JUDGMENT ENTRY

---

{¶1} In this public-records case, a Special Master has issued a Report and Recommendation (R&R). The Special Master recommends that the court: (1) order respondent to produce unredacted copies of pp. 3-278 of the records filed for in camera review subject only to the redactions listed in the appendix to the R&R; (2) order respondent to take that action within 30 days from the entry of a judgment adopting the R&R; (3) order respondent to file and serve an affirmation that it has taken that action within 40 days of the entry of a judgment adopting the R&R, (4) order respondent to reimburse requester for his filing fee and costs in this case; (5) order respondent pay the balance of the costs of this case; and (6) deny all other relief.

{¶2} Neither Requester nor Respondent has filed timely written objections to the R&R in accordance with R.C. 2743.75(F)(2). The Court adopts the R&R.
