CLERK OF COURT
SUPREME COURT OF OHIO

December 30, 2023

To the Supreme Court Justices
I currently have 2 cases in front of the Court right now. Case number 23-1583 case number 23-1609. In them two cases and the one in the 6th circuit Court of Appeals, arise from The State of Ohio's Election Board and political identification theft. I am grandfathered in politically as you can see from just a few documents that I am sending with this. Just one of the incidents is Mayor Bibbin Cleveland Ohio and I know there are other political accounts that's been going on for many years on illegal and legal computer systems that's being passed out by the State of Ohio including the schools. I was running for Mayor in Columbus this year and they said I needed 1,000 signatures. After they scorned and ridiculed and ruined my career and social life tied to a company in D.C. called Fusion GPS. So I am asking the Court for a writ of mandamus. I would like to sue the Board of Elections for any and all of my paperwork that I found out is public information as well as declaration of candidacy papers for Mayor Bibb Mayor Gunther and maybe other ones.

next page

I have heard of cases that Ohio's voting system to residential areas in Columbus & Ohio. As I was researching this stuff I had found out that the TV stations ran their studio wires with AT&T and the electric companies to residential neighborhoods. So all it would take is a cable or a converter and a phone line modulator. There's all whole lot more then that political corruption. So would you please grant me a writ of Mandamus. To make the election Board follow the law.

Thank You

To Whom It May Concern Franklin County Probate Court and any other legal establishment when required thereafter;

To begin, I have requested my licensed social worker Tiffany McCullough, MSW, LSW to type this letter to accompany me in my hearing.

I Ronald Bibb would like to represent myself if it has been discovered that I was not released on 1/28/15. On 1/28/15, I want full motion of discovery in any legal documentation accompanied with it, along with any legal and law books and computer system that I might need to defend myself on my case. In addition, I would request paralegal assistant.

I also believe this whole matter is tied to someone trying to steal my inheritance. This also goes in with the identity theft that I believe is going on.

Dating back to motion of discovery to 1970 from Governor Kasich's, Jobs and family Services, AEP, Columbia us Gas, Behavioral Sciences, the mental health board, ADAMH Board. I also would like all medical documents and mental health documents from 1970- to the present.

My attending psychiatrist will be a hostile witness, and I will need all record for her mental and physical. During my stay here, staff and psychiatrist are aware that I have broken bones all parts of my body; my right leg is inch and a half short than my left leg. I have protruding bones in left side of chest and my neck collar bone. I have a protruding bump on my right side above my temple, and when I push on it, there is high-pitch frequency sound that follows.

.. I would like to begin representing myself on 1/28/15 immediately after the hearing.
Thank you for your time and attention in this matter.

Sincerely,

Mr. Ronald Bibb, (DOB: 8/6/58 in Gallipolis, OH, Hosier Hospital)

"The Free Bird," aka grandson of Leondis Cosine from Westerville, OH (who passed away)
In addition, I am also related to the Caldwell's as well as the Hunts, Stovers, Woods Cox.
