

Pretrial Justice System Element	Is the element maximized/fully implemented, partially implemented, or an existing gap?
Law enforcement is empowered to issue citations in lieu of arrest (either presumptive or discretionary)	
Use of actuarial pretrial assessment tool	
Early review of charges by experienced prosecutor	
Presence of defense counsel at the earliest hearing that could result in pretrial detention	
Detention occurs through an adversarial hearing where the individual is provided full due process	
Court reminder protocols, community-based supports, and/or diversion for released individuals	

Ohio Pretrial Justice Summit: PRE-WORK
Pretrial System Assessment

Pretrial Justice Data or Knowledge Element	Do you have full, partial or no knowledge of this element?
We know our pretrial justice 3Ms (release rate, court appearance rate, public safety rate).	
We know our jail’s pretrial population, pretrial lengths of stay, and reason for detention (e.g., inability to pay money bond).	
We understand our legal framework (e.g., right to bail, detention eligibility, and release conditions provisions in constitution, statute, and court rules)
