawl with the thought of them being on the floor, passed around etc. Again my opinion and another party that FERPA cant necessarily participate in because well I think it would be inappropriate to send him in his underwear 🙄☐☐

FERPA

On Apr 11, 2022, at 2:30 PM, allison_babbert <allison_babbert@olsd.us> wrote:

We have earned another class "party" for tomorrow. We have brainstormed and voted for what the class would like. Tomorrow we will have pj day with ONE stuffy and ONE blanket. We talked about how THEY have to carry it and bring it in on their own! Parents are not responsible for carrying, dropping off or picking up any of the things they want. It shouldn't be too many...ONE stuffy if they want, and one blanket if they want! I did say they were allowed to wear slippers but they MUST WEAR SHOES to school!

Thanks so much and if you have any questions, please let me know!

YAY for good behavior and working well! ☐

Thanks! I was looking for something fun to do tomorrow at the morning meeting...tomorrow is also National Only Child Day!

Today is also...

» **Grilled Cheese Day (April 12th)**

April 12th is an extra special day for cheese lovers: it's National Grilled Cheese Day! This fun holiday celebrates one of the most popular comfort foods in the world. In fact, historians believe that cultures around the world have been eating cooked bread with melted cheese since ancient times. You can celebrate at home by making your own grilled cheese sandwich—and you can celebrate in your classroom by sharing some fun grilled cheese-themed math activities with your students this week!

And in honor of grilled cheese day, try this... with clock partner 2

GRILLED CHEESE DAY!

 ×  = 

 = 4 × 4

 +  = 

 =  ÷ 4

 +  +  +  = ?

Subject: Manager Meeting Update

Hello Team!

Below are the highlights of yesterday's high school manager meeting:

- Sampled individual pizza's intended to replace smart mouth and give us an additional pizza option.. These are doughs that would be placed on a tray (8 per tray), proofed, topped and then baked in the standard oven. While the taste, and texture were very good, these are 4" rounds and the appearance was more elementary than high school. I expressed my concern on 8/tray (like Big Daddy) and the additional labor needed to top these pies. I recommended these DO NOT GET MENUED but allow managers to purchase as a "filler" pizza when labor is not an issue. Decision TBA in August.
- There is a new bill that is trying to gain momentum/approval for additional funding for school food service programs (ie: waivers to allow meals to be free). It's unclear if the bill will even make through all the political steps needed to be eligible for votes/passing.
- Lengthy discussion on menu planning for next year. Mon, Tue, Wed, and most of Thursdays were agreed upon. Fridays are still under discussion.
 - Taquito's are being discontinued
 - Chicken Potstickers are now available 6= 2MT/2 GR - these are a fussy cook and a lengthy serve (b/c you must count out 6 each time) but they are delicious. □
- All pizza vendor contracts are up this year. These contracts will go out for bid this summer. We will not know how many delivery days we will have until July'ish.
- Frito Lay has a few snack racks. Bethay asked all buildings to evaluate their snack racks. Cashiers, please let me know if we have any wonky/broken snack racks you'd like replaced.
- Annual Health Department License is now updated/posted. This is on the office window.
- Reminder, employee intent letters from Bethany due April 22
- National Lunch Hero Day - May 6th

Side Note: The 5-hour position will be announced shortly. We are working through some timing/staffing issues.

Please let me know if you have any questions or concerns. Thank you all for your continued patience, grace, hard work and teamwork. We are so close to the end of the year, let's finish strong.

Warmly,

CHRISTINE SWENSON

5

There are 5 sweet-and-sour citrus recipes for you to try in this month's issue of *SN Magazine*. Serving [Orange Chicken Grab-n-Go Salad](#) or [Honey Lime Fajitas](#) can promote the taste of citrus fruits among your students! Read more in April's "[The Enduring A-Peel of Citrus Fruits](#)."

New School Nutrition Waivers Bill Introduced

U.S. Representative Jackie Walorski (R-IN) introduced [H.R. 7373](#), the Securing Nutrition for American Communities and Kids (SNACK) Act, on April 1, 2022. The SNACK Act extends certain waivers for school nutrition programs continuing to struggle with supply chain disruptions.

Interested in receiving a weekly update on the latest federal and state policy news on school nutrition? Subscribe to [Tuesday Morning](#).

Join Us Next Webinar Wednesday

On April 20, at 3 p.m. EST, SNA's DEI series presents, "[Powerful Partnerships: Advancing the Cultural Connection](#)."

What to Expect?

- Gain a deeper understanding of cultural humility and how it can move us to grow engagement
- Learn how to deepen interpersonal or team communication
- Learn how to achieve greater results each day by fostering connection and cultural value as an inclusive leader to make everyone feel like they belong

This workshop is part of SNA's Diversity, Equity and Inclusion series, made possible with support from TITAN-a LINQ solution.

Anonymous Volunteers Needed!

SNA and No Kid Hungry are partnering to better understand how school nutrition professionals, industry members, and state agency staff are negotiating the supply chain crisis. We are gathering experts from around the country to:

- Discuss supply chain issues
- Share their knowledge during hour-long listening sessions

For the success of this project, we need an hour of your time and your expertise. If you can join us, [complete this short form](#) to provide us some information about you and your availability to participate in listening sessions. [Volunteer Today](#)

Good morning. School Lunch Hero Day is rapidly approaching. I am not above asking for recognition for my ladies. They have RoCkEd it this year. Same as you--it's been challenging, it's been exhausting, it's been rewarding. I saw a poster in the hallway someone made for Tim Hawk.... it is awesome! Maybe a poster? Maybe notes from your students?

Thank you so much for considering us. Have a fabulous weekend!

CAUTION: This email originated from outside of the OLSD mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Countdown to School Lunch Hero Day!

Dear Michele,

[School Lunch Hero Day](#) is just under a month away! Make **Friday, May 6**, an extra-special celebration this year to recognize the heroic efforts of school nutrition professionals across the country as they continue to do whatever it takes to feed America's kids.

Click [here](#) to access:

- [The artwork](#)
- [A sample press release](#)
- [Printable thank-you cards](#)
- [Social shareables](#)
- [Great celebration ideas](#)

Don't let time get away from you—start organizing your SLHD plans now and lead school-wide efforts to show your team just how much their hard work and unflagging spirit are valued. Here are three fundamental strategies to build upon:

- **Talk to district administrators and community officials now** and ask them to officially proclaim May 6, 2022, as School Lunch Hero Day. SNA's website offers a sample proclamation and press release designed to help you get the word out to the community, including local media.
- **Develop social media tools to spotlight the school nutrition professionals on your team.** Resources such as [the Canva app](#) make it incredibly simple to create eye-catching graphics that highlight each member of the team, and you can then download them to share online, on menus, as part of cafeteria displays and in newsletters.
- **Encourage community support.** Be sure that principals, teachers and parents all know about SLHD in advance. Point them to themed activity sheets and cards that are available

Dear BETHANY,

It's Springtime, I hope many of you got to enjoy a break and some time off to recharge, it is well deserved.

Washington DC is still struggling to get a waiver in place to support the rising costs of everything needed to serve our children. There have been a few new bills introduced ([SNA Action Network](#)) trying to get us there, that's where you come in. Sign up for the SNA action alert if you haven't already. It's critical that we all do our part.

Supply chain situations still exist with many companies, but most have realigned themselves to produce fewer items, and have stronger inventory positions.

It's very important that when doing your bid, you show quantities that are realistic based on your participation. Communicate and forecast what you will need for back to school. Take charge by committing to your vendor's actual quantities, the more detailed the information, the better it will be.

The KeyImpact [K12 Sales Team](#) stands ready to assist, whatever the need may be. We are all looking forward to seeing you at your state conference, ACDA, and in Orlando at the Annual Convention.

Thanks for all you do every day!!

Good afternoon.

Our district is looking to possibly add a videographer/photographer - obviously, the scope of the position would be to capture events, school happenings, stream meetings/presentations, etc.

I would appreciate any insight from districts who have someone on staff that handles these responsibilities: job description, the pros and cons, cost, equipment that is needed, etc.

Thank you!

Hi Jena,

For the official recognition days, weeks or months, we publicly recognize the staff group through social media posts and a shout out in our staff newsletter.

Then, in the spring, we host our own employee appreciation week. During this week, PTO groups bring in treats for their school, we have daily raffles, there is a small gift for each employee, we recognize retirees and staff reaching 5-year milestones (5, 10, 15, 20, etc. years in our district) and, this year, we are releasing a special employee video.

We used to do the retiree recognition and anniversary pins at a banquet, but that went away with the pandemic and likely will not return. We added an end-of-year picnic for all staff instead.

Good morning. Last year and this year, all employees will receive three decorated sugar cookies displayed in a cute box. Last year the design was an apple, our logo, and a lined paper saying "thank you". This year we will do a ruler "you rule", a heart decorated like a chalkboard/desk that says "thank you" and a pencil. All our employees receive the same item personally delivered by the superintendent, board members, assistant superintendent, as well as the Administrator at their respective site.

Hello!

Here in Volusia County we have 2 district photographers. They make somewhere in the mid 40's. I highly recommend looking at recruiting a photographer from one of your local tv stations. They are hard-working and fast-paced, and typically are very thankful to be covering "Happy News!"
I hope that helps.

[Jennifer Raddatz](#)

Hi Patty,

Our district is small. One school, less than 500 students. I am the Community Ed Director and social media guru for the district. I also have a professional photography studio on our town's main street and have been in business since 2013. So, the school is really getting a deal ;) I do use my pro camera at times for the school for video projects, but most of the time, I use my phone. Because, I'm not paid as a photography professional and I feel there is a line there. However, I do use my editing and videography software most of the time. Pro equipment is very expensive so it would definitely depend on what your budget is and what your goals are.

From: Maddie Coe

Subject: Principal Onboarding

Prior to each school year or if someone new comes in midyear, I give our principals and directors an updated Communications Binder (a physical tabbed binder and a digital version via a Google Drive folder) that includes our procedures and expectations, most of which are outlined in our Communications Handbook. I've found this to be helpful, as it ensures everyone receives the same information and knows what is expected of them, and it provides them with resources that they can reference throughout the year.

Subject: School Lunch Hero Day 5/6

Good morning. School Lunch Hero Day is rapidly approaching. I am not above asking for recognition for my ladies. They have RoCkEd it this year. Same as you--it's been challenging, it's been exhausting, it's been rewarding. I saw a poster in the hallway someone made for Tim Hawk.... it is awesome! Maybe a poster? Maybe notes from your students?

Thank you so much for considering us. Have a fabulous weekend!

Register for a Free Virtual Farm Tour

The American Dairy Association Mideast invites you to join us for a live video tour of an [Ohio dairy farm](#) May 6th at 10:30 am! Using just your computer and speakers, your class will get a peek into the barns to see real dairy cows, the milking process and more as students learn first-hand how dairy farmers care for their cows and the land to produce delicious dairy foods. During the tour, your class will be able to send questions to the dairy farmer to be answered live!

Registering and participating in this free tour is easy! Fill out [this registration form](#) before the tour to register your class. On the day of the tour, simply click the link you'll receive in your confirmation email to join the tour, sit back and enjoy!

[Register Now](#)

How Dairy Farmers Protect the Environment

[Earth Day](#) is tomorrow, but dairy farmers know how important it is to be good stewards of the land every day. Find out how [dairy farmers are making more progress](#) on their own farms – from [recycling](#) and reducing greenhouse gas emissions to [using less water](#) and improving soil health – to work toward a greener planet.

Due to innovative farming and feed practices, a gallon of milk in 2017 required 30% less water, 21% less land and 19% smaller carbon footprint than in 2007. But dairy farmers understand there's more to do, that's why the dairy community is working to achieve [greenhouse gas neutrality and more](#) by 2050.

Easy Steps to Reduce Food Waste

Did you know the average American family throws away 30-40% of the food they buy? When we waste food, we also waste the resources needed to grow, harvest, package and transport it — and that's food that could help feed families. [See what easy steps you can take](#) to save food and [prevent food waste](#) this Earth Month. Making sure to [store dairy foods](#) at the right temperature and knowing how to properly freeze extra or leftover dairy are just some of the [ways you get the most out of these foods](#) — and cut down on waste.

[Learn More](#)

School Lunch Hero Day

On behalf of dairy farmers, we want to give a special shoutout to the amazing school nutrition professionals in Ohio and West Virginia ahead of [School Lunch Hero Day](#)! On May 6th, we celebrate the heroic efforts of school nutrition professionals across the country as they continue to do whatever it takes to feed America's kids. Thank you for the hard work that you do every day!

Subject: Next Week and Camp Skeeter!!

CAUTION: This email originated from outside of the OLSD mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Families,

We have some special events next week:

* Wednesday we get to tour the 2nd Grade Wax Museum dress rehearsal! This is a good chance for the students to see one of the big projects they'll work on next year.

* Thursday is **Super Hero Day** (costumes encouraged) and **Miss Sohr's "Send-off!"**

* Friday is our **FIELD TRIP!!**

Coming up....

As you know, during the last week of school, the first graders will be having **Camp Skeeter**. This is a pretend summer camp that we will be doing at school. It is a fun way for us to explore nature. There is still time to sign up to be a presenter! Just use this [link](#).

T-SHIRTS

We will be ordering camp **t-shirts** for anyone who is interested. This year we are doing different colors for each class. To order a shirt for your child you will need to follow this [tshirt link](#). When ordering, please make sure to choose your child's teacher's name to ensure you order the correct color. T-shirts are optional, not required. They will be delivered to school and sent home right before the beginning of camp. The Online T-shirt store will close on May 1.

SECRET LETTERS

We also need you to keep a **secret!** As part of camp, we will be having a daily mail call. It is our hope that **every child will get a letter, every day**. Here's where you come in! We are hoping that you will **PLEASE** take time and write at least **5 letters** to your child! The letters are a secret and can be from various family members, or even your family pet. They should tell your child what your family is doing while they are "away at camp". Please be creative and remember to **PRINT** (no cursive)! Please put each letter in an envelope, and place the letter envelopes in the big tan envelope provided. If you would like them passed out on a special day- please indicate on the envelope what day they are for (ex: day 1, day 2, etc....). We need all letters turned in by **Monday, May 16**.

Thank you so much for all of your help! It will really mean a lot to your child!!!!

Adina, when I translate the links don't work. This one is in Portuguese:

Queridas famílias,

Temos alguns eventos especiais na próxima semana:

* Quarta-feira vamos visitar o ensaio geral do Museu de Cera da 2ª Série! Esta é uma boa chance para os alunos verem um dos grandes projetos em que trabalharão no próximo ano.

* Quinta-feira é o Dia do Super-Herói (fantasias incentivadas) e o "Envio!

*Sexta-feira é nossa VIAGEM DE CAMPO!!

Chegando....

Como você sabe, durante a última semana de aula, os alunos da primeira série terão o acampamento Skeeter. Este é um acampamento de verão que vamos fazer na escola. É uma maneira divertida de explorar a natureza. Ainda dá tempo de se inscrever para ser um apresentador! Basta usar este link.

CAMISETAS

Estaremos encomendando camisetas do acampamento para quem estiver interessado. Este ano estamos fazendo cores diferentes para cada classe. Para encomendar uma camiseta para seu filho, você precisará seguir este link de camiseta. Ao fazer o pedido, certifique-se de escolher o nome do professor do seu filho para garantir que você peça a cor correta. As camisetas são opcionais, não obrigatórias. Eles serão entregues na escola e enviados para casa logo antes do início do acampamento. A loja de camisetas online fechará em 1º de maio.

CARTAS SECRETAS

Também precisamos que você guarde um segredo! Como parte do acampamento, teremos uma ligação diária pelo correio. É nossa esperança que cada criança receba uma carta, todos os dias. Aqui você entra! Esperamos que você, POR FAVOR, reserve um tempo e escreva pelo menos 5 cartas para seu filho! As cartas são um segredo e podem ser de vários membros da família, ou até mesmo do seu animal de estimação. Eles devem dizer ao seu filho o que sua família está fazendo enquanto eles estão "no acampamento". Por favor, seja criativo e lembre-se de IMPRIMIR (sem letra cursiva)! Por favor, coloque cada carta em um envelope e coloque os envelopes de carta no grande envelope marrom fornecido. Se você gostaria que eles desmaiassem em um dia especial, indique no envelope para que dia eles são (ex: dia 1, dia 2, etc.). Precisamos de todas as cartas entregues até segunda-feira, 16 de maio.

Muito obrigado por toda a sua ajuda! Vai significar muito para o seu filho!!!!

We have some special events next week:

* Wednesday we get to tour the 2nd Grade Wax Museum dress rehearsal! This is a good chance for the students to see one of the big projects they'll work on next year.

* Thursday is **Super Hero Day** (costumes encouraged) and **Miss Sohr's "Send-off!"**

* Friday is our **FIELD TRIP!**

Coming up....

As you know, during the last week of school, the first graders will be having **Camp Skeeter**. This is a pretend summer camp that we will be doing at school. It is a fun way for us to explore nature. There is still time to sign up to be a presenter! Just use this [link](#).

T-SHIRTS

We will be ordering camp **t-shirts** for anyone who is interested. This year we are doing different colors for each class. To order a shirt for your child you will need to follow this [tshirt link](#). When ordering, please make sure to choose your child's teacher's name to ensure you order the correct color. T-shirts are optional, not required. They will be delivered to school and sent home right before the beginning of camp. The Online T-shirt store will close on May 1.

SECRET LETTERS

We also need you to keep a **secret!** As part of camp, we will be having a daily mail call. It is our hope that **every child will get a letter, every day**. Here's where you come in! We are hoping that you will **PLEASE** take time and write at least **5** letters to your child! The letters are a secret and can be from various family members, or even your family pet. They should tell your child what your family is doing while they are "away at camp". Please be creative and remember to **PRINT** (no cursive)! Please put each letter in an envelope, and place the letter envelopes in the big tan envelope provided. If you would like them passed out on a special day- please indicate on the envelope what day they are for (ex: day 1, day 2, etc....). We need all letters turned in by **Monday, May 16**.

Thank you so much for all of your help! It will really mean a lot to your child!!!!

Spanish:

Queridas familias,

Tenemos algunos eventos especiales la próxima semana:

* ¡El miércoles podemos recorrer el ensayo general del Museo de Cera de 2do Grado! Esta es una buena oportunidad para que los estudiantes vean uno de los grandes proyectos en los que trabajarán el próximo año.

* El jueves es el Día del Superhéroe (se recomiendan disfraces) y la despedida de Miss Sohr!

* El viernes es nuestro VIAJE DE CAMPO!!

Subiendo....

Como saben, durante la última semana de clases, los alumnos de primer grado tendrán Camp Skeeter. Este es un campamento de verano simulado que haremos en la escuela. Es una forma divertida de explorar la naturaleza. ¡Aún estás a tiempo de inscribirte para ser presentador! Solo usa este enlace.

CAMISETAS

Estaremos ordenando camisetas del campamento para cualquier persona interesada. Este año estamos haciendo diferentes colores para cada clase. Para pedir una camiseta para su hijo, deberá seguir este enlace de camiseta. Al realizar el pedido, asegúrese de elegir el nombre del maestro de su hijo para asegurarse de pedir el color correcto. Las camisetas son opcionales, no obligatorias. Serán entregados a la escuela y enviados a casa justo antes del comienzo del campamento. La tienda de camisetas en línea cerrará el 1 de mayo.

CARTAS SECRETAS

¡También necesitamos que guardes un secreto! Como parte del campamento, tendremos una llamada de correo diaria. Esperamos que todos los niños reciban una carta todos los días. ¡Aquí es donde entras tú! ¡Esperamos que POR FAVOR se tome el tiempo y escriba al menos 5 cartas a su hijo! Las cartas son un secreto y pueden ser de varios miembros de la familia o incluso de la mascota de la familia. Deben decirle a su hijo lo que está haciendo su familia mientras están "en el campamento". ¡Sea creativo y recuerde IMPRIMIR (sin letra cursiva)! Coloque cada carta en un sobre y coloque los sobres de las cartas en el sobre marrón grande proporcionado. Si desea que se desmayen en un día especial, indique en el sobre para qué día son (por ejemplo, día 1, día 2, etc.). Necesitamos que todas las cartas se entreguen antes del lunes 16 de mayo.

¡Muchas gracias por toda su ayuda! ¡Realmente significará mucho para su hijo!

FERPA

Subject: This week

Hi! I can't believe how quickly the school year is coming to a close!

This week on Thursday we are going to be celebrating Super Hero Day. The kids are welcome to come to school dressed in a Super Hero shirt or costume. No accessories please! On Friday we will be going on our field trip to the Franklin Park Conservatory. It should be a lot of fun!

These last few weeks are going to be a lot of us finishing up loose ends. In Theme we are going to learn about the power of the sun & do a few science experiments. In Math we are going to finish up time by learning about time to the 1/2 hour. When that is done we are going to review some of the topics covered this year. Especially addition and subtraction. In Writing we are going to do some fun writing and even try our hand at story writing. We are going to continue doing reading groups for the next 2 weeks before doing final assessments.

The last week and 1/2 of school is going to be Camp Skeeter. It is our pretend summer camp. It is the best way to end the year! We learn but have so much fun doing it.

This week's helpers:

FERPA

This week's specials:

Monday & Tuesday: Art , Wednesday: Music, Thursday: PE & Friday: Library

Save the Date: Our end of the year party is on Wednesday, May 25 from 1:30-2:15 If you can help supply items, please use the sign up below:

<https://www.signupgenius.com/go/20F0444ABAF22A5F58-endofthe>

End of the Year Party

The end of the school year is quickly approaching. We are going to have one last horrah before it is through. Our end of the year party will be on Wednesday, May 25. It will be from 1:30-2:15 in front of the school in the grassy area by the flag pole. You are all welcome to come and join us!

TOP STORY

End of USDA waivers would alter summer meals in Ind.

(John Moore/Getty Images)

Expiration of federal school meal waivers would affect summer foodservice in Indiana school districts.

These modifications include requiring students to eat meals at the feeding site, rather than being able to take meals to go, and Christine Clarahan, director of food and nutrition services for the School City of Hammond, says she plans to offer such things as games and other activities. **Full Story:** [The Times of Northwest Indiana \(Munster\)](#) (4/24)

NUTRITION & WELLNESS

RDNs: Salmon is rich in protein, omega-3 fatty acids

(Pixabay)

Registered dietitian nutritionist Bonnie Taub-Dix says salmon contains about as much protein as meat and is a good source for other nutrients, including choline, which is linked to brain health. RDN Dawn Jackson Blatner says salmon may be best known for its omega-3 fatty acids, which are linked to cardiovascular health. Taub-Dix says canned salmon has the same nutrition benefits as fresh or frozen and may be a more budget-friendly option. **Full Story:**

TRENDS & RESEARCH

Fauci: COVID-19 vaccine for younger kids may be authorized in June

National Institute of Allergy and Infectious Diseases Director Anthony Fauci said authorization of a COVID-19 vaccine for children younger than 5 may not happen until June as vaccine makers Pfizer and Moderna are developing slightly different vaccines, which need more scrutiny. Fauci said Pfizer plans to develop a two-dose vaccine regimen for young children, but the emergence of the more infectious Omicron variant suggests children may "need three doses of a vaccine to really get good protection." **Full**

Subject: Re: Secretary's Day Wednesday

I will share this with my team. I do want to touch base with you as the social committee spoke with both Brandy and PTO regarding the staff appreciation in May being "Teacher Appreciation" as in the past we celebrated everybody's day with the exception of our own. Social Committee (representing the staff) chose not to do these days as our May appreciation is for the entire staff not just teachers. Given this point, we, as social committee representing teachers have not celebrated any other days with the exception of custodial day and lunch hero day as they do not get the time to come to staff appreciation. We are open to further conversation regarding this for next year.

Subject: Secretary's Day Wednesday

Hello All,

As you may know Administrative Professional's day is on Wednesday. I plan to stay after school (until 4:30) on Tuesday to decorate the office to surprise Kathy and Rachel! If your team would like to help decorate, make a sign with your students, or anything else that would be awesome.

I randomly chose someone from each team (you were the lucky one:) Please communicate this to your team and feel free to forward this on to others.

Dear Readers,

Welcome to School & Library Spotlight—*Publishers Weekly's* twice-monthly e-newsletter dedicated to inspiring and informing children's librarians, teachers, and educators like you! In each issue, we bring you in-depth coverage of timely topics such as literacy tools and initiatives, advocacy efforts, professional development events, and insight from experts in the field, as well as curated book lists, reviews, and interviews with authors and illustrators who have special connections to the classroom.

You can check out a few sample stories from our latest issue below, featuring our close-up on picture book pioneer Randolph Caldecott's life and legacy, which is kept alive by a group of passionate librarians in St. Augustine, Florida; books for celebrating the spring season; an interview with scientist, TV host, and author Emily Calandrelli on getting kids curious about STEM; and much more. We hope you'll find plenty of engaging and relevant content for you and your communities.

Follow us on [Twitter](#) and [Instagram](#) for more great stories, and be sure to [get in touch](#) with any feedback!

All best,

Emma Kantor

Celebrate the superheroes at your school on May 6th, for School Lunch Hero Day! Our easy-to-serve treats help make prep easier while providing students with a snack they'll love!

Plus, we have free posters available for you to download and promote this special day!

Thank you for all of the hard work that you and your team put in, day after day, to make school lunches an enjoyable and successful part of the day!

Subject: School Lunch Hero Day

Happy Thursday! |

Next Friday, 5/6, is School Lunch Hero Day! There is a banner on Kirsti's bulletin board right next to the gym entrance that is super cute (thanks so Shannon Donovan and her banner-making skills) with a picture of a lunch tray on it. Please feel free to sign it (kids can sign too!!) at some point between now and next Friday. There will be markers available near the banner.

Have a great day!!!

+ claim your *special* Hero Day offer (today only!)

Today is National...

Hero Day or Superhero Day is a day to honor the everyday superheroes in our lives. Caregivers, educators, mental health professionals - we're talking about you all!

To honor and celebrate the heroic figures or individuals who inspire us in our daily lives (real or imaginary), join us in a simple and fun **Hero Day Visualization Activity** for you and your students.

This mindfulness practice will be 2-5 minutes long. Come to lying in Legs up the Chair or Forward Fold at the Desk. You can keep your eyes open or close your eyes, whichever is most comfortable for you.

When you are ready, simply press play and listen along!

[Download the Instructions](#)

Thank you for practicing with us!

Today Only
Hero Day Special Offer!

For a limited-time only, get any Children's Hero Day Tee for only \$12 (up to 25% off!)

AND that's not all!

To show our appreciation to all of our superheroes out there, we are throwing in a little gift with each Hero Day purchase.*

This limited edition tee for the kiddos is inspired by our "Hero Day" visualization. The fun illustration will inspire your aspiring little hero to embody all the best qualities of someone they admire. Perfect for running circles around the couch, baking cookies with mom, and taking long afternoon naps. This is the perfect gift to put a smile on your children's face!

CAUTION: This email originated from outside of the OLSD mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Are Your Students Ready for a Challenge? ☐☐

Hi ,

Did you know that today, April 28th, is [National Super Hero Day](#)?

And if you want to celebrate Super Hero Day at home or in your classroom, then go ahead and share today's **Spider-Man-Themed 'Which One Doesn't Belong?' (WODB)** math warm-up/cool-down activities this week—they are perfect for students in grades K-8 and are great for warm-ups, transitions, and exit tickets.

If you're not familiar with how to use 'Which One Doesn't Belong?' (WODB) activities and why they are amazing for boosting student engagement in the math classroom, [click here to learn everything you need to know](#).

I started sharing WODB activities with my students because I was struggling to find ways to get all of my students engaged, especially those who struggle with mathematics and are reluctant to participate.

The results? My student engagement skyrocketed! Since WODB activities don't have a single correct answer (the idea is to get students thinking mathematically and learn how to justify their answers), all of my students (even ones who rarely participate) felt comfortable sharing and getting involved.

Are You Ready to Try WODB?

Today I am sharing two brand new and 100% free **Spider Man-themed WODB activities** for students in grades K-8.

► WODB #1 ☐

Grade Levels: K-6

Math Skills: Patterns, Similarity, Symmetry

[Click Here to Get Your Download](#)

► WODB #2 ☐☐

Grade Levels: K-8

Math Skills: Grouping, Patterns, Similarity, Symmetry, Ratios

[Click Here to Get Your Download](#)

► WODB #3 ☐☐☐

Grade Levels: 4-8

Math Skills: Patterns and Sequences, Ratios, Proportions, Fractions, Decimals

[Click Here to Get Your Download](#)

Wait! Do you wish you had access to these puzzles yesterday?

There are lots of reasons to join the Mashup Math Membership program today—like having access to all of our K-8 math activity libraries ([including all of our holiday-themed puzzles for every month of the year](#)), over 100 topic-specific video lessons (without advertisements), and hundreds of printable math worksheets.

You already know that Mashup Math activities are super engaging and loved by students, so why not have on-demand access to [everything](#) that we have to offer all in one place?

Starting today, we are offering monthly and annual plans at discounted prices:

- Monthly Plan: ~~\$4.99~~ **\$2.99** US Billed Monthly
- Bi-Annual Plan: ~~\$21.00~~ **\$17** US Billed Every 6-Months **(Most Popular!)**
- Annual Plan: ~~\$47.88~~ **\$29** US Billed Annually

And **all plans include a risk-free 7-day trial** so that you can make sure that our resources will be useful to you and your students. As long as you cancel during the trial period, you will not be charged and your payment information will not be stored.

► **Monthly Plan:** [Click Here to Start Your 7-Day Free Trial](#)

► **Bi-Annual Plan:** [Click Here to Start Your 7-Day Free Trial](#)

► **Annual Plan:** [Click Here to Start Your 7-Day Free Trial](#)

Are Your Students Ready for a Challenge? ☐☐

Hi Rachael,

Did you know that today, April 28th, is [National Super Hero Day](#)?

And if you want to celebrate Super Hero Day at home or in your classroom, then go ahead and share today's **Spider-Man-Themed 'Which One Doesn't Belong?' (WODB)** math warm-up/cool-down activities this week—they are perfect for students in grades K-8 and are great for warm-ups, transitions, and exit tickets.

If you're not familiar with how to use 'Which One Doesn't Belong?' (WODB) activities and why they are amazing for boosting student engagement in the math classroom, [click here to learn everything you need to know](#).

I started sharing WODB activities with my students because I was struggling to find ways to get all of my students engaged, especially those who struggle with mathematics and are reluctant to participate.

The results? My student engagement skyrocketed! Since WODB activities don't have a single correct answer (the idea is to get students thinking mathematically and learn how to justify their answers), all of my students (even ones who rarely participate) felt comfortable sharing and getting involved.

Are You Ready to Try WODB?

Today I am sharing two brand new and 100% free **Spider Man-themed WODB activities** for students in grades K-8.

► WODB #1 ☐

Grade Levels: K-6

Math Skills: Patterns, Similarity, Symmetry

[Click Here to Get Your Download](#)

► WODB #2 ☐☐

Grade Levels: K-8

Math Skills: Grouping, Patterns, Similarity, Symmetry, Ratios

[Click Here to Get Your Download](#)

► WODB #3 ☐☐☐

Grade Levels: 4-8

Math Skills: Patterns and Sequences, Ratios, Proportions, Fractions, Decimals

[Click Here to Get Your Download](#)

Wait! Do you wish you had access to these puzzles yesterday?

There are lots of reasons to join the Mashup Math Membership program today—like having access to all of our K-8 math activity libraries ([including all of our holiday-themed puzzles for every month of the year](#)), over 100 topic-specific video lessons (without advertisements), and hundreds of printable math worksheets.

You already know that Mashup Math activities are super engaging and loved by students, so why not have on-demand access to [everything](#) that we have to offer all in one place?

Starting today, we are offering monthly and annual plans at discounted prices:

- Monthly Plan: ~~\$4.99~~ **\$2.99** US Billed Monthly
- Bi-Annual Plan: ~~\$21.00~~ **\$17** US Billed Every 6-Months **(Most Popular!)**
- Annual Plan: ~~\$47.88~~ **\$29** US Billed Annually

And **all plans include a risk-free 7-day trial** so that you can make sure that our resources will be useful to you and your students. As long as you cancel during the trial period, you will not be charged and your payment information will not be stored.

► **Monthly Plan:** [Click Here to Start Your 7-Day Free Trial](#)

► **Bi-Annual Plan:** [Click Here to Start Your 7-Day Free Trial](#)

► **Annual Plan:** [Click Here to Start Your 7-Day Free Trial](#)

Please feel free to respond to this email if you have any questions.

Are Your Students Ready for a Challenge? □□

Hi ,

Did you know that today, April 28th, is [National Super Hero Day](#)?

And if you want to celebrate Super Hero Day at home or in your classroom, then go ahead and share today's **Spider-Man-Themed 'Which One Doesn't Belong?' (WODB)** math warm-up/cool-down activities this week—they are perfect for students in grades K-8 and are great for warm-ups, transitions, and exit tickets.

If you're not familiar with how to use 'Which One Doesn't Belong?' (WODB) activities and why they are amazing for boosting student engagement in the math classroom, [click here to learn everything you need to know](#).

I started sharing WODB activities with my students because I was struggling to find ways to get all of my students engaged, especially those who struggle with mathematics and are reluctant to participate.

The results? My student engagement skyrocketed! Since WODB activities don't have a single correct answer (the idea is to get students thinking mathematically and learn how to justify their answers), all of my students (even ones who rarely participate) felt comfortable sharing and getting involved.

Are You Ready to Try WODB?

Today I am sharing two brand new and 100% free **Spider Man-themed WODB activities** for students in grades K-8.

► WODB #1 □

Grade Levels: K-6

Math Skills: Patterns, Similarity, Symmetry

[Click Here to Get Your Download](#)

► WODB #2 □□

Grade Levels: K-8

Math Skills: Grouping, Patterns, Similarity, Symmetry, Ratios

[Click Here to Get Your Download](#)

► WODB #3 □□□

Grade Levels: 4-8

Math Skills: Patterns and Sequences, Ratios, Proportions, Fractions, Decimals

[Click Here to Get Your Download](#)

Wait! Do you wish you had access to these puzzles yesterday?

There are lots of reasons to join the Mashup Math Membership program today—like having access to all of our K-8 math activity libraries ([including all of our holiday-themed puzzles for every month of the year](#)), over 100 topic-specific video lessons (without advertisements), and hundreds of printable math worksheets.

You already know that Mashup Math activities are super engaging and loved by students, so why not have on-demand access to [everything](#) that we have to offer all in one place?

Starting today, we are offering monthly and annual plans at discounted prices:

- Monthly Plan: ~~\$4.99~~ **\$2.99** US Billed Monthly
- Bi-Annual Plan: ~~\$21.00~~ **\$17** US Billed Every 6-Months **(Most Popular!)**
- Annual Plan: ~~\$47.88~~ **\$29** US Billed Annually

And **all plans include a risk-free 7-day trial** so that you can make sure that our resources will be useful to you and your students. As long as you cancel during the trial period, you will not be charged and your payment information will not be stored.

► **Monthly Plan:** [Click Here to Start Your 7-Day Free Trial](#)

► **Bi-Annual Plan:** [Click Here to Start Your 7-Day Free Trial](#)

► **Annual Plan:** [Click Here to Start Your 7-Day Free Trial](#)

Please feel free to respond to this email if you have any questions.

Thanks,
Anthony Persico

NUTRITION & WELLNESS

RDN: Sea greens are nutritious and versatile

Edible sea greens such as seaweeds and algae are "highly nutritious, as they are loaded with vitamins and minerals, such as potassium, calcium and magnesium, as well as iron and iodine," says registered dietitian nutritionist Vicki Shanta Retelny. Sea greens can be consumed in many ways, such as adding them to soups or salads and sauteing them with oil and seasoning, Retelny says. **Full Story:** [Everyday Health](#) (4/27)

TRENDS & RESEARCH

Children with multiple food allergies more likely to have legume allergy

Pediatric patients with multiple food allergies appeared to be more likely to have legume allergies, and the majority of those who were allergic to legumes had issues with multiple types of them, according to a study of 87 children published in *Pediatric Allergy and Immunology*. Lip dose challenges using a paste were apparently useful in predicting oral outcomes, according to researchers.

Subject: Superintendent's Weekly Message - April 29, 2022

CAUTION: This email originated from outside of the OLSD mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear CCS Community,

Welcome back from Spring Break! I hope your time off was restful and your return to school this week was met with positive energy to finish strong - just five more weeks to wrap up the school year!

With that said, I am asking for your help in making attendance a priority. How we end the school year is just as important as how we start it.

Beginning next week, we are launching a fun, positive campaign to celebrate daily school attendance -- one I'm certain our students can relate to.

- In elementary schools, our **Roll Call Role Model** message will remind our students that role models make good decisions and lead by setting a positive example... and being at school regularly makes you a role model. We want our younger students to Lead The Way as a Roll Call Role Model.
- In our middle and high schools, we will be sharing a message about **In-School Influencers**. The world is full of influencers these days, from fashion to video games and everything in between. We're looking for influencers on school attendance by asking students and parents to share tips on how they get ready and prepare to show up for school every day.

Students will be eligible for weekly prizes and incentives including free tickets to Columbus Clippers games and free food coupons from Donatos, Tim Hortons, and White Castle.

So let's do this -- we're almost there. Let's finish strong and show the world how CCS students are Leading The Way!

Recognizing Our Outstanding Teachers and Staff

In the coming weeks, we will be celebrating many individuals in our school community, each of whom play a crucial role in our students reaching their full potential and achieving academic success.

I'd like to take a moment to acknowledge several special days, honoring our dedicated and hard-working teachers and staff, and offer my sincere gratitude for their contributions to our schools and our students:

- Wednesday, April 27 - Administrative Professionals Day
- Sunday, May 1 - School Principals' Day
- Monday, May 2 - School Bus Driver Appreciation Day
- Tuesday, May 3 - National Teacher Day
- Friday, May 6 - School Lunch Hero Day
- Wednesday, May 11 - National School Nurse Day
- Friday, May 13 - School Communicators Day

Please join me in thanking our everyday heroes for all they do to equip our students with the tools they need to 'Lead The Way.'

I encourage our families and community members to reach out to a teacher, principal, or staff member who has made a difference in the lives of your children. Tell them how much you care and appreciate the work they do in Columbus City Schools.

Sincerely,

Talisa Dixon
Superintendent/CEO, Columbus City Schools

CAUTION: This email originated from outside of the OLSD mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear CCS Community,

Welcome back from Spring Break! I hope your time off was restful and your return to school this week was met with positive energy to finish strong - just five more weeks to wrap up the school year!

With that said, I am asking for your help in making attendance a priority. How we end the school year is just as important as how we start it.

Beginning next week, we are launching a fun, positive campaign to celebrate daily school attendance -- one I'm certain our students can relate to.

- In elementary schools, our **Roll Call Role Model** message will remind our students that role models make good decisions and lead by setting a positive example... and being at school regularly makes you a role model. We want our younger students to Lead The Way as a Roll Call Role Model.
- In our middle and high schools, we will be sharing a message about **In-School Influencers**. The world is full of influencers these days, from fashion to video games and everything in between. We're looking for influencers on school attendance by asking students and parents to share tips on how they get ready and prepare to show up for school every day.

Subject: The next 4 weeks

CAUTION: This email originated from outside of the OLSD mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Families,

We had such a great time at Franklin Park Conservatory! Thank you for helping your child to be prepared for this fun day! I need to send a HUGE THANK YOU to our chaperones Kari Browning, Torey Armul, Vinh Tu, Sri Alankarage Mudalige, and Ciara Sohr who really made it fun and safe for our kiddos!!

We are now down to 4 weeks left of school. This last month will feel different in a few ways. First, Miss Sohr's time with us has come to an end. ☹️ Another difference will be math time: I will be entirely conducting math lessons in small groups. Some groups will be reviewing topics with which students have not yet shown mastery. Other groups will be working on enrichment and challenges. Your child may be in one group, or several, depending on how they did on summative tests. The final big change will be Camp Skeeter! We will begin our Camp Skeeter events on May 19 and continue through the last day of school (May 26).

There are a lot of things to remember in the next 4 weeks! I'll keep updating the list below and send it home each week:

5/1 Camp Skeeter online shirt store closes [tshirt link](#)

5/6 School Lunch Hero Day

5/12 Return all school books to school

5/16 Camp Skeeter Letters Due (Shhhh!)

5/19 Camp Skeeter- "Bug Day"

5/20 Camp Skeeter- "Nature Day"

--wear comfy shoes for walking

5/23 Camp Skeeter- "Health and Wellness Day"

--wear comfy clothes for lots of activity

5/24 Field Day

--wear comfy clothes for lots of activity

Camp Skeeter- "Movie Night"

--bring sleeping bag and stuffed animal

5/25 Camp Skeeter- "Safety Day"

--Bring an extra bag to carry things home

End of Year Party 1:30-2:15 (outside on westside, weather permitting)

--You are welcome to join us for party time!

5/26 Camp Skeeter- "Camp Day"

--Bring an extra bag to carry things home

Last Day of School- Dismiss at 1:30

6/6 Last Day to order school supplies online (optional)

Thanks for always being so supportive!

Subject: Plans for next week

Attachment(s): "Sauer Plans week of 5.2.pdf"

Sorry I forgot to send this earlier! Here's what we're doing this week:

Math: For the next 2 weeks, I'll be meeting with students in small groups for review/reteaching, extra practice, or enrichment in all of the year's math topics.

Reading: We'll be comparing information in different nonfiction texts and practice more with contractions.

Writing: Monday is writing about the field trip. The rest of the week, we're writing books for Mom.

Fundations: We are working on unit 12: **Multi-syllable Words**. Students are learning about **compound words, contractions, and abbreviations**. We'll have the Unit 12 test on Tuesday and go on to Unit 13: adding suffixes to multi-syllable words.

Science: We've been learning a lot about the **sun** and it's energy! Our main concepts are that the sun is the main source of energy and that it heats the air, land, and water. We'll have a 2 more sun experiments when there is sun. The (very short) test will be on Wednesday.
