MOTION AND PROCEDURAL RULINGS

2025-1602. State ex rel. Matveeva v. Cuyahoga Cty. Common Pleas Court Clerk.

In Mandamus. On relator's emergency motion for extension of time. Motion granted. The time for filing relator's merit brief is extended to December 29, 2025.

Brunner, J., dissents and would (1) deny the motion because there is no indication that relator attempted to and/or could not obtain a stipulation (as pro se litigants are held to the same standard as attorneys) and because the motion lacks sufficient details and (2) sua sponte dismiss the cause because the complaint is procedurally defective and fails to state a claim for relief in mandamus and because without a timely merit brief, there is failure to prosecute.
